Pawns In A Triangle Of Hate

Selfa A. Chew

Pawns In A Triangle Of Hate:

The Japanese in Latin America Daniel M. Masterson, 2024-03-18 Latin America is home to 1.5 million persons of Japanese descent. Combining detailed scholarship with rich personal histories, Daniel M. Masterson, with the assistance of Sayaka Funada Classen, presents the first comprehensive study of the patterns of Japanese migration on the continent as a whole. When the United States and Canada tightened their immigration restrictions in 1907, Japanese contract laborers began to arrive at mines and plantations in Latin America. The authors examine Japanese agricultural colonies in Latin America as well as the subsequent cultural networks that sprang up within and among them and the changes that occurred as the Japanese moved from wage labor to ownership of farms and small businesses. They also explore recent economic crises in Brazil, Argentina, and Peru, which combined with a strong Japanese economy, caused at least a quarter million Latin American Japanese to migrate back to Japan. Illuminating, authoritative research with extensive interviews with migrants and their families. *The Japanese in Latin America* tells the story of immigrants who maintained strong allegiances to their Japanese roots even while they struggled to build lives in their new countries.

Pawns in a Triangle of Hate Clinton Harvey Gardiner, 1981-01-01 A factual account of the Peruvian Japanese interned in America during World War II. *Encyclopedia of Asian American Issues Today* Edith Wen-Chu Chen, Grace J. Yoo, Wendy Ng, 2009-12-23 This is a revealing compilation of essays on the latest research and debates on Asian Americans, a growing and influential ethnic group today. *Encyclopedia of Asian American Issues Today* is the first major reference work focused on the full expanse of contemporary Asian American experiences in the United States. Drawing on over two decades of research, it takes an unprecedented look at the major issues confronting the Asian American community as a whole and the specific ethnic identities within that community, from established groups such as Chinese, Japanese, and Korean Americans to newer groups such as Cambodian and Hmong Americans. Across two volumes, *Encyclopedia of Asian American Issues Today* offers 110 entries on the current state of affairs, controversies, successes, and outlooks for the future for Asian Americans. The set is divided into 11 thematic sections, including diversity and demographics, education, health, identity, immigrants, refugees, and citizenship, law, media, politics, war, work, and economy, youth, family, and the aged. Contributors include leading experts in the fields of Asian American studies, education, public health, political science, law, economics, and psychology.

Uprooting Community Selfa A. Chew, 2015-10-22 Joining the U.S. war effort in 1942, Mexican President Manuel Ávila Camacho ordered the dislocation of Japanese Mexican communities and approved the creation of internment camps and zones of confinement. Under this relocation program, a new pro-American nationalism developed in Mexico that scripted Japanese Mexicans as an internal racial enemy. In spite of the broad resistance presented by the communities wherein they were valued members, Japanese Mexicans lost their freedom, property, and lives. In *Uprooting Community*, Selfa A. Chew examines the lived experience of Japanese Mexicans in the U.S.-Mexico borderlands during World War II. Studying the collaboration of Latin American nation-states with the U.S. government, Chew illuminates

the efforts to detain deport and confine Japanese residents and Japanese descent citizens of Latin American countries during World War II These narratives challenge the notion that Japanese Mexicans enjoyed the protection of the Mexican government during the war and refute the mistaken idea that Japanese immigrants and their descendants were not subjected to internment in Mexico during this period Through her research Chew provides evidence that despite the principles of racial democracy espoused by the Mexican elite Japanese Mexicans were in fact victims of racial prejudice bolstered by the political alliances between the United States and Mexico The treatment of the ethnic Japanese in Mexico was even harsher than what Japanese immigrants and their children in the United States endured during the war according to Chew She argues that the number of persons affected during World War II extended beyond the first generation Japanese immigrants handled by the Mexican government during this period noting instead that the entire multiethnic social fabric of the borderlands was reconfigured by the absence of Japanese Mexicans

