Radical Tories The Conservative Tradition In Canada:

Radical Tories Charles Taylor,1982 **Canadian Idealism and the Philosophy of Freedom** Robert

Meynell,2011-05-18 Twentieth century Canada fostered a range of great minds but the country s diversity and wide range of academic fields have led to their ideas being portrayed as the work of isolated thinkers Canadian Idealism and the Philosophy of Freedom contests this assumption by linking the works of C B Macpherson George Grant and Charles Taylor to demonstrate the presence of a Canadian intellectual tradition **Canadian Conservative Political Thought** Lee

Trepanier,Richard Avramenko,2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative account of Canadian political thought Across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought s recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory **John A** Richard J. Gwyn,2009-03-18 The first full scale biography of Canada s first prime minister in half a century by one of our best known and most highly regarded political writers The first volume of Richard Gwyn s definitive biography of John A Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada s most important prime minister This volume describes how Macdonald developed Canada s first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn s commentary on Macdonald s pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation

happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti-American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald John A.: 1815-1867 Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang

pub desc v 2 Unguarded Border Donald W. Maxwell, 2023-05-12 Unguarded Border tells the stories of the 50 000 Americans who fled across the border to Canada in the 1960s and 1970s a migrant experience that does not fit the usual paradigms Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities permanently changing perceptions of military service nation and citizenship **The Myth of the North American City** Michael Goldberg, John Mercer, 2011-11-01 The continuing tendency to continentalize Canadian issues has been particularly marked in the area of urban studies where United States based research findings methodologies and attitudes have held sway In this book Goldberg and Mercer demonstrate that the label North American City as widely used is inappropriate and misleading in discussion of the distinctive Canadian urban environment Examining such elements of the cultural context as mass values social and demographic structures the economy and political institutions they reveal salient differences between Canada and the United States One of the most important of the many contextual differences is the strong collective sense in Canada which accepts more public intervention in social and economic matters in contrast to the American commitment to individualism Canadians consequently expect a livable central city which is compact and well served by public transit and which has a fiscally sound local government To demonstrate these issues the discussion includes a detailed cross national empirical analysis of over 300 North American metropolitan areas along some three dozen dimensions including density transportation household change and structure income and fiscal disparities and economic structure Since much urban

planning in Canada is based upon the continentalist assumption this volume should generate a reassessment of policy and encourage the development of a research base to suit the distinctiveness of the Canadian experience With growing pressures to take a North American view of Canadian policies it is vitally important that the differences delineated in this book are understood not just for their urban policy implications but for broader purposes as well Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 1992 This international Encyclopaedia provides a balanced comprehensive account of contemporary trends in world regional and nation state government and politics In 84 in depth essays in two scholarly volumes it captures the global changes both theoretical and factual of the past three decades to give an unprecedented overview of political science and political affairs on the eve of the new century An essential resource the Encyclopaedia of Government and Politics provides accessible authoritative coverage of the disciplines examining for example political theory processes and behaviour policy making pressure groups contemporary ideologies international relations and major issues in world affairs such as nationalism arms control and disarmament human rights and democratisation Written by experts in each field the entries analyse traditional approaches including access to non Western sources assess recent developments and chart the directions for future research each topic includes extensive bibliographies and suggestions for further reading The volumes are introduced and placed in context in an essay by Mary Hawkesworth which advances the conceptual treatment of political science to a new level The articles which follow are thematically arranged under nine main headings Political Theory Central Concepts Contemporary Ideologies Contemporary Political Systems Political Institutions Political Forces and Political Processes Centripetal and Centrifugal Forces in the Nation State Policy Making and Policies International Relations and Major Issues in Contemporary Politics Key Features 84 in depth essays provide a current balanced guide to international government and politics Prestigious editors lead a worldwide team of specialists in each field Clearly and incisively written to meet the needs of students lecturers and practitioners at all levels Helpful bibliographies of new and classic material and suggestions for further reading Extensive index of Topics and People

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers Continental Divide

Seymour Martin Lipset, 2013-10-11 Seymour Martin Lipset's highly acclaimed work explores the distinctive character of American and Canadian values and institutions. Lipset draws material from a number of sources: historical accounts, critical interpretations of art, aggregate statistics and survey data as well as studies of law, religion and government. Drawing a vivid portrait of the two countries, *Continental Divide* represents some of the best comparative social and political research available.

