My Tractor A Chunky Vehicle:

Survivor James Phelan,2013-04-30 At the end of the world it s hard to trust anyone even yourself Jesse and a ragged band of survivors crawl through the wreckage of New York City They escaped the Chasers for now But the infected zombie freaks are getting bolder stronger So when they begin to see signs of human life they can t believe their luck Now they re the chasers looking for someone to tell them the worst vacation ever is over Of course luck can be good and bad And the enemy could be closer than your reflection in the mirror

The Season Helen Garner,2025-09-02 From the beloved master of Australian letters Helen Garner comes a brand new work of nonfiction exploring boyhood football and the quotidian joys of family life Helen Garner is one of the most prodigiously gifted writers of our time The New York Times Book Review best known for her intricate portraits of ordinary people in difficult times New York Times In *The Season* she trains her keen journalistic eye on the most difficult time of all adolescence Garner and her grandson Amby are deep in the throes of a shared obsession with Australian football or footy as Amby advances into his local club s Under 16s From her trademark remove Garner documents the camaraderie and the competition on the field the bracing nights of training the endurance of pain the growth of a gaggle of laughing boys into a formidable focused team *The Season* is part dispatch on boyhood chronicling the tenderness between young men that so often scurries away under too bright a spotlight and part love letter to parenthood and family as Garner becomes enmeshed in the community that gathers to watch their boys do battle *The Season* finds Garner rejoicing in the later years of her life surprised to discover their riches a bright generously funny exuberant book from one of our great living writers

Unconscious Lies D. W. Brown,2013-04-21 What does it mean when only you can see the strange people inhabiting your home When you call out to your wife to un strap you from your bed but she seems not to hear This is what is happening to Peter Lawson He can t seem to remember anything from his past and has to rely on the words that his wife is telling him Since he can t remember anything about his past Pete must take his wife s word for everything But can she be trusted Why hasn t anyone around town heard of the firm where she claims to work What is she hiding The dreams Pete keeps having about murdering six people seem too real not to be true The feeling of sticking his blade into the old man s chest should ve been something he disliked but the fact that he enjoyed it was undeniable Still why would a simple woodworker enjoy taking another man s life

Pasta Punctures & Perseverance! Howard Ashton,2016-04-20 Why cycle fast when you can cycle slowly often very slowly as dictated by terrain topography and the weather Intrepid explorer W H Tilman saw the merits of such an attitude when he remarked that all travel is dull exactly in proportion to its rapidity Howard adopted Tilmans attitude as he adventured over many years across the world on two self propelled wheels that incredibly efficient machine for personal transport a bicycle Born affected by cerebral palsy it was through the therapeutic effects of much massage and manipulations of his limbs that by the age of 3 his legs had enough strength to push pedals if not allowing him to stand and walk And pushing pedals is what he has been doing almost daily for the past 65 years

From trundling down the garden path on a bright red Gresham Flyer trike his competence and confidence quickly built as did muscle strength and tone This simple activity allowed him to overcome the physical limitations which life had imposed upon him Since those very early days countless bicycles have carried him tens of thousands of miles Very short journeys just down the road to primary school were gradually extended over the following decades Pedal power became Howards passport to personal freedom Almost always solo and camping wild the range and magnitude of these cycling adventures inexorably expanded from roaming both Scottish and Irish by ways to the high roads but mostly back roads of more than sixty countries across the world Here he shares a selection of the diaries written along the way recounting the experiences and interactions which are the seemingly inevitable consequence of this slowly and lowly method of travel Proceeds from the sale of this book will be donated to SCOPE the UK charity supporting those affected by cerebral palsy and their families **Nut Grass** James Hagerty,2005-05-02 Norman nicknamed El Demente Athe crazy one hitchhikes and hops freight across the southern United States in search of MaCto him MaBelleCand his ragtag family Afflicted with syphilis and a head wound from pimping at a Mexican whorehouse across the Texas border he struggles in both a mindless and lucid state to reach their Adream home in the California desert before the endY Finley the youngest brother has filched the farm tractor battery to replace the one stolen from the family rattletrap This brings the opening day of corn harvest to a screeching halt Sylvester a sadistic ex Marine of a foreman is sent to retrieve the stolen battery at a funky gas station where a fourth grease monkey brother N A works This triggers the first of many fistfights and death threats Sylvester despises MaBelle s boys because the gigolo second eldest Pete has made a conquest of his high rolling live in love Phoebe Meanwhile Pete s long suffering pregnant wife is past due to deliver This turns into a life and death breach birth which further bogs down corn harvest and resultsCafter a hayride rape and murderCin the eviction of MaBelle s brood back to AGod s country from whence they arose Predominance H. Defaz,2016-07-29 **Handsomest Man in Cuba** Lynette Chiang,2007-04-01 An engaging witty account of the people customs food and culture of Cuba framed by a fascinating approach to travel With only a folding bicycle and a towable suitcase Australian Lynette Chiang spent three months touring Cuba eshewing tourist hotels and typical itineraries in favor of an unpredictable day to day existence among ordinary citizens She discovered a people who despite great privation are warm generous and generally happy Her narrative covers equally well the challenges of travel on two wheels and the surprises of life in the land of Fidel Ford Owner and Dealer ,1924 **Human Rights: Undead Set on Living** Damon Rathe,2014-04-14 It s not easy being a zombie I d only just been turned when I suddenly had conversion targets to meet death quotas to fill and my team leader getting on my back This whilst all the trying to come to terms with being shot at losing limbs a body that doesn t work properly anymore and my newly found addiction to lovely squishy juicy brains It was just too much and my counsellor for the recently deceased hadn t been any help But at least it was an ordered democratic society and I had a place in it even if it was against my will That was until the bomb dropped creating the dictatorial super

