Bohrer,2022-11-03 This book relates some of the innumerable adventure stories and situations Ed and Peggy Bohrer encountered in the mission field True stories of faith courage and reliance upon God s Word happened at every turn This book is evidence that God answers prayers and sometimes He says yes no or wait He opened doors of opportunity to ministry that they had never imagined and made their work valid and vivid The book explains their belief that their lives mattered and gave them the unquenchable desire to do more Ed and Peggy s burden for the lost and their desire to see more people coming to the knowledge of Jesus Christ transcended age language place time and denomination They felt the presence of the Spirit of God and heard sensed and saw Him in his creation provision and deliverance even in the remotest parts of the earth The hardships they experienced brought the joy that surpasses all understanding The attacks from the enemy brought out their awareness of who we as Christians serve and the incomprehensible situations brought them closer to our Heavenly Father They discovered that all believers are His plan and His workmanship They counted His work as a privilege In Peru the work had unsuspected ramifications in the society as a whole Their work of evangelization affected children youth men and women people in government and pastors of different denominations It became an integral part of the Body of Christ The Lord granted them the desires of their heart as they served a five year term Once the Spirit of God enabled them the doors were opened to go and nothing could have stopped