The Making of Asian America Erika Lee, 2015-09 In the past fifty years Asian Americans have helped change the face of America and are now the fastest growing group in the United States But as historian Erika Lee reminds us Asian Americans also have deep roots in the country The Making of Asian America tells the little known history of Asian Americans and their role in American life from the arrival of the first Asians in the Americas to the present day An epic history of global journeys and new beginnings this book shows how generations of Asian immigrants and their American born descendants have made and remade Asian American life in the United States sailors who came on the first trans Pacific ships in the 1500s to the Japanese Americans incarcerated during World War II Over the past fifty years a new Asian America has emerged out of community activism and the arrival of new immigrants and refugees No longer a despised minority Asian Americans are now held up as America's model minorities in ways that reveal the complicated role that race still plays in the United States Published to commemorate the fiftieth anniversary of the passage of the United States Immigration and Nationality Act of 1965 that has remade our nation of immigrants this is a new and definitive history of Asian Americans But more than that it is a new way of understanding America itself its complicated histories of race and immigration and its place in the world today Jacket

Forever Prisoners Elliott Young, 2021 The first broad history of immigrant detention in the United States Forever Prisoners narrates the stories of immigrants locked up by the US government from the late nineteenth century to the present showing how criminality has become conflated with undocumented migrants

Asian Tragedies in the Americas Won K. Yoon, 2021-03-01 Asian Tragedies in the Americas Chinese Japanese and Korean Stories explores the stories of nineteenth century East Asian migrants throughout the Americas tracing the asymmetrical international conditions which shaped migrants experiences Won K Yoon examines such phenomena as Chinese paper fraudulent wives and daughters Korean picture marriages and Japanese war brides analyzing the impact of racism and colonialism on East Asian groups and family experiences in the West

History Ahead Dan K. Utley, 2010 In History Ahead Utley and Beeman introduce readers to the famous Charles Lindbergh Will Rogers The Big

Bopper and jazz great Charlie Christian and the not so famous Elmer Lumpy Kleb Don Pedro Jaramillo and Carl Morene the music man of Schulenburg who have left their marks on the history of Texas They visit cotton gins abandoned airfields forgotten cemeteries and former world War II alien detention camps to dig up the little known and unsuspected narratives that have slipped from the knowledge of the general public

Japanese American History Brian Niiya, Japanese American National Museum (Los Angeles, Calif.), 1993 Produced under the auspices of the Japanese American National Museum in Los Angeles this comprehensive reference culls information from primary sources Japanese language texts and documents oral histories and other previously neglected or obscured materials to document the history and nature of the Japanese American experience as told by the people who lived it The volume is divided into three major sections a chronology with some 800 entries a 400 entry encyclopedia covering people events groups and cultural terms and an annotated bibliography of major works on Japanese Americans Includes about 80 bandw illustrations and photographs Annotation copyright by Book News Inc Portland OR

The A to Z of World War II Anne Sharp Wells, 2009-09-28 World War II dominates world history today as it dominated world attention over 60 years ago In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic The A to Z of World War II The War Against Japan traces the brutal conflict from Japan s seizure of Chinese territory in 1931 through the onset of war with the Western Allies in 1941 to the use of atomic weapons by the United States in 1945 It also addresses the aftermath of the war including the formation of the United Nations and the American occupation of Japan As the first of two volumes covering World War II this volume concentrates on the war in Asia and the Pacific so the user benefits from the comprehensive explanations of the people places and events that shaped much of that region s 20th century history

Passionate Nation James L. Haley, 2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state s spectacular history From Jim Bowie s and Davy Crockett s myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston s heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin Publishers Weekly

