The Chicago Guide to Your Academic Career John A. Goldsmith,John Komlos,Penny Schine Gold,2010-04-15 Is a career as a professor the right choice for you If you are a graduate student how can you clear the hurdles successfully and position yourself for academic employment What s the best way to prepare for a job interview and how can you maximize your

chances of landing a job that suits you What happens if you don't receive an offer How does the tenure process work and how do faculty members cope with the multiple and conflicting day to day demands With a perpetually tight job market in the traditional academic fields the road to an academic career for many aspiring scholars will often be a rocky and frustrating one Where can they turn for good frank answers to their questions Here three distinguished scholars with more than 75 years of combined experience talk openly about what's good and what's not so good about academia as a place to work and a way of life Written as an informal conversation among colleagues the book is packed with inside information about finding a mentor avoiding pitfalls when writing a dissertation negotiating the job listings and much more The three authors distinctive opinions and strategies offer the reader multiple perspectives on typical problems With rare candor and insight they talk about such tough issues as departmental politics dual career marriages and sexual harassment Rounding out the discussion are short essays that offer the inside track on financing graduate education publishing the first book and leaving academia for the corporate world This helpful guide is for anyone who has ever wondered what the fascinating and challenging world of academia might hold in store Part I Becoming a Scholar Deciding on an Academic Career Entering Graduate School The Mentor Writing a Dissertation Landing an Academic Job Part II The Academic Profession The Life of the Assistant Professor Teaching and Research Tenure Competition in the University System and Outside Offers The Personal Side of Academic Life

Mothers Who Deliver Jocelyn Fenton Stitt, Pegeen Reichert Powell, 2012-02-01 Mothers Who Deliver Feminist

Interventions in Public and Interpersonal Discourse brings together essays that focus on mothering as an intelligent practice deliberately reinvented and rearticulated by mothers themselves The contributors to this watershed volume focus on subjects ranging from mothers in children's picture books and mothers writing blogs to global maternal activism and mothers raising gay sons Distinguishing itself from much writing about motherhood today Mothers Who Deliver focuses on forward looking arguments and new forms of knowledge about the practice of mothering instead of remaining solely within the realm of critique Together the essays create a compelling argument about the possibilities of empowered mothering **Awakenings**

Bernard Koloski, 2009-12 No other American book was so maligned neglected for so long and then embraced so quickly and with such enthusiasm as Kate Chopin's 1899 novel The Awakening For the twelve scholars whose essays make up this collection reading the novel was a life changing event Awakenings explains how as graduate students and young college instructors they carried out some of the basic research thought through some of the critical approaches and developed some of the present directions for reading studying and teaching Kate Chopin a foundation narrative that focuses on what happened a generation ago and why **Be Visible Or Vanish** Inger Mewburn, Simon Clews, 2023-05-09 The world of the

academic researcher is changing it used to be enough to work hard do your research and get your results published Not so these days Universities now expect researchers to share their work with the world as widely as possible Publish or perish has been replaced by a new mantra and the pressure is on In this insightful book Inger Mewburn and Simon Clews look at some

of the most common presentation scenarios that researchers will face when talking about their work Starting in academia with the deceptively simple art of writing a good email and working through lectures conference presentations and lightning talks the book then moves off campus and explores talking to the media making elevator pitches and creating an effective digital presence on social media Offering detailed looks at 19 different presentation formats Mewburn and Clews tap into their vast experience in the field to analyse the challenges and opportunities aligned with each case study and to map out the route to success With a lightness of touch and an often humorous approach *Be Visible Or Vanish Engage Influence and Ensure Your Research Has Impact* will show you what it takes to achieve that holy grail of modern academia impact This text will be invaluable for students academics and researchers hoping to effectively communicate complex information in a way that can be understood and appreciated by their peers colleagues and the wider world The Insider Guides to Success in Academia offers support and practical advice to doctoral students and early career researchers Covering the topics that really matter but which often get overlooked this indispensable series provides practical and realistic guidance to address many of the needs and challenges of trying to operate and remain in academia These neat pocket guides fill specific and significant gaps in current literature Each book offers insider perspectives on the often implicit rules of the game the things you need to know but usually aren't told by institutional postgraduate support researcher development units or supervisors and will address a practical topic that is key to career progression They are essential reading for doctoral students early career researchers supervisors mentors or anyone looking to launch or maintain their career in academia *Traveling through the Boondocks* Terry Caesar, 2000-07-03 Wry and honest essays on the everyday conditions of professional life at a second rate university with implications for our understanding of higher education in general
