Radical Rag:

Celebrating The Rag: Austin's Iconic Underground Newspaper Alice Embree, Thorne Dreyer, Richard Croxdale, 2016 Celebrating The Rag tells the remarkable story of the legendary underground newspaper that sparked a political and cultural revolution and helped make Austin weird The book features more than 100 articles from The Rag's 11 year history plus contemporary essays and eye popping vintage art and photography This collection captures the radical politics and subversive humor that marked the pages of this upstart newspaper between 1966 and 1977 Cheche: Reminiscences of a Radical Magazine Karim F. Hirji, 2010 Cheche a radical socialist student magazine at the University of Dar es Salaam first came out in 1969 Featuring incisive analyses of key societal issues by prominent progressives it gained national and international recognition in a short while Because it was independent of authority and spoke without fear or favor it was banned after just a year of existence The former editors and associates of Cheche revive that salutary episode of student activism in this book with fast flowing humor spiced stories and astute socio economic analyses Issues covered include social and technical aspects of low budget magazine production travails of student life and activism contents and philosophy of higher education socialism in Tanzania African liberation gender politics and global affairs They also reflect on the relevance of past student activism To The modern era If your interests cover higher education in Africa political and development studies journalism African affairs socialism and capitalism or if you just seek elucidation of student activism in a nation then at the center of the African struggle for liberation this book presents the topic in a lively but unorthodox and ethically engaging manner **The Transnational Beat Generation** N. Grace, 2012-03-15 This collection maps the Beat Generation movement exploring American Beat writers alongside parallel movements in other countries that shared a critique of global capitalism Ranging from the immediate post World War II period and continuing into the 1990s the essays illustrate Beat participation in the global circulation of a poetics of dissent **Cassell's Dictionary of Slang** Jonathon Green, 2005 With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998 Brilliant said Mark Lawson on BBC2's The Late Review This is a terrific piece of work learned entertaining funny stimulating said Jonathan Meades in The Evening Standard But now the world's best single volume dictionary of English slang is about to get even better Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material The research has thrown up some fascinating results **The New Partridge Dictionary of Slang and Unconventional English: J-Z** Eric Partridge, 2006 Entry includes attestations of the head word's or phrase's usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews.com *A Dictionary of the English Language, in which*

the Words are Deduced from Their Originals Explained in Their Different Meanings Johnson,1809 *Smoking Typewriters* John McMillian,2011-02-01 How did the New Left uprising of the 1960s happen What caused millions of young people many of them affluent and college educated to suddenly decide that American society needed to be completely overhauled In *Smoking Typewriters* historian John McMillian shows that one answer to these questions can be found in the emergence of a dynamic underground press in the 1960s Following the lead of papers like the Los Angeles Free Press the East Village Other and the Berkeley Barb young people across the country launched hundreds of mimeographed pamphlets and flyers small press magazines and underground newspapers New cheaper printing technologies democratized the publishing process and by the decade s end the combined circulation of underground papers stretched into the millions Though not technically illegal these papers were often genuinely subversive and many of those who produced and sold them on street corners at poetry readings gallery openings and coffeehouses became targets of harassment from local and federal authorities With writers who actively participated in the events they described underground newspapers captured the zeitgeist of the 60s speaking directly to their readers and reflecting and magnifying the spirit of cultural and political protest McMillian pays special attention to the ways underground newspapers fostered a sense of community and played a vital role in shaping the New Left s highly democratic movement culture Deeply researched and eloquently written *Smoking Typewriters* captures all the youthful idealism and vibrant tumult of the 1960s as it delivers a brilliant reappraisal of the origins and development of the New Left rebellion A dictionary of the English language. Wildean the warrior poet and the salon dazzler and demonstrates how they framed the gay experience at Harvard and in the country as a whole The core of this book however is a portrait of a great university and its community struggling with the full implications of free inquiry Harvard took very seriously its mission to shape the minds and bodies of its charges who came from and were expected to perpetuate the nation s elite yet struggled with the open expression of their sexual identities which it alternately accepted and anathematized Harvard believed it could live up to the Oxbridge model offering a sanctuary worthy of the classical Greek ideals of male association yet somehow remain true to its legacy of respectable austerity and Puritan self denial The Crimson Letter therefore tells stories of great unhappiness and manacled minds as well as stories of triumphant activism and fulfilled promise Shand Tucci brilliantly exposes the secrecy and codes that attended the gay experience showing how their effects could simultaneously thwart and spark creativity He explores in particular the question of gay sensibility and its effect upon everything from symphonic music to football set design to statecraft poetic theory to skyscrapers The Crimson Letter combines the learned and the lurid tragedy and farce scandal and vindication and figures of world renown as well as those whose influence extended little farther than Harvard Square Here is an engrossing account of a university transforming and transformed by those passing through its gates and of their enduring impact upon American culture

Alternative Media in Canada Kirsten Kozolanka,Patricia Mazepa,David Skinner,2012-04-01 Alternative media hold the promise of building public awareness and action against the constraints and limitations of media conglomeration and cutbacks to public broadcasting But what exactly makes alternative media alternative This path breaking volume gets to the heart of this question by focusing on the three interconnected dimensions that define alternative media in Canada structure participation and activism The contributors reveal not only how various kinds of alternative media including indigenous anarchist ethnic and feminist media are enabled and constrained within Canada s complex policy environment but also how in the context of globalization the Canadian experience parallels media and policy challenges in other nations

The Formal and Informal Politics of British Rule in Post-conquest Quebec, 1760-1837 Nancy Christie,2020 This striking reinterpretation of the history of Quebec in the revolutionary era demonstrated through a micro historical analysis of 20 000 court records as well as official and unofficial political discourses shows that a central aim of British Imperial rule was the assimilation and subjugation of the French Canadian majority in the colony