Starred Review *Farming the Home Place* Valerie J. Matsumoto, 1993 Carefully researched tightly written well organized and intelligently interpreted An excellent text for classroom assignment Sucheng Chan Pacific Historical Review In 1919 against a backdrop of a long history of anti Asian nativism a handful of Japanese families established Cortez Colony in a bleak pocket of the San Joachin Valley Valerie Matsumoto chronicles conflicts within the community as well as obstacles from without as the colonists responded to the challenges of settlement the setbacks of the Great Depression the hardships of World War II internment and the opportunities of postwar reconstruction Tracing the evolution of gender and family roles of members of Cortez as well as their cultural religious and educational institutions she documents the persistence and flexibility of ethnic community and demonstrates its range of meaning from geographic location and web of social relations to state of mind

Historical Dictionary of Peru Peter F. Klarén, 2017-09-22 With 10 000 years of history Peru with its formidable Inca and pre Inca civilizations and its rich colonial and post colonial past formed the very foundations of multi ethnic South American history and society It is a country rich in natural and human resources but has been largely confined to a state of underdevelopment for much of its history However since 2000 Peru has shown significant signs of economic and political progress as its economy grew rapidly and it polity democratized The Historical Dictionary of Peru packages in a unique way the course of Peru s evolution and recent trajectory with substantial sections devoted to describing and analyzing the country s history politics and social order combined with shorter entries on the important people and events that have contributed to its current state of affairs It also includes a comprehensive profile of the country based on an array of data tables and statistics In short PERU will be an indispensable introduction and source for high school college and graduate students travelers and tourists and American government and business personnel with Peru as a destination The Historical Dictionary of Peru contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture

Manufacturing Hysteria Jay Feldman, 2011-08-23 A vital engaging and sometimes troubling story of modern America s struggle to live up to its ideals In this ambitious and wide ranging history Jay Feldman takes us from the run up to World War I and its anti German hysteria through the September 11 attacks and Arizona s current anti immigration movement What we see is a striking pattern of elected officials and private citizens alike using the American people s fears and prejudices to isolate minorities ethnic racial political religious or sexual silence dissent and stem the growth of civil rights and liberties Whether it s the post World War I persecution of radicals the Depression era deportations of Mexican immigrants and Mexican Americans the World War II internment of 112 000 ethnic Japanese along with thousands of German and Italian aliens the Cold War campaigns against Communists gays and civil rights activists or the Vietnam era COINTELPRO operations we see how economic military and political crises have been used to curtail the rights of supposedly subversive minorities Much of the story can be laid at the feet of J Edgar Hoover but Feldman goes deeper to show how these tendencies

have been part of a continuous vein that runs through American life Rather than treating this history as a series of discrete moments Feldman considers the entire programmatic sweep on a scale no one has yet approached In doing so he gives us a potent reminder of how even in America democracy and civil liberties are never guaranteed **Immigration, Ethnicity, and National Identity in Brazil, 1808 to the Present** Jeff Lesser, 2013-01-21 This book examines the immigration to Brazil of millions of Europeans Asians and Middle Easterners beginning in the nineteenth century **Uprooted** Albert Marrin, 2016-10-25 A Publishers Weekly Best Book of the Year A Booklist Editor s Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II from National Book Award finalist Albert Marrin Just seventy five years ago the American government did something that most would consider unthinkable today it rounded up over 100 000 of its own citizens based on nothing more than their ancestry and suspicious of their loyalty kept them in concentration camps for the better part of four years How could this have happened Uprooted takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation s most beloved presidents to make this decision Meanwhile it also illuminates the history of Japan and its own struggles with racism and xenophobia which led to the bombing of Pearl Harbor ultimately tying the two countries together Today America is still filled with racial tension and personal liberty in wartime is as relevant a topic as ever Moving and impactful National Book Award finalist Albert Marrin s sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past *Adios to Tears* Seiichi Higashide, 2011-07-01 Adios to Tears is the very personal story of Seiichi Higashide 1909-97 whose life in three countries was shaped by a bizarre and little known episode in the history of World War II Born in Hokkaido Higashide emigrated to Peru in 1931 By the late 1930s he was a shopkeeper and community leader in the provincial town of Ica but following the outbreak of World War II he along with other Latin American Japanese was seized by police and forcibly deported to the United States He was interned behind barbed wire at the Immigration and Naturalization Service facility in Crystal City Texas for more than two years After his release Higashide elected to stay in the U S and eventually became a citizen For years he was a leader in the effort to obtain redress from the American government for the violation of the human rights of the Peruvian Japanese internees Higashide s moving memoir was translated from Japanese into English and Spanish through the efforts of his eight children and was first published in 1993 This second edition includes a new Foreword by C Harvey Gardiner professor emeritus of history at Southern Illinois University and author of Pawns in a Triangle of Hate The Peruvian Japanese and the United States a new Epilogue by Julie Small cochair of Campaign for Justice Redress Now for Japanese Latin Americans and a new Preface by Elsa H Kudo eldest daughter of Seiichi Higashide Port of No Return Marilyn G. Miller, 2021-05-05 While most people are aware of the World War II internment of thousands of Japanese citizens and residents of the United States few know that Germans Austrians and Italians were also apprehended and held in internment camps under the terms of the Enemy Alien

