Radical Media The Political Experience Of Alternative Communication:

Radical Media John Downing, 1984 *Contesting Media Power* Nick Couldry, James Curran, 2003 Contesting Media Power is the most ambitious international collection to date on the worldwide growth of alternative media that are challenging the power concentration in large media corporations Media scholars and political scientists develop a broad comparative framework for analyzing alternative media in Australia Chile China Indonesia Malaysia Russia Sweden South Africa the United Kingdom and the United States Topics include independent media centers gay online networks and alternative web discussion forums feminist film political journalism and social networks indigenous communication and church sponsored media This important book will help shape debates on the media's role in current global struggles such as the anti globalization movement (R)evolutionizing Political Communication through Social Media Deželan, Tomaž, Vobič, Igor, 2016-02-09 Online platforms have widened the availability for citizen engagement and opportunities for politicians to interact with their constituents The increasing use of these technologies has transformed methods of governmental communication in online and offline environments R evolutionizing Political Communication through Social Media offers crucial perspectives on the utilization of online social networks in political discourse and how these alterations have affected previous modes of correspondence Highlighting key issues through theoretical foundations and pertinent case studies this book is a pivotal reference source for researchers professionals upper level students and consultants interested in the influence of emerging technologies in the political arena *The SAGE Handbook of Digital Journalism* Tamara Witschge, C. W. Anderson, David Domingo, Alfred Hermida, 2016-05-18 The production and consumption of news in the digital era is blurring the boundaries between professionals citizens and activists Actors producing information are multiplying but still media companies hold central position Journalism research faces important challenges to capture examine and understand the current news environment The SAGE Handbook of Digital Journalism starts from the pressing need for a thorough and bold debate to redefine the assumptions of research in the changing field of journalism The 38 chapters written by a team of global experts are organised into four key areas Section A Changing Contexts Section B News Practices in the Digital Era Section C Conceptualizations of Journalism Section D Research Strategies By addressing both institutional and non institutional news production and providing ample attention to the question who is a journalist and the changing practices of news audiences in the digital era this Handbook shapes the field and defines the roadmap for the research challenges that scholars will face in the coming decades **Media Practices and Protest Politics** Alice Mattoni, 2016-05-13 How do precarious workers employed in call centres universities the fashion industry and many other labour markets organise struggle and communicate to become recognised influential political subjects Media Practices and Protest Politics How Precarious Workers Mobilise reveals the process by which individuals at the margins of the labour market and excluded from the welfare state communicate and struggle outside the realm of institutional politics to gain recognition in the political

sphere In this important and thought provoking work Alice Mattoni suggests an all encompassing approach to understanding grassroots political communication in contemporary societies Using original examples from precarious workers mobilizations in Italy she explores a range of activist media practices and compares different categories of media technologies organizations and outlets from the printed press to web application and from mainstream to alternative media Explaining how activists perceive and understand the media environment in which they are embedded the book discusses how they must interact with a diverse range of media professionals and technologies and considers how mainstream radical left wing and alternative media represent protests Media Practices and Protest Politics offers important insights for understanding mechanisms and patterns of visibility in struggles for recognition and redistribution in post democratic societies and provides a valuable contribution to the field of political communication and social movement studies

Community Radio Policies in South Asia Preeti Raghunath,2020-08-07 The book draws on critical media policy studies to study the principles and performances of policies and policymaking for community radio in four countries of South Asia Sri Lanka Nepal India and Bangladesh It focuses on the processes and practices of deliberation that go into policymaking across space and time and the global local spectrum It stitches together a critical media policy ethnography drawing on over a 100 formal interviews and informal conversations with policy actors from South Asia in a bid to present a deliberative policy analysis of policymaking for community radio in the region Drawing on Grounded Theory the book fleshes out the Deliberative Policy Ecology Approach as an inclusive heuristic to study media policies

Media Revolution in Europe Karol Jakubowicz,2011-01-01 The rags to riches story of Karol Jakubowicz s involvement in the work of the Council of Europe took him from the role of an awestruck newcomer from Poland in 1990 to that of the Chairman of the Steering Committee on the Media and New Communication Services 2005 06 Along the way he was elected delegated by the Steering Committee and invited by the Council of Europe Secretariat to serve in a number of other capacities In all of them he contributed a wide variety of papers reports and studies to assist the steering committee and other bodies in collecting information and formulating ideas in the general field of freedom of expression creation of free and democratic media systems including the issue of public service media regulation of transfrontier television the adjustment of Council of Europe human rights standards to the conditions of the information society and the development of broadcasting legislation in Council of Europe member states The present collection of these papers and reports is published in the conviction that they retain their value and relevance It provides the additional benefit of offering a glimpse of the work preceding the formulation of Committee of Ministers recommendations and declarations as well as resolutions of the Council of Europe Parliamentary Assembly

Journalism Beyond Orwell Richard Keeble, 2020-01-31 Journalism Beyond Orwell adapts and updates pioneering work by Richard Lance Keeble to explore George Orwell's legacy as a journalist in original critical and often controversial ways Though best known as the author of Animal Farm and Nineteen Eighty Four Orwell was throughout his career a journalist The essays in this collection explore Orwell's important legacy as a practising activist journalist critical of the dominant media as a polemicist essayist and novelist constantly concerned with issues relating to war and peace as a literary journalist determined to make political writing an art and as a writer who warned of the growing powers of the secret state Through this highly individualistic essay collection that connects Orwellian themes to modern journalism Richard Lance Keeble explores key topics including Orwell the proto blogger How Orwell put his political economy critique of the corporate press into practice Information warfare in an age of hyper militarism The manufacture of the myth of heroic warfare in the reporting of the Afghan conflict The debates over the theory and practice of peace journalism The ethical challenges for journalists reporting on conflict The crucial role of the alternative media The pleasures and pitfalls of the celebrity profile This collection will be of particular interest to students and researchers in journalism studies English literature media intelligence studies and international relations

