Mrs Dalloway Virginia Woolf, 2000-05-04 Fear no more the heat of the sun Mrs Dalloway Virginia Woolf's fourth novel offers the reader an impression of a single June day in London in 1923 Clarissa Dalloway the wife of a Conservative member of parliament is preparing to give an evening party while the shell shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek There seems to be nothing except perhaps London to link Clarissa and Septimus She is middle aged and prosperous with a sheltered happy life behind her Smith is young poor and driven to hatred of himself and the whole human race Yet both share a terror of existence and sense the pull of death The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style in a lyrical and haunting language which has made this from its publication in 1925 one of her most popular novels
