Rafe A Memoir:

Rafe Rafe Mair, 2004 For much of the legendary BC politician cum hotliner s career calling him a socialist would have risked a scorching riposte if not a punch in the nose but in his latest book that is the label he gives himself Has the old warrior gone over to the other side Well not exactly Rafe Mair has dominated the British Columbia airwaves for years pulling in more listeners than any other radio personality in the province Hundreds of thousands of people regularly tune in for his blend of unbridled opinion and unyielding interrogation garnering him the reputation of being one of Canada s most respected and feared radio talk show hosts But Rafe Mair is much more than a radio broadcaster A lawyer politician and environmental crusader Mair seems to have been made for the spotlight and he thrives amid a storm of controversy I was born that way I guess he says a contrarian all my life From childhood on I never liked being told what to do and challenged authority at every turn In this intimate and intriguing memoir Mair uncovers behind the scenes exploits during his 15 years practising law in Vancouver and Kamloops his five eventful years in Bill Bennett s provincial government and his nearly 25 years as a radio broadcaster He reveals his thoughts on everything from fish farms government and current Prime Minister Paul Martin to his departure from CKNW his personal relationships and struggles with depression Rafe A Memoir is a portrait of Rafe Mair as never seen before a reflective look at one of BC s most contentious figures Canadian Books in Print. Author and Title Index, 1975

Bill Bennett Bob Plecas, 2009-12-01 Bill Bennett is an eyewitness account of B C premier W R Bill Bennett s eleven years in power from 1975 to 1986 Never seen as a populist or a great communicator Bennett nevertheless won three elections in a row a feat surpassed only by his father W A C Bennett who won six The younger Bennett also twice captured the highest percentage of the popular vote of any premier since the Second World War Among his very significant and undervalued achievements Bennett dramatically changed the way British Columbia is governed and the way in which it came to be perceived on the world stage chaired Canada s provincial premiers during the repatriation of the constitution built the Coquihalla highway created the Whistler ski resort and brought the Port of Prince Rupert Sky Train and BC Place Stadium to the province

The Colonial Present Kerry Coast, 2013-10-23 No treaties were made with indigenous nations residing in those territories where now there is a Canadian province called British Columbia Instead a breathtaking policy of criminalization assimilation and land rights and sovereignty extinguishment has been vigorously carried out against them Present day governments continue that approach now 150 years old in processes which have recently been re named and cosmetically improved but remain unconstitutional and are prohibited by the 1948 Genocide Convention which terms as genocide inter alia deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part Neither Britain nor Canada nor the settlers of British Columbia themselves have ever honourably addressed the peoples whose lands and resources form British Columbia The indigenous nations in what is now called British Columbia have never joined Canada but had citizenship imposed on them The province

of BC has never fulfilled Canada's constitutional requirements of purchasing lands from the indigenous owners before settling. The ongoing colonization of British Columbia relies on the settler population's indifference to the indigenous peoples' plights and rights. The Colonial Present documents the colonizer's manufacture of a new mythology to dehumanize the native peoples and strip them of their rightful place. The interests of resource industries have dominated accounts of indigenous peoples throughout the mainstream media, the academic presses, and the courts. They have substantially corrupted and impoverished the non-native understanding of indigenous peoples on whose homelands they live and work and to which they seem to feel entitled. The indigenous nations and individuals have suffered excruciating losses. But the highest expression of official BC aspirations for reconciliation is only that they should release title to their homelands, accept a small financial land and program funding settlement, and submit to the British Columbia Treaty Commission agenda, reducing them in legal terms to incorporated associations exercising management capacities barely distinguishable from those of BC municipalities while by fee simple title their lands and rich resources are ceded to the Queen. This book is an exploration of how such a stunning string of events has happened and British Columbians' continuing attempts to rationalize them.

9 1/2 Years Behind the Green Door, A Memoir Simone Corday, 2024-07-05

It's the 80's just before the advent of AIDS and we are behind the scenes at the entrancing Mitchell Brothers O'Farrell Theater, which gonzo journalist Hunter S. Thompson has declared to be the Carnegie Hall of public sex in America. The theater and its steamy live shows are a countercultural venue for celebrities in entertainment and sports and for San Francisco politicians and journalists. They are drawn by the beautiful strippers and the backroom hospitality of their outrageous porn king hosts Artie and Jim Mitchell, who directed the groundbreaking porn film *Behind the Green Door* starring Marilyn Chambers. Simone Corday, who danced at the O'Farrell and was a girlfriend of the late Artie Mitchell for nearly a decade, shares her unique story and her insights. She is the only woman insider to write about this insular but captivating world during this period when she was close to the impulsive Mitchells and a friend of the O'Farrell's honorary Night Manager, Hunter Thompson. Corday's unusual background of having an MA in English, along with her honesty, irreverent sense of humor, and keen focus as an observer, make this a delicious expose. Corday gives vivid accounts of three Mitchell Brothers films she took part in. They include the disastrous *Behind the Green Door*, the sequel, a grandiose safe sex epic with characters from Greek mythology, and their documentary on Hunter Thompson titled *The Crazy Never Die*. She shares memories of her unconventional, passionate relationship with Party Artie Mitchell. His affectionate personal and domestic side, along with his love for his children, are remembered fondly. His taste for cocaine and advancing alcoholism that led him to disappear on binges with a succession of young dancers is also recaptured, as well as his volatile temper, his impish sense of fun, and his charismatic macho persona. Corday sheds light on Jim Mitchell's motives for shooting Artie to death and on the murder trial that follows. She reflects on her experience in the sex industry and on her relationship with a notorious club owner. From the fun she had performing in the O'Farrell's spotlight as the theater's nemesis to then San Francisco Mayor

demarcated by wars as if literary epochs like the history of literature itself required bloodshed to commence But in chapters on periods of literary history from realism generally taken to be a product of the Civil War through modernism usually assumed to be a prediction or result of the Great War up to postmodernism which followed World War II and spanned Vietnam Limon argues that despite the looming presence of war in American history the techniques that define these periods are essentially ways of not writing war From James and Twain through Fitzgerald Faulkner and even Hemingway to Pynchon our national literary history is not hopelessly masculinist Limon argues Instead it arrives naturally at Bobbie Ann Mason and Maxine Hong Kingston Kingston brings the discussion full circle The Woman Warrior like The Iliad appears to condemn the fall from duel to war that is literature's endless opening
