James Leo Garrett

Radical Liberation Theology An Evangelical Response:

Radical Liberation Theology Raymond C. Hundley, 1987 Evangelicals and Liberation Revisited João B.

Chaves, 2013-03-18 Despite the fact that the theological gains of Latin American Liberation Theology LALT have been incorporated into several theologies around the world many North Atlantic evangelicals still consider LALT a heresy The underlying reason for the lack of positive engagement between North Atlantic Evangelical Theology in general and American Evangelical Theology in particular and LALT is the mistaken perception that LALT and evangelical theology are necessarily contradictory In Evangelicals and Liberation Revisited Joao Chaves analyzes instances of the evangelical liberationist interaction and examines the generally suspicious responses given to LALT by North Atlantic Evangelicals Evangelicals who think of LALT as a heresy have failed to look not only into the diversity that exists among liberationists but also into the different theological expressions within their own movement Joao Chaves argues convincingly that if evangelicals think about both liberation theology and their own theological commitments critically then they will be able to recognize that LALT can be an indispensable ally in their commitment to following God Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced

judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Women in Pentecostal and Charismatic Ministry, 2016-11-01 Women in Pentecostal and Charismatic Ministry Informing a Dialogue on Gender Church and Ministry co edited by Margaret English de Alminana and Lois E Olena concerns women and Pentecostalism It introduces the way the Pentecostal charismatic movement has been shaped by and has shaped women from its beginning and offers a wide variety of responses to the opportunities and limitations women have experienced in their commitment to religious service Scholars activists leaders and exemplars from a variety of disciplines reflect on the question How have women responded to a religious context that has depended upon their gifts while at the same time limited their voices and perspectives This volume offers missing and or silent voices an important corrective and a way forward to shape gender focused discussions Contributors are Estrela Yvonne Alexander Peter Althouse Linda M Ambrose Melissa L Archer Amy C Artman Denise A Austin Kate Bowler Barbara Cavaness Parks Loralie Robinson Crabtree Naomi Dowdy Margaret English de Alminana Beth A Elizabeth Grant Jacqueline Grey Mimi R Haddad Jennifer A Miskov Stephanie L Nance Lois E Olena Ava Kate Oleson Joy E A Qualls and Zachary Michael Tackett

Learning about Theology from the Third World William A. Dyrness, 1990 Designed to introduce Western Christians to discussions about theology going on in the Third World this book gives major overviews of the theology of Africa Latin America and Asia

A Student's Guide to A2 Religious Studies for the Edexcel Specification Peter Freeman, 2003

Safari Based Theology Dr. Enos Lwamba, 2012-12-21 In Safari based Theology Dr Enos Lwamba has developed an approach to theology and mission based on his proposed safari motif for the development of theology and mission Based on

his Ph D dissertation *The Safari Motif in the Development of Theology in Africa* Dr Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people The author develops his proposed motif around a tri dimensional conception of reality and time and explores a threefold aspect of the safari mwanzo sasa and mwisho which provide keys to the African mindset He explores the various meanings and uses of the safari idea from both a biblical and theological perspective In addition to the literal safaris journey is an analogy of the church and believers are on a divine safari individually and collectively The safari model highlights the absolute necessity of the biblical message and the contextual situation to help Christians live effective and fruitful lives in society now and in future Inspired by both John Mbitis *The African Concept of Time* and Paul Hieberts *The Flaw of the Excluded Middle* the author utilizes biblical theological historical and contextual sources to make his point In the philosophical aspect of the safari the author develops his notion of an African conception of time modeled on the cultural safari idea which he relates to development of theology and mission He refutes the western influenced or commercially based notion that safari refers to a game hunting or tourist expedition to Africa Dr Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustines *City of God* John Bunyans *The Pilgrims Progress* and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes *Safari Based Theology* a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines

Transformation After Lausanne Al Tizon, 2008 Lausanne 74 inspired evangelicals around the world to take seriously the full implications of the Gospel for mission This was especially true of a worldwide network of radical evangelical mission theologians and practitioners whose post Lausanne reflections found harbour in the notion of Mission as Transformation This missiology integrated evangelism and social concern like no other and it lifted up theological voices coming from the Two Thirds World to places of prominence This book documents the definitive gatherings theological tensions and social forces within and without evangelicalism that led up to Mission as Transformation And it does so through a global local grid that points the way toward greater holistic mission in the 21st century

BOOK JACKET God Under Fire Zondervan, 2009-12-15 God Never Changes Or does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity *God Under Fire* refutes the claim that major attributes of the God of

historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists God Under Fire begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emot and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire

