Our God Comes And Will Not Be Silent:

St. Augustine on St. John: Tractates, Homilies and Sermons on St. John's Gospel and First Epistle St. Augustine of Hippo Fr. Seraphim, Editor, **NPNF1-08. St. Augustine: Exposition on the Book of Psalms , Expositions on the Book of Psalms: Psalms 37-52** Saint Augustine (of Hippo), 1848 **The Semantics of Silence in Biblical Hebrew** Sonja Noll, 2020-02-03 In *The Semantics of Silence in Biblical Hebrew* Sonja Noll explores the many words in biblical Hebrew that refer to being silent investigating how they are used in biblical texts Dead Sea Scrolls and Ben Sira She also examines the tradition of interpretation for these words in the early versions Septuagint Vulgate Targum Peshitta modern translations and standard dictionaries revealing that meanings are not always straightforward and that additional work is needed in biblical semantics and lexicography The traditional approach to comparative Semitics with its over simplistic assumption of semantic equivalence in cognates is also challenged The surprising conclusion of the work is that there is no single concept of silence in the biblical world rather it spans multiple semantic fields **Nicene and Post-Nicene Fathers First Series, St. Augustine** Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VII of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines commentaries on the writings of John and his first writings as a newly converted Christian In the Soliloquies Augustine reasons through his conversion trying to justify his new faith these are intensely personal journeys toward truth the product of a thoughtful soul seeking comfort and reassurance Spiritual seekers wavering in their faith may find both sections of this book helpful in exploring their beliefs [The Homilies On John](#) St. Augustine of Hippo, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life ST AUGUSTINE was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In

the Authorized King James Version 1769 The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print The Old Testament does not yet have the 1769 King James Version The only complete Interlinear Bible is now fully keyed to Strong s Concordance numbers The Strong s numbering above each Hebrew and Greek word along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better It s use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew Greek words in the Hebrew Greek lexicons There is no substitute for a first hand knowledge of the original text However since only a small minority of Bible students retain an easy reading comprehension of the original text the Interlinear Bible is a welcome aid to Bible students laymen and pastors who wish to continue working with the original languages

The Works of Saint Augustine Saint Augustine (of Hippo),1990 As the psalms are a microcosm of the Old Testament so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought In the Book of Psalms are to be found the history of the people of Israel the theology and spirituality of the Old Covenant and a treasury of human experience expressed in prayer and poetry So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine s personal life his theological reflections and his pastoral concerns as Bishop of Hippo Publisher s website
