The Life of Oscar Wilde Hesketh Pearson, 1960

Oscar Wilde Richard Ellmann, 1997 In this long awaited biography Wilde the legendary Victorian brilliant writer and conversationalist reckless flouter of social and sexual conventions is brought to life More astute and forbearing yet more fallible than legend has allowed Wilde is given here the dimensions of a modern hero Based on fresh material from many hitherto untapped sources Ellmann depicts Wilde's comet like ascent on the Victorian scene and his equally dramatic sudden eclipse His Irish background the actresses to whom he paid court his unfortunate wife and lovers his clothes coiffures and the decor of his rooms all are presented here in vivid detail The saga of his 1882 American tour is recounted with a wealth of new details also his later impact on the bastions of the French literary establishment The London of the Nineties of Whistler and the Pre Raphaelites Lillie Langtry and the Prince of Wales is evoked alongside Paris of the belle epoque and the Greece

Italy and North Africa of Wilde travels Ellmann's definitive critical account of Wilde's entire oeuvre shows him as the proponent of a radical new aesthetic who was perilously at odds with Victorian society After his period of success and daring the fatal love affair with Lord Alfred Douglas is followed by exposure imprisonment a few wretched years abroad and death in exile The tragic end of Wilde's life leaves the reader with a sense of compassion and grief for the protagonist This edition make the popular and best selling biography available in paperback for the first time *The Secret Life of Oscar Wilde* Neil McKenna, 2009-03-05 Oscar Wilde said of himself I put all my genius into my life I put only my talent into my work Now for the first time Neil McKenna focuses on the tormented genius of Wilde's personal life reproducing remarkable love letters and detailing Wilde's until now unknown relationships with other men McKenna has spent years researching Wilde's life drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde McKenna provides explosive evidence of the political machinations behind Wilde's trials for sodomy as well as his central role in the burgeoning gay world of Victorian London Dazzlingly written and meticulously researched *The Secret Life of Oscar Wilde* fully charts Wilde's astonishing odyssey through London's sexual underworld and paints a frank and vivid psychological portrait of a troubled genius *The Life Of Oscar Wilde* André Kaminski, 2005-04-21 Studienarbeit aus dem Jahr 2005 im Fachbereich Anglistik Literatur Note 2 Ernst Moritz Arndt Universität Greifswald Institut für Anglistik Amerikanistik Veranstaltung Social Criticism in Oscar Wilde's *An Ideal Husband* and *A Woman of No Importance* Sprache Deutsch Abstract This homework will deal with the biography of Oscar Wilde It is perhaps rather unusual for a homework in a course in literature to deal predominantly with the life of a writer Usually academic treatment of literature tries not to give too much attention to the mere biographical background of any writer whose works are discussed But certainly the case of Oscar Wilde would be one to call for an exception from the rule As to the reasons for the unusual treatment of a writer in this respect it can first of all be stated that the dates and events in Oscar Wilde's life are very well documented Seemingly the life of Oscar Wilde has on the whole been of greater interest to scholars than the synoptic analysis of his works One scholar comments on the disproportion in academe between sifting through the life and analysing the works Es besagt viel wenn man feststellt wie wenig über sein Werk gesagt und wie ausführlich über sein Leben fabuliert wurde Das Zahlenmisseverhältnis zwischen Biographien und Werkuntersuchungen besttigt nur die Beobachtung dass sein Leben stets stärker die Aufmerksamkeit des Publikums auf sich gezogen hat als das was er geschrieben hat He adds that such an approach is rather inappropriate Dies geriet einer gerechten Beurteilung seines oeuvre nicht zum Vorteil sondern hat ihr eher geschadet Be that as it may any research will certainly reveal many significant links between the life and the works of Oscar Wilde And here we have the second reason for the discussion of his biography in this homework even the most superficial glance at the life will reveal that it is hardly possible to deal with life or oeuvre separately One can find the anarchistic dandy trying to live up to the principles of aestheticism in both of them In Oscar

Wilde's lifetime his contemporaries of the Victorian age experienced Oscar Wilde's complex personality which was full of contrasts inner tensions and excesses as well as most of his works It is not surprising that being for the most part dramatic Wilde's works also contain many contrasts inner tensions and excesses if only in the form of a finely wrought bon mot of one of the notorious characters Oscar Wilde Philippe Jullian,1994 a biographer of supreme intelligence and industry since the bibliography is immense and he has delved into it with extraordinary taste and imagination The Spectator An excellent book detailed where detail was still needed sensibly perfunctory where almost everything possible has already been told and said The Observer M Jullian's book succeeds in keeping the reader's interest unflaggingly alive The Economist *Oscar Wilde* Kimberly J. Stern,2019-11-18 Oscar Wilde A Literary Life tracks the intellectual biography of one of the most influential minds of the nineteenth century Rather than focusing on the dramatic events of Wilde's life this volume documents Wilde's impressive forays into education religion science philosophy and social reform In so doing it provides an accessible and yet detailed account that reflects Wilde's own commitment to the contemplative life Suitable for seasoned readers as well as those new to the study of his work Oscar Wilde A Literary Life brings Wilde's intellectual investments into sharp focus while placing him within a cultural landscape that was always evolving and often fraught with contradiction **Oscar Wilde, His Life and Confessions** Frank Harris,2019-04-16 Oscar Wilde His Life and Confessions Volume 2 is the second part of a classic Oscar Wilde biography collection by Frank Harris *Oscar Wilde* Richard Ellman,1989-09-01 The biography sensitive to the tragic pattern of the story of a great subject Oscar Wilde psychologically and sexually complicated enormously quotable central to a alluring cultural world and someone whose life assumed an unbearably dramatic shape From the Trade Paperback edition
