**Vickie Donoghue**

## Mr Whatnot:

**The Haberdasher**, 1919      **Will-o-the-wisp**, 1870      Creating Reading Rainbow Barbara Irwin, Tony Buttino, Pam Johnson, 2024-06-18 Reading Rainbow is one of the most successful PBS children's series in television history earning numerous national and international awards including 26 Emmys and a Peabody Award But perhaps more important than anything else Reading Rainbow helped generations of children cultivate a love for books Reading Rainbow is very much a story of humble beginnings and enormous perseverance Over five summers Tony Buttino Sr and his colleagues at WNED TV the public television station in Buffalo New York worked in collaboration with educators and librarians to experiment with summer reading programs But after trialing these programs the WNED team realized there was a big need for a new children's literacy series and believed they could create a new show with local and national collaborators and friends After fits and starts and enough twists and turns to fill a children's book Reading Rainbow premiered in the summer of 1983 and captured the attention of 6.5 million young viewers Creating Reading Rainbow explores the many intriguing and homespun stories that when woven together reveal how this groundbreaking and iconic television series came to be What led to the series being called Reading Rainbow How did the road to Reading Rainbow wind its way through Mister Rogers Neighborhood How did a public television station in Buffalo spearhead a movement in education and spark the passion for reading in millions of children And what does lasagna have to do with it

**Modern British Playwriting: The 1960s** Steve Nicholson, 2013-12-02 Essential for students of theatre studies Methuen Drama's Decades of Modern British Playwriting series provides a comprehensive survey and study of the theatre produced in each decade from the 1950s to 2009 in six volumes Each volume features a critical analysis and reevaluation of the work of four key playwrights from that decade authored by a team of experts together with an extensive commentary on the period The 1960s was a decade of seismic changes in British theatre as in society at large This important new study in Methuen Drama's Decades of Modern British Playwriting series explores how theatre makers responded to the changes in society Together with a thorough survey of the theatrical activity of the decade it offers detailed reassessments of the work of four of the leading playwrights The 1960s volume provides in depth studies of the work of four of the major playwrights who came to prominence Edward Bond by Steve Nicholson John Arden Bill McDonnell Harold Pinter Jamie Andrews and Alan Ayckbourn Frances Babbage It examines their work then its legacy today and how critical consensus has changed over time

*Stephen Joseph: Theatre Pioneer and Provocateur* Paul Elsam, 2013-11-07 A 1967 obituary in The Times labelled Stephen Joseph the most successful missionary to work in the English theatre since the second world war This radical man brought theatre in the round to Britain provoked Ayckbourn Pinter and verbatim theatre creator Peter Cheeseman to write and direct and democratised theatregoing This monograph investigates his forgotten legacy This monograph draws on largely unsorted archival material including letters from Harold Pinter J B Priestley Peggy Ramsay and others and on new interviews with figures including Sir Alan Ayckbourn

Trevor Griffiths and Sir Ben Kingsley to demonstrate how the impact on theatre in Britain of manager director and missionary Stephen Joseph has been far greater than is currently acknowledged within traditional theatre history narratives The text provides a detailed assessment of Joseph s work and ideas during his lifetime and summarises his broadly unrecognised posthumous legacy within contemporary theatre Throughout the book Paul Elsam identifies Joseph s work and ideas and illustrates and analyses how others have responded to them Key incidents and events during Joseph s career are interrogated and case studies that highlight Joseph s influence and working methods are provided *Post-War British Theatre (Routledge Revivals)* John Elsom,2014-10-17 Since the Second World War we have witnessed exciting often confusing developments in the British theatre This book first published in 1976 presents an enlightening objective history of the many facets of post war British theatre and a fresh interpretation of theatre itself The remarkable and profound changes which have taken place during this period range from the style and content of plays through methods of acting to shapes of theatres and the organisational habits of managers Two national theatres have been brought almost simultaneously into existence while at the other end of the financial scale the fringe and pub theatres have kicked their way into vigorous life The theatre in Britain has been one of the post war success stories to judge by its international renown and its mixture of experimental vitality and polished experience In this book Elsom presents an approach to the problems of criticism and appreciation which range beyond those of literary analysis *Tender Loving Care* Vickie Donoghue,2014-07-25 My brother s trying to win the war He s fighting We should be fighting I m brilliant at fighting June 5 1944 Southsea Beach A girl named Poppy stands on the precipice of history Tomorrow is the biggest day of her life D Day Along with her friend Evie Poppy finds herself volunteering in a Southsea hospital preparing for the arrival of casualties of the D Day landings Poppy has always wanted to be a war hero but instead finds herself being asked to do the unthinkable provide a German prisoner of war with compassionate and tender care A beautifully written play about the role of women on the Home Front during the Second World War *Tender Loving Care* premiered at the Square Tower Portsmouth in June 2014 in a production by The New Theatre Royal Portsmouth *Neil Simon* Gary Konas,2020-11-25 First Published in 1997 The 16 essays and interviews in this volume explore the background and works of Neil Simon the most successful playwright in American history Several of the entries trace Simon s Jewish heritage and its influence on his plays Although Simon is best known as a writer of a remarkable series of hit Broadway comedies the contributors to this book have identified a number of serious recurring themes in his work suggesting that a reassessment of the playwright as a dramatist is appropriate Three interviews with Simon and his longtime producer yield valuable facts about the playwright that will along with the critical essays aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular *Stage Right* John Bull,1994-05-24 *Stage Right* is a refreshingly abrasive account of the state of British theatre since 1979 offering an account of the development of a new mainstream formed in conscious opposition to the work of the politically committed dramatists of the 70s and an analysis of

the plays of the most successful playwrights of the new mainstream Nichols Gray Frayn Bennett Ayckbourn and Stoppard

**Grinning At The Edge** Paul Allen, 2014-02-13 Now in paperback the hugely acclaimed authorised biography of Britain's most popular playwright Alan Ayckbourn is Britain's most popular playwright and its most private He has won numerous awards for his plays and has worked with some of theatre's most celebrated names yet he spends most of his time away from the limelight in a Yorkshire seaside town not writing at all but running a small repertory theatre This is a portrait of a man who from *Relatively Speaking* in 1965 to his double play *House and Garden* at the National Theatre in 2000 has chronicled human behaviour our aspirations and insecurities while shaping the theatrical experience of millions Mr Allen's book makes me want to start reading the entire Ayckbourn canon over again splendid stuff Hugh Leonard *Sunday Independent* Paul Allen has come up with a wise well informed book that not only persuades us of Ayckbourn's genius but also helps to explain this complex driven man Michael Billington *Country Life* Lucid meticulously researched this impressively detailed account benefits from Paul Allen's rich inside knowledge of theatre Terry Eagleton *Times Literary Supplement* Thorough and enjoyable Christopher Hirst *Independent*

Eventually, you will enormously discover a extra experience and triumph by spending more cash. nevertheless when? attain you endure that you require to acquire those all needs later than having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more on the globe, experience, some places, later history, amusement, and a lot more?

It is your utterly own era to perform reviewing habit. in the midst of guides you could enjoy now is **Mr Whatnot** below.
