Prescription For Today's Disciple:

Prescription for Today's Disciple Kenneth S. Roundhill, 1979-01-01 *365 Prescriptions for the Soul* Dr. Bernie S. Siegel, 2010-09-24 Dr Bernie Siegel writes with humorous down to earth wisdom that has improved the lives of countless readers In 365 Prescriptions for the Soul he treats us to his most user friendly work of all daily doses of inspiration and humor that gently and joyfully help us live more peaceful loving and fulfilling lives **Spiritual Discipleship** J. Oswald Sanders, 2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study 5 Answers for Christians Today Nathan Garnett, 2016-05-23 CHRISTIANS HAVE QUESTIONS about so many issues today that pastors and Bible teachers can t sufficiently address them all at precisely the time an answer is needed 5 Answers will give Christians a basic biblical perspective on some of these common issues and it will provide any serious Bible student with ample resources for further research Nathan is a faithful pastor and an excellent teacher As a man who is truly interested in following God he recognizes the importance of knowing and understanding what God has said In this book he tackles five difficult questions and skillfully guides us to biblically based answers John Turpin Author of the book Victorious Faith 5 Answers would be a useful tool for a pastor to give someone who has questions and wants to find answers through personal Bible study or in a small group setting When I was younger in the faith I sought resources like this to help me nail down precisely what I believed It is an easy yet informative read Jimmy Hazlett Worship Pastor at New Hope Baptist Church in Moreland KY Many Christians struggle and are in search of answers to tough questions in the Holy Scriptures Nathan Garnett has made your research easier by dealing with the most problematic areas of biblical truth Darrell H Hahn Hospice Chaplain Pastors and seminary students want our work even our academic writing to be beneficial to our own souls and also to our churches and families Unfortunately much of our academic work usually provides little direct benefit to those whom we care about the most To resolve this deficiency Nathan has re cast the produce of some of his best research into a more user friendly format Hes done this mainly with his family and church in his mind and on his heart I think hes done us all a great service in the process Chris Wilson Pastor of Payneville Baptist Church in Payneville KY The Disciple Maker's

Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle, being a disciple of Jesus, and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus, the original disciple maker and centerpiece of discipleship; Holy Spirit, who fuels the disciple making process; Intentionality, making disciples utilizing a strategy and a roadmap; Relationships, creating a loving, genuine connection with others who trust and follow Jesus; Bible, using the Word of God as the manual for making disciples; Journey, forging a traceable growth story from a new birth to spiritual parenthood; Multiply, reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

Good News for Today Mel Shoemaker, 2013-11-20 Christians throughout the world observe the forty-day season of Lent from Ash Wednesday to Easter as a time of spiritual reading, meditation, prayer, fasting, and renewal. Just as Moses received the Ten Commandments on Mount Sinai while fasting for forty days, and Jesus likewise fasted for forty days in the wilderness before beginning his public ministry, so also Christians continue this spiritual discipline today. Since Sunday is the Lord's Day, a day of rest, worship, joy, and feasting, the six Sundays during Lent are not counted in the forty days. The four gospels—Matthew, Mark, Luke, and John—are the primary sources for discovery and meditation on the life and teaching of Jesus. *Good News for Today* takes the reader on a spiritual pilgrimage through the gospels without the duplications in their accounts. If you read the gospel lesson suggested for each day, you will read the complete gospel story as it unfolds from the baptism of Jesus to his passion, death, and resurrection. You are invited to begin this spiritual ascent with Jesus Christ.

Apostles Today Benji G. McNair Scott, 2014-06-02 Are apostles amongst us today? According to a growing section of the church, the answer is yes. This book investigates and appraises that idea, seeking answers to the following questions in the context of the church in the USA and particularly Britain: Is there a robust scriptural justification for the charismatic apostolate? Can that most charismatic groups are proclaiming? How widespread is this belief, and why has it become more commonplace? What kind of apostles are being advocated by influential popular teachers? What does church history and tradition have to offer to this idea? Is there a way to endorse and embrace ecumenically the CA? Does the CA have a future in the universal church? These are important questions to answer for the sake of the church's mission and health.

Mundakopanishad Commentary by Swami Chinmayananda, Mundakopanisad s style is poetic and penetrating giving the seeker metaphors that makes the Upanisadika message clear and concise This Upanisad contains most famous off quoted analogies in a language which is picturesque and pithy The Last Disciple David Pafford,2011-11-17 In an era of religious mass production so many church models invest their energies toward gathering a crowd singing songs and preaching good sermons Much of the focus is on the shop window While this is important it is not enough Doing church is not enough Churches that grow disciples don t simply attract a crowd they provide a strategic theological basis for what they do and that requires serious thinking about the methodology of church life The Last Disciple is a book for those interested not simply in doing church but in asking hard questions about why we do what we do Answers to these hard questions are the very basis of the foundation of the local church s existence Rather than simply attracting a crowd have you evaluated why your church does church Have you ever felt that your church tradition has lost the meaning behind its existence What would it look like if you recaptured your church s meaning Is it possible to do this while bridging the relevancy gap of common culture There will be different answers for different contexts but this book will give you tools for thinking it through by asking the right questions India Beyond Today & Tomorrow Samyak,1993