Taking the Square Maria Rovisco,, Jonathan Corpus Ong, 2016-06-10 From the Arab uprisings to the indignados movement and the global Occupy sit ins recent protests and civil unrest have sparked

new debates about political organisation media representation and the nature of contemporary citizenship But is there anything new about these occupations of public space How are these protests legitimised or undermined by the intense mediation of streets and squares And how are these different from expressions of dissent in other contexts including those of ethnic minorities in the New Orleans mardi gras and survivors of natural disaster in the Philippines This book challenges the notion of a disappearance of public space by reconsidering the significance of physical space and embodiment in the conduct and consequences of protest events Looking at a range of assemblies sustained and fleeting spectacular and ordinary this volume illuminates how square and street politics and their mediation become vehicles for new ideas of community citizenship and public life

Alternative Media Meets Mainstream Politics Joshua D. Atkinson, Linda Kenix, 2019-05-20
Alternative Media Meets Mainstream Politics Activist Nation Rising demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful

Journey into Social Activism Joshua D. Atkinson, 2017-02-01
Academic study of social activism and social movements has become increasingly prevalent over the years this is due in large part to the fact that activists have captured public imagination and gained substantial influence in political discourse For instance Occupy Wall Street activists Tea Party activists and activists affiliated with the Arab Spring have transformed political debates and have become the focus of mainstream news media coverage about a variety of different political topics Journey into Social Activism explicates the philosophical foundations of the study of activism and illustrates four different research sites in which activism can be observed and studied organizations networks events and alternative media The book will introduce students and scholars to important qualitative approaches to the study of social activism within these four research sites which is based entirely on successful research projects that have been conducted and published in recent years Ultimately this book will prove integral to any students and scholars who wish to use qualitative methods for their research endeavors concerning social activism in contemporary society

The Politics of Iranian Cinema Saeed Zeydabadi-Nejad, 2009-12-04
Iran has undergone considerable social upheaval since the revolution and this has been reflected in its cinema Drawing on first hand interviews and detailed ethnographic research this book explores how cinema is engaged in the dynamics of social change in contemporary Iran The author not only discusses the practices of regulation and reception of films from major award winning directors but also important mainstream filmmakers such as Hatamikia and Tabizi Contributing to ethnographic accounts of

Iranian governance in the field of culture the book reveals the complex behind the scenes negotiations between filmmakers and the authorities which constitute a major part of the workings of film censorship The author traces the relationship of Iranian cinema to recent social political movements in Iran namely reformism and women s movement and shows how international acclaim has been instrumental in filmmakers engagement with matters of political importance in Iran This book will be a valuable tool for courses on film and media studies and will provide a significant insight into Iranian cultural politics for students of cultural studies and anthropology Middle Eastern and Iranian studies

The Lebanon Uprising of 2019

Jeffrey G. Karam,Rima Majed,2022-09-22 In October 2019 hundreds of thousands took to the streets of Lebanon to protest austerity measures in what became known as the thawra These were the largest mass protests seen in the country s modern history The Lebanon Uprising of 2019 puts the revolution in its historical and regional context and also follows the huge transformations that have been unraveling in Lebanon ever since The book is a unique source of testimonies that brings to the fore the voices of those scholars activists researchers and journalists who took part in the protests or were closely involved in the unfolding events These accounts include stories about specific events and struggles views of the uprising from various regions of the country and reflections on topics such as the labor struggle disability the student movement foreign interventions the struggle for preserving environmental spaces the role of refugees and non Lebanese within the movement and women and queer participation The book situates the protests within the historical political economic social and environmental foundations of the Lebanese polity as well as in the broader context of a second wave of Arab uprisings and a global wave of upheavals in 2019 making this book a testament to the rich history of protests and activism in the country It features some primary documents including photos and other materials that were disseminated in the streets and over social media platforms making this book an important resource of first hand knowledge

Beyond Mainstream Media Stephen Cushion,2023-09-26 Offering one of the most comprehensive assessments of alternative media to date *Beyond Mainstream Media* examines the rise of alternative media over the last decade analysing their changing content and editorial strategies and exploring why many people go beyond the mainstream media for news and information Considering the differences in agenda between alternative and mainstream media coverage Cushion sheds light on why right wing alternative media have become a more prominent part of national media systems than left wing sites in the Western World In doing so he argues that alternative left wing media should place less emphasis on attacking professional journalism and focus more on converging into the world of mainstream news to promote their politics This book draws on over 3 500 articles and 17 000 social media posts produced by alternative media extensive interviews with editors and contributors and a survey of over 2 700 media users It develops a comparative international perspective by explaining how findings and concepts can be applied to understanding much broader issues such as public distrust in the mainstream media or the influence different media and political systems have on the production of alternative media Providing both an introduction to and a critical analysis of the

state of alternative media today this book is written in clear jargon free language and is recommended reading for advanced students undertaking courses in Alternative Media and Political Journalism **Challenge for Change** Thomas