Prejudice and Pride Damien-Claude Bélanger, 2011-01-01 As a country with enormous economic, military and cultural power, the United States can seem an overwhelming neighbour, one that demands consideration by politicians, thinkers and cultural figures. *Prejudice and Pride* examines and compares how English and French Canadian intellectuals viewed American society from 1891 to 1945. Based on over five hundred texts drawn largely from the era's periodical literature, the study reveals that English and French Canadian intellectuals shared common preoccupations with the United States, though the English tended to emphasize political issues and the French cultural issues. Damien-Claude Bélanger's in-depth analysis of anti-American sentiment during this era divides Canadian thinkers less along language lines and more according to their political stance as right wing, left wing or centrist. Significantly, the era's discourse regarding American life and the Canadian-American relationship was less an expression of nationalism or a reaction to US policy than it was about the expression of wider attitudes concerning modernity.

Lament for a Nation George Grant, 2005-11-11 Canadians have relatively few binding national myths, but one of the most pervasive and enduring is the conviction that the country is doomed. In 1965, George Grant passionately defended Canadian identity by asking fundamental questions about the meaning and future of Canada's political existence. In *Lament for a Nation*, he argued that Canada, immense and underpopulated, defined in part by the border, history and culture it shares with the United States and torn by conflicting loyalties to Britain, Quebec and America, had ceased to exist as a sovereign state. *Lament for a Nation* became the seminal work in Canadian political thought, and Grant became known as the father of Canadian nationalism. This edition includes a major introduction by Andrew Potter that explores Grant's arguments in the context of changes in ethnic diversity, free trade, globalization, post-modernism and 9/11. Potter discusses the shifting uses of the terms liberal and conservative and closes with a look at the current state of Canadian nationalism.

Lament for a Nation George Parkin Grant, Andrew Potter, 2005 In his 1970 introduction to *Lament for a Nation*, Professor George Grant modestly expressed doubt whether his study had an enduring importance beyond the particular circumstances occasioning its appearance.

Most Dangerous Branch Robert Martin, 2005-03 One of those rare books with the potential to revive a dying society. *National Post*.

[Quest Biography 35-Book Bundle](#) Judith Fitzgerald, Michelle Labrèche-Larouche, Kate Braid, T.F. Rigelhof, Raymond Plante, Arthur Slade, John Wilson, Kathryn Bridge, Roderick Stewart, Sharon Stewart, Margaret Macpherson, Iain Goodall, Marguerite Paulin, Francine Legaré, Gary Evans, Deborah Cowley, Tom Shardlow, Heather Kirk, Anne Cimon, André Vanasse, Wayne Larsen, Tom Henighan, Nicholas Maes, Julie H. Ferguson, Valerie Knowles, D.T. Lahey, Edward Butts, Peggy Dymond Leavey, Rosemary Sadlier, Ray

Argyle, Nathan Tidridge, Ged Martin, 2013-12-24 This special bundle contains the first thirty five books in the Quest Biography series which profiles the lives of Canadians who have had a profound effect on their country and the world Some of these figures are truly famous while others were quietly influential Among the wide variety of people we meet are prime ministers Mackenzie King Macdonald Laurier and more artists Emily Carr Tom Thomson explorers David Thompson Samuel de Champlain politicians Ren L vesque Joey Smallwood writers Robertson Davies Gabrielle Roy entertainers Emma Albani Mary Pickford activists Nellie McClung Louis Riel Harriet Tubman and many many more Let this series be your primer on the greatest figures in Canadian history Includes Emma Albani Emily Carr George Grant Jacques Plante John Diefenbaker John Franklin Phyllis Munday Wilfrid Laurier William Lyon Mackenzie King Ren L vesque Samuel de Champlain John Grierson Lucille Teasdale Maurice Duplessis David Thompson Mazo de la Roche Susanna Moodie Gabrielle Roy Louis Riel James Wilson Morrice Vilhjalmur Stefansson Robertson Davies James Douglas William C Van Horne George Simpson Tom Thomson Simon Girty Mary Pickford Harriet Tubman Laura Secord Joey Smallwood Prince Edward Duke of Kent John A Macdonald Marshall McLuhan Quest Biographies Bundle — Books 1-10 Vladimir Konieczny, Darcy Dunton, Michelle Labrèche-Larouche, T.F. Radical Tories The Conservative Tradition In Canada Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Radical Tories The Conservative Tradition In Canada PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Radical Tories The Conservative Tradition In Canada PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Radical Tories The Conservative Tradition In Canada free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Radical Tories The Conservative Tradition In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Tories The Conservative Tradition In Canada is one of the best book in our library for free trial. We provide copy of Radical Tories The Conservative Tradition In Canada in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Tories The Conservative Tradition In Canada. Where to download Radical Tories The Conservative Tradition In Canada online for free? Are you looking for Radical Tories The Conservative Tradition In Canada PDF? This is definitely going to save you time and cash in something you should think about.
