Other Americans Other Americas The Politics And Poetics Of Multiculturalism:

Other Americans, Other Americas Magdalena J. Zaborowska, 1998 This volume brings together international scholars of American Studies whose work explores the issues of ethnicity race gender national and cross cultural identity in American literature and culture The ramifications of this discussion go far beyond the borders of North America in our era of European consolidation and global communications even the seemingly most homogeneous of national literatures find themselves at last responding to and acknowledging external cultural influences With articles ranging from an examination of early colonial texts through postcolonial theory to a theoretical discussion of Michael Wigglesworth's Diaries and the latest work of Maya Angelou *Other Americans Other Americas* will appeal to a wide academic audience as a significant contribution to the latest scholarship in the field of multicultural studies

Multiculturalism and the Jews Sander Gilman, 2013-10-14 In this powerful and wide ranging study Sander Gilman explores the idea of the multicultural in the contemporary world a question he frames as the question of the relationship between Jews and Muslims How do Jews define themselves and how are they in turn defined within the global struggles of the moment struggles that turn in large part around a secularized Christian perspective Gilman uses his subject to unpack a sequence of important issues what does it mean to be multicultural Can the experience of diaspora Judaism serve as a useful model for Islam in today's multicultural Europe What is a multicultural ethnic Other chapters look at specific figures in Jewish cultural history Albert Einstein Franz Kafka Israel Zangwill Philip Roth the hermaphrodite N O Body aka Karl Baer raised as Martha Baer to explore issues within Jewish identity Throughout Gilman pays keen attention to the ways in which contemporary literature Chabon Ozick Zadie Smith Jonathan Safran Foer Gary Shteyngart taking the idea of Jewishness and multiculturalism into new arenas

Serial Memoir N. Stamant, 2014-06-23 Serial Memoir chronicles the phenomenon of seriality in memoir a transition in life writing toward repeated acts of self representation in the later twentieth century Such a shift demonstrates a new way to understand and represent constantly shifting subjectivities and their ambivalent relationship to the concept and structure of the archive

Walter Benjamin and Architecture Gevork Hartoonian, 2009-10-27 The essays compiled in this book explore aspects of Walter Benjamin's discourse that have contributed to the formation of contemporary architectural theories Issues such as technology and history have been considered central to the very modernity of architecture but Benjamin's reflection on these subjects has elevated the discussion to a critical level The contributors in this book consider Walter Benjamin's ideas in the context of digitalization of architecture where it is the very technique itself that determines the processes of design and the final form This book was published as a special issue of Architectural Theory

Review *Over the Wall/after the Fall* Sibelan Elizabeth S. Forrester, Magdalena J. Zaborowska, Elena Gapova, 2004
Annotation A rich and appealing tour of post communist cultures in Eastern Europe as seen from East and West Black Harlem and the Jewish Lower East Side Catherine Rottenberg, 2013-01-01 Comprehensive analysis of how Harlem and the Lower East Side have been depicted over the course of the twentieth century in African American and Jewish American literature Me and My House Magdalena J. Zaborowska, 2018-03-29 The last sixteen years of James Baldwin s life 1971 87 unfolded in a village in the South of France in a sprawling house nicknamed Chez Baldwin In *Me and My House* Magdalena J Zaborowska employs Baldwin s home space as a lens through which to expand his biography and explore the politics and poetics of blackness queerness and domesticity in his complex and underappreciated later works Zaborowska shows how the themes of dwelling and black queer male sexuality in *The Welcome Table* *Just above My Head* and *If Beale Street Could Talk* directly stem from Chez Baldwin s influence on the writer The house was partially torn down in 2014 Accessible heavily illustrated and drawing on interviews with Baldwin s friends and lovers unpublished letters and manuscripts *Me and My House* offers new insights into Baldwin s life writing and relationships making it essential reading for all students scholars and fans of Baldwin **Racially Writing the Republic** Bruce Baum, Duchess Harris, 2009-07-29 Investigates the history of U S political thought dreams and national identity by foregrounding the debasing role of race and racialized identities in constructions and transformations of what it has meant to be American *Immigration, Ethnicity, and Class in American Writing, 1830-1860* Leonardo Buonomo, 2013-12-04 This book examines the close relationship between the portrayal of foreigners and the delineation of culture and identity in antebellum American writing Both literary and historical in its approach this study shows how in a period marked by extensive immigration heated debates on national and racial traits during a flowering in American letters encouraged responses from American authors to outsiders that not only contain precious insights into nineteenth century America s self construction but also serve to illuminate our own time s multicultural societies The authors under consideration are alternately canonical Emerson Hawthorne Melville recently rediscovered Kirkland or simply neglected Arthur The texts analyzed cover such different genres as diaries letters newspapers manuals novels stories and poems **James Baldwin's Turkish Decade** Magdalena J. Zaborowska, 2009-01-16 Between 1961 and 1971 James Baldwin spent extended periods of time in Turkey where he worked on some of his most important books In this first in depth exploration of Baldwin s Turkish decade Magdalena J Zaborowska reveals the significant role that Turkish locales cultures and friends played in Baldwin s life and thought Turkey was a nurturing space for the author who by 1961 had spent nearly ten years in France and Western Europe and failed to reestablish permanent residency in the United States Zaborowska demonstrates how Baldwin s Turkish sojourns enabled him to re imagine himself as a black queer writer and to revise his views of American identity and U S race relations as the 1960s drew to a close Following Baldwin s footsteps through Istanbul Ankara and Bodrum Zaborowska presents many never published photographs new information from Turkish

archives and original interviews with Turkish artists and intellectuals who knew Baldwin and collaborated with him on a play that he directed in 1969 She analyzes the effect of his experiences on his novel *Another Country* 1962 and on two volumes of his essays *The Fire Next Time* 1963 and *No Name in the Street* 1972 and she explains how Baldwin's time in Turkey informed his ambivalent relationship to New York his responses to the American South and his decision to settle in southern France James Baldwin's *Turkish Decade* expands the knowledge of Baldwin's role as a transnational African American intellectual casts new light on his later works and suggests ways of reassessing his earlier writing in relation to ideas of exile and migration

Multicultural America Carlos E. Cortés,2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this

has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

Multicultural Poetics Nissa Parmar,2017-12-21

Multicultural Poetics provides a new perspective on American poetry that will contribute to the evolution of contemporary critical practice Nissa Parmar combines formalist analysis with cultural studies theory to trace a lineage of hybrid poetry from the American Renaissance to what Marilyn Chin deemed America s multicultural renaissance the blossoming of multicultural literature in the 1980s and 1990s This re visionary literary history begins by analyzing Whitman and Dickinson as postcolonial poets This critical approach provides an alternative to the factionalism that has characterized twentieth century American poetic history and continues to inform literary criticism in the twenty first century Parmar uses a multiethnic multigender method that emphasizes the relationship between American poetic form and cultural development This book provides a new approach by using hybridity as the critical paradigm for a study that groups multiethnic and emergent authors It thereby combats literary ghettoization while revealing commonalities across American literatures and the cross fertilization that has informed their development
