

A RAFFERTY P.I. NOVEL

CANNON'S MOUTH

BILL DUNCAN

Rafferty Cannons Mouth

Sara Orwig

Rafferty Cannons Mouth:

Rafferty, Cannon's Mouth W. Glenn Duncan, 1990 **Cannon's Mouth** W. Glenn Duncan, 2018-02-09 Rafferty's Rule 20

Any hunch so strong that it hurts just has to be right It's not a typical day when Rafferty gets mistaken for a hitman Always the altruist Rafferty tries to warn the intended victim only to find someone has beaten him to it Max Kranderff is dead and mutilated and Rafferty's left holding the bag Full of cash Rafferty soon discovers that Max's business partner Carl is behind the gruesome murder but damned if anyone knows where Carl is now And that's when the phone calls start The killer wants credit for Max's murder and my money or else Thus begins a dangerous game of cat and mouse Max's killer knows all about Rafferty who he is where he lives and works and where he and Hilda sleep On the other hand Rafferty knows squat about the voice on the other end of the phone only that if he doesn't locate Carl and the killer soon his whole world could go up in flames If you're a fan of Spenser Mike Hammer or Matt Scudder then this hardboiled pulp thriller from Shamus Award Winner W. Glenn Duncan will keep you reading late into the dark night CANNON'S MOUTH is a hardboiled P I mystery in the tradition of the best pulp thrillers Rafferty's a Dallas P I and an ex cop who spent enough time on the streets to understand how things work And when they don't Rafferty's the guy you'll want on your side He may quote Latin occasionally smoke too much and be a cynical sonofabitch but when it all hits the fan and you need someone you can trust you'll be glad you called Rafferty Originally published by Ballantine this 30th Anniversary release of CANNON'S MOUTH marks the first time that W. Glenn Duncan's work has been available in digital format We doubt that Rafferty would quietly accept the ongoing march of technology that provides this opportunity but even a grizzled P I has to grow up sometime This hardboiled PI series will continue with the first new Rafferty story in nearly three decades FALSE GODS written by W. Glenn Duncan Jr son of the original author sees Rafferty looking for a missing girl up to his ass in religious fundamentalists and needing all the help he can get from his old pals Cowboy and Mimi and a few new ones to make sure he gets out alive Join the Rafferty Readers Group at RaffertyPI.com to get the latest news on the upcoming release of FALSE GODS Praise for W. Glenn Duncan Sometimes it seemed W. Glenn Duncan's Texas P I Rafferty had a rule for everything but the fact remains that most of them were a hoot And of course a further irony is that Rafferty's Rules is in fact an Australian football term for no rules at all Thrilling Detective Website I've gotten rid of a lot of stuff over the years but the Rafferty books are a mainstay I think they're terrific Paul Bishop Duncan truly captured the pure essence of the definitive smart ass private eye in his character Rafferty Take part Sam Spade with a little Mike Hammer mix in some Spenser and you have an awesome character Cliff Fausset At first sniff it may smell like Spenser with a cowboy hat but take a good whiff W. Glenn Duncan's Dallas Texas private eye RAFFERTY was actually a blast of fresh air in what was rapidly becoming a glut of sensitive soul searching overly politically correct cookie cutter P I's in the late eighties Of course it helps that Dallas ain't Boston Kevin Burton Smith *Cannon's Mouth* Bill Duncan, 2023-09-14 Who will die When it will happen What it's worth The things you learn when you're mistaken

for a hitman Rafferty knows everything about Max Krandorff's death. The time, the location, and how the body should look once the killing is done. But Rafferty will turn informer instead of executioner, leaving the guy who paid fifteen large for Max's demise to swing in the wind. Rafferty's soon being yanked between the cops, the Feds, the out-of-pocket money man, and the real assassin who demands only one thing: My money. Or else. The chase is on. Max's would-be killer has studied Rafferty. Knows where he lives and works. Who he shares a bed with. Rafferty doesn't have the first clue to the identity of the voice behind the threats. Only that if he doesn't stop the assassin now, his whole world will go up in flames.