Control Program Port of No Return tells the story of New Orleans's key role in this complex secret operation through the lens of Camp Algiers located just three miles from downtown New Orleans. Deemed to be one of two principal ports through which enemy aliens might enter the United States, New Orleans saw the arrival of thousands of Latin American detainees during the war years. Some were processed there by the Immigration and Naturalization Service before traveling on to other detention facilities while others spent years imprisoned at Camp Algiers. In 1943 a contingent of Jewish refugees, some of them already survivors of concentration camps in Europe, were transferred to Camp Algiers in the wake of tensions at other internment sites that housed both refugees and Nazis. The presence of this group earned Camp Algiers the nickname Camp of the Innocents. Despite the sinister overtones of the enemy alien classification, most of those detained were civilians who possessed no criminal record and had escaped difficult economic or political situations in their countries of origin by finding a refuge in Latin America. While the deportees had been assured that their stay in the United States would be short, such was rarely the case. Few of those deported to the U.S. during World War II were able to return to their countries of residence either because their businesses and properties had been confiscated or because their home governments rejected their requests for reentry. Some were even repatriated to their countries of origin, a possibility that horrified Jews and others who had suffered under the Nazis.

Port of No Return tells the varied, fascinating stories of these internees and their lives in Camp Algiers.

Detained without Cause I. Shiekh, 2011-02-28. Immigrants from Pakistan, Egypt, India, and Palestine who were racially profiled and detained following the September 11 attacks tell their personal stories in a collection which explores themes of transnationalism, racialization, and the global war on terror, and explains the human cost of suspending civil liberties after a wartime emergency.

Japanese Diasporas Nobuko Adachi, 2006-10-03. *Japanese Diasporas* examines the relationship of overseas Japanese and their descendants, Nikkei, with their home and host nations, focusing on the political, social, and economic struggles of Nikkei. Frequently abandoned by their homeland and experiencing alienation in their host nations, the diaspora have attempted to carve out lives between two worlds. Examining Nikkei communities and Japanese migration to Manchuria, China, Canada, the Philippines, Singapore, and Latin America, the book compares Nikkei experiences with those of Japanese transnational migrants living abroad. The authors connect theoretical issues of ethnic identity with the Japanese and Nikkei cases, analyzing the hidden dynamics of the social construction of race, ethnicity, and homeland, and suggesting some of the ways in which diasporas are transforming global society today. Presenting new perspectives on socio-political and cultural issues of transnational migrants and diaspora communities in an economically intertwined world, this book will be of great interest to scholars of diaspora studies and Japanese studies.

If you ally obsession such a referred **Pawns In A Triangle Of Hate** books that will provide you worth, get the utterly best seller from us currently from several preferred authors.