mutant zombies that took over and now it's all out war against the humans. The Supers are only interested in the complete annihilation of humankind, not the human zombie paradox. So why should I care? I'm a zombie, right? I want the best for my race. I should hate the humans, want to destroy them as well. However, something told me this was wrong. For some reason, I had ethics and thoughts that just weren't in keeping with the status quo. I seemed to have evolved beyond them, and I didn't know why I didn't want this war. I didn't want humans to become extinct. Surely they have rights too. Human Rights. But I was just one zombie in a horde of millions. What could I do?

Written by the co-author of the book *Souls of Darkness* Doomed Chuck Palahniuk, 2013-10-08. Madison Spencer, the liveliest and snarkiest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Doomed* is a dark and twisted apocalyptic vision from this provocative storyteller. The bestselling *Damned* chronicled Madison's journey across the unspeakable and really gross landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Doomed* describes the ultimate showdown between Good and Evil. After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory, or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they walk right through her as well. The upside is that no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather Papadaddy. As she revisits the painful truth of what transpired over those months, including a disturbing and finally fatal meeting in a rest stop's fetid men's room, in which well never mind her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning, through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For everyone. Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri watch your back. Chuck Palahniuk is gaining on you.

The Museum of the Wood Age Max Adams, 2022-09-01. A

passionate and imaginative exploration of wood, the material that shaped human history. As a material, wood has no equal in strength, resilience, adaptability, and availability. It has been our partner in the cultural evolution from woodland foragers to engineers of our own destiny. Tracing that partnership through tools, devices, construction, and artistic expression, Max Adams explores the role that wood has played in our own history as an imaginative, curious, and resourceful species. Beginning with an investigation of the material properties of various species of wood, *The Museum of the Wood Age* investigates the influence of six basic devices: wedge, inclined plane, screw, lever, wheel, axle, and pulley, and in so doing, reveals the myriad ways in which wood has been worked throughout human history. From the simple bivouacs of hunter-gatherers to sophisticated wooden buildings such as stave churches, from the decorative arts to the humble woodworking of rustic furniture, Max Adams

fashions a lattice of interconnected stories and objects that trace a path of human ingenuity across half a million years of history

Dreadnought! Diane Carey, 2000-09-22 Captain Kirk and the crew of the Enterprise match wits with fanatics within the Federation itself as they attempt to stop the commander of a new super weapon a dreadnought from provoking a war with the Klingons Star Empire is the Federation s most powerful new weapon a dreadnought first in a class of super starships capable of outgunning a dozen Klingon cruisers or subduing a galaxy On the eve of her maiden voyage Star Empire is stolen by terrorists who demand a rendezvous with the Starship Enterprise and with Lieutenant Piper stationed aboard Kirk s ship on her first training cruise Now Piper must discover why her friends from Starfleet are among the terrorists and why they insist the ship was stolen not to attack the Federation but to save it

The End of Airports Christopher Schaberg, 2015-11-19 If air travel was once the bold future it has now settled into a mundane on going present We no longer expect romantic experiences or sublime views but just hope that we get from here to there with minimal hassle In The End of Airports Christopher Schaberg suggests that even as the epoch of flight approaches a threshold of banality there are still mysteries to be unraveled around our aircraft and airfields Drawing from his own experiences working at an airport as well as interpreting these spaces from the perspective of a cultural critic Schaberg explores the secret lives of jet bridges seating areas concourses and tarmac vehicles showing how the ordinary objects of flight call for wonder and inquiry The End of Airports is not an obituary it s more like an ode to terminals in the digital age