CANNON'S MOUTH is the fifth book in the Rafferty P.I. series by Shamus Award-winning author W. Glenn Duncan. If you're a fan of Spenser, Reacher, or Elvis Cole, this series is a must-read. Don't miss another moment of hardboiled wisecracking action with Rafferty P.I. Buy **CANNON'S MOUTH** today. Praise for Rafferty P.I. If you like Parker's Spenser or Robert Crais' Elvis Cole, you should love the Rafferty series. Mark A. Johnson: Rafferty is the best hardboiled P.I. of this era. Wendy Green: Any fan of Micky Spillane, the Jack Reacher novels, or Mark Yost's Rick Crane novels should absolutely venture into the world of Rafferty P.I. Michael Raabe: Duncan truly captured the pure essence of the definitive smart-ass private eye in his character Rafferty. Take part Sam Spade with a little Mike Hammer mix in some Spenser, and you have an awesome character. Cliff Fausset: This author goes on my list of great private eye writers along with Kinky Friedman, Elmore Leonard, and Lawrence Sanders. Tricia Schiro: *Rafferty, Fatal Sisters*. W. Glenn Duncan, 1990.

Gettysburg--The Second Day Harry W. Pfanz, 2011-06-15. The second day's fighting at Gettysburg, the assault of the Army of Northern Virginia against the Army of the Potomac on 2 July 1863, was probably the critical engagement of that decisive battle and therefore among the most significant actions of the Civil War. Harry Pfanz, a former historian at Gettysburg National Military Park, has written a definitive account of the second day's brutal combat. He begins by introducing the men and units that were to do battle, analyzing the strategic intentions of Lee and Meade as commanders of the opposing armies, and describing the concentration of forces in the area around Gettysburg. He then examines the development of tactical plans and the deployment of troops for the approaching battle. But the emphasis is on the fighting itself. Pfanz provides a thorough account of the Confederates' smashing assaults at Devil's Den and Little Round Top, through the Wheatfield and the Peach Orchard, and against the Union center at Cemetery Ridge. He also details the Union defense that eventually succeeded in beating back these assaults, depriving Lee's gallant army of victory. Pfanz analyzes decisions and events that have sparked debate for more than a century. In particular, he discusses factors underlying the Meade-Sickles controversy and the questions about Longstreet's delay in attacking the Union left. The narrative is also enhanced by thirteen superb maps, more than eighty illustrations, brief portraits of the leading commanders, and observations on artillery, weapons, and tactics that will be of help even to knowledgeable readers. *Gettysburg: The Second Day* is certain to become a Civil War classic. What makes the work so authoritative is Pfanz's mastery of the Gettysburg literature and his unparalleled knowledge of the ground on which the fighting occurred. His sources include the Official

Records regimental histories and personal reminiscences from soldiers North and South personal papers and diaries newspaper files and last but assuredly not least the Gettysburg battlefield Pfanz's career in the National Park Service included a ten year assignment as a park historian at Gettysburg Without doubt he knows the terrain of the battle as well as he knows the battle itself

Cutlass Tami Franklin, A quest for vengeance A high stakes treasure hunt An attraction they both try to deny Convinced One Eyed Jack Tremayne killed her father and stole his prized cutlass Sarina Talbot sneaks aboard the pirate's ship to exact her revenge To her surprise she's met by a declaration of innocence and an offer of help She doesn't trust him and he doesn't trust anybody But they need each other to catch the killer and beat their enemies to a hidden cache of Aztec gold They're not the only treasure seekers however and there's a traitor in their midst Caught between Crown ships and enemy pirates Sarina and Jack discover a prize greater than gold as their uneasy alliance leads them on the adventure of a lifetime

