Sensibility and the social bonds of *Pride and Prejudice* Later moving with her family to Chicago Cohen grapples with her growing children teaching and her father's legacy all refracted through the denser more complex *Mansfield Park* and *Emma* With unusual depth and fresh insight into Austen's life and literature and guided by Austen's mournful and hopeful final novel *Persuasion* Rachel Cohen's *Austen Years* is a rare memoir of mourning and transcendence a love letter to a literary master and a powerful consideration of the odd process that merges our interior experiences with the world at large
