Shirley Anne Warshaw

President Bush The Challenge Ahead:

The Bush Administration (1989-1993) and the Development of a European Security Identity Sophie Vanhoonacker, 2017-11-22 This title was first published in 2001 This compelling study draws insightful conclusions about US foreign policy towards Europe at a critical juncture in the post Cold War period An absorbing and illuminating account this material will be useful to non specialists and student readers of US foreign policy European integration and international relations alike

George Bush United States. President (1989-1993 : Bush), 1990 Powersharing Shirley Anne Warshaw, 1996-04-25 The complex relationship between the White House staff and the presidential cabinet has changed dramatically in the last 25 years During that time the White House has emerged as the center of power in the domestic policy process leaving the departments with a diminishing role in initiating major policy proposals This book focuses on powersharing between the White House and the cabinet in the policy process and examines how and why the White House has become the dominant player relegating the departments to implementation rather than design of key initiatives Powersharing begins with an overview of the role of the modern cabinet and a discussion of the cabinet s emergence in a policy role and then in a chapter by chapter analysis of presidential administrations from Nixon through Clinton chronicles the shifting balance of power from the departments to the White House in both the design and management of the nation s major domestic programs The book concludes with an assessment of the prospects for effective powersharing between the cabinet and the White House staff

President Bush, 1989 *Public Papers of the Presidents of the United States: George Bush, 1989* Bush, George, 1990-01-01 *Public Papers of the Presidents of the United States* **Public Papers of the Presidents of the United States, George Bush** United States. President (1989-1993 : Bush), George Bush, 1990 **The Man I Knew** Jean Becker, 2021-06-01 A heartfelt portrait of President George H W Bush and his post presidential life by the confidante who knew him best *Transformed by Crisis* J. Kraus, K. McMahon, D. Rankin, 2016-04-30 The presidency of George W Bush has been a curious one born in contention challenged by the most dramatic foreign directed attack on American soil and transformed by a combination of crisis and conflict that has generated considerable support domestically And yet while much attention has been focused on the Bush administration s external policies how it has pursued its goals and had its effects on the domestic scene has been as important Examining the push and pull of the Bush presidency by looking especially at domestic dynamics the authors look at the tendency towards centralizing power and its implications for American politics From the midterm elections of 2002 where the Republicans scored historic victories to relations with the press and from executive branch relations with Congress to increased federal involvement in education the authors examine and shed light on crucial issues This book examines how words and deeds in a time of crisis will define the Bush presidency place in American politics and history

Profiles in Power Kenneth E. Hendrickson, Jr., Michael L. Collins, Patrick L. Cox, 2010-01-01 Profiles in Power offers concise biographies of fourteen twentieth century Texans who wielded significant