Earthen Vessels Joel A. Carpenter, Wilbert R. Shenk, 2012-12-01 Contrary to popular impressions the days of the missionary are far from over North American churches send more missionaries than ever before and 90 percent of them are evangelicals who are not affiliated with the mainline Protestant mission boards The first major historical treatment of the distinctly evangelical wing of twentieth century American missions Earthen Vessels truly breaks new ground Covering territory that missions histories have scarcely explored yet the distinguished historians contributing to this volume portray the North American including Canadian evangelical missionary enterprise from the Student Volunteer Movement to the very recent past The book traces the influences of premillennial eschatology the fundamentalist modernist controversies the rise of independent missions and conservative denominational boards the role of World War II and America's rise to world power the recent development of a distinctly evangelical theology of missions and the growing influence of the Two Thirds World's evangelical leaders While this volume certainly does not contain the last word on these subjects in a number of areas it does offer very nearly the first look With its fresh subject matter and new historical interpretations Earthen Vessels will interest church history scholars and students missionaries and ministers and any others who wish to know more about American missions

A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and

Christian theology dead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible Radical Emergent Theology: An Evangelical Response Raymond Hundley Ph.D.,2019-12-11 What is Radical Emergent Theology Who leads it What does it teach What are its goals Why is it so revered by some and so reviled by others How do evangelical theologians evaluate it Cambridge scholar Dr Raymond C Hundley after three years of painstaking research has published a work that clearly and truthfully answers those questions Hundley has brought to bear his fifty years of experience studying and teaching theology and world religions to the meticulous study of Radical Emergent Theology founder and spokesman Brian D McLaren s prolific writings The result is a readable work that will inform laypeople students seminarians pastors church leaders and theologians about McLaren s radical views on inspiration conversion evangelism missions heaven and hell homosexuality atonement miracles evolution eschatology his famous pick and choose exegesis and much more This book is destined to become the classic revelation of the methods beliefs and goals of Radical Emergent Theology It will make the choice between this theological revolution and evangelical biblical doctrine crystal clear so that informed readers can make their own decision **The Hermeneutical Spirit** Amos Yong,2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Introduction to Biblical Interpretation William W. Klein,Craig L. Blomberg,Robert L. Hubbard, Jr.,2017-03-28 Introduction to Biblical Interpretation now in its third edition is a classic hermeneutics textbook that sets forth concise logical and practical guidelines for discovering the truth in God s Word With updates and revisions throughout that keep pace with current scholarship this book offers students the best and most up to date information needed to interpret Scripture Introduction to Biblical Interpretation Defines and describes hermeneutics the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary cultural social and historical

issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible

The Body of Christ Reinder Bruinsma, 2009 With a clear straightforward definition such as this the subject of the church isn't one that most people would consider a doctrine For this reason there aren't many books that deal with this crucial fundamental belief This very readable and informative treatment of such a vital topic fills an important gap in Adventist literature Reinder Bruinsma's far ranging look at the doctrine of the church moves from Old and New Testament foundations for this doctrine up through church government and on to controversial issues such as ordination and church discipline Fittingly he concludes with the mission and future of the church His fourfold approach biblical and theological historical practical and with an Adventist perspective ensures that every facet of the doctrine is explored in detail This thought provoking discussion challenges those who call themselves God's people to examine their current understanding of the church and to prayerfully consider their roles as part of the body of Christ Book jacket

The Emergence of Liberation Theology Christian Smith, 1991-08-27 Liberation theology is a school of Roman Catholic thought which teaches that a primary duty of the church must be to promote social and economic justice In this book Christian Smith explains how and why the liberation theology movement emerged and succeeded when and where it did

Latino Christianity Luis Enrique Benavides, 2005 A historical and theological account of the development of the Latino Ministries in the New England Conference

Systematic Theology James Leo Garrett, 1990 Volume 2 of Garrett's widely praised Systematic Theology interprets five major Christian doctrines the work of Jesus Christ the person and work of the Holy Spirit becoming a Christian and living the Christian life the church and the last things

Latin American Evangelical Theology in the 1970's Daniel Salinas, 2009 The story of Latin American evangelicals doing theology is mostly unknown In the 1970s there was an important development with the formation of the Latin American Theological Fraternity FTL This group spearheaded the theological production in Latin America marking the beginning of a critical stage in the history of evangelicals in the region This book deals with the reception history in North America of the FTL and its program Interamerican theological dialogue is documented and analysed