The Fires of Philadelphia Zachary M. Schrag, 2021-06-01 A gripping and masterful account of the moment one of America's founding cities turned on itself giving the nation a preview of the Civil War to come America is in a state of deep unrest grappling with xenophobia racial and ethnic tension a national scale that feels singular to our time But it also echoes the earliest anti immigrant sentiments of the country In 1844 Philadelphia was set aflame by a group of Protestant ideologues avowed nativists who were seeking social and political power rallied by charisma and fear of the immigrant menace For these men it was Irish Catholics they claimed would upend morality and murder their neighbors steal their jobs and overturn democracy The nativists burned Catholic churches chased and beat people through the streets and exchanged shots with a militia seeking to reinstate order In the aftermath the public debated both the militia's use of force and the actions of the mob Some of the most prominent nativists continued their rise to political power for a time even reaching Congress but they did not attempt to stoke mob violence again Today in an America beset by polarization and riven over questions of identity and law enforcement the 1844 Philadelphia Riots and the circumstances that caused them demand new investigation At a time many envision America in flames *The Fires of Philadelphia* shows us a city one that embodies the founding of our country that descended into open warfare and found its way out again

An Index to Poetry and Recitations Edith Granger, 1904

[Sherlock Holmes and the Ice Palace Murders](#) Larry Millett, 2013-11-30 The year is 1896 and St Paul's magnificent Winter Carnival is under way when Holmes and Watson are summoned by the city's most powerful man railroad magnate James J Hill A wealthy young man disappears on the eve of his wedding and his fiancée suspiciously discards her wedding dress After a grisly discovery in the carnival's Ice Palace leads to a flurry of clues Holmes

is on the case His pursuit of the murderer takes him through the highest echelons of St Paul society and into cahoots with Shadwell Rafferty a gregarious saloonkeeper and part time private investigator Soon Holmes Watson and Rafferty are embroiled in a perilous adventure that takes them from one frozen corner of the city to another and out onto the treacherous ice of the Mississippi River as they trail a cruel and ruthless killer *Civil War Saga* Sara Orwig,2015-01-04 This sweeping trilogy uncovers the tragedy and passion in the war between the north and the south Winner of eight Romantic Times awards with over twenty million copies in print USA Today bestselling author Sara Orwig is the undisputed queen of historical romance In the start of this saga New Orleans a wealthy southern belle must choose sides in the battle between her head and her heart as two men vie for her affections Memphis finds the ongoing war approaching the home front of a headstrong woman just as a cavalryman makes a charge for her heart And in the sweeping conclusion Atlanta unexpected passions are ignited in a destroyed city when a Yankee colonel comes south to collect what he believes is his only to find that some wars go on even when the smoke clears **Index to Poetry and Recitations** Edith Granger,1904 **Prehistory of the**

Oregon Coast R Lee Lyman,2016-09-16 This book is the first synthesis of the prehistory of the coast of Oregon It analyzes the artifacts and mammalian faunal remains of three representative sites on the coast A model of the evolution of cultural adaptational strategies is presented and tested from which it creates a model of coastal cultural development On a methodological level the volume examines the overriding importance and effects of various sampling techniques The Heart of Stars Kate Forsyth,2007-05-01 With the leading clan bitterly split and the court torn apart only fierce half human Rhiannon and her winged mare have any chance of rescuing Princess Olwynne and her twin brother But what duty requires the heart may regret An evil necromancer has kidnapped the royal twins plotting to spill their blood for revenge and to restore his own family to life Chaos reigns in the capital and Rhiannon finds herself burdened with a heavy charge to save the one woman she hates above all others It will not be easy to forgive or forget that Olwynne attempted to steal Rhiannon s true love the handsome apprentice witch Lewen especially when it seems that Olwynne would still be her rival for his affections And as the necromancer s intrigues grow more desperate Rhiannon fears that saving the princess could mean risking everything Lewen her mare her freedom even her own life *The Overland Monthly* ,1907 **Overland Monthly and Out**

West Magazine Bret Harte,1907 *Higher Education for All* Andrew Stone Higgins,2023-03-16 The 1960 California Master Plan for Higher Education remains to this day the largest and most ambitious attempt to provide free universal college education in the United States Yet the Master Plan the product of committed Cold War liberals unfortunately served to reinforce the very class based exclusions and de facto racism that plagued K 12 education in the nation s largest and most diverse state In doing so it inspired a wave of student and faculty organizing that not only forced administrators and politicians to live up to the original promise of the Master Plan quality higher education for all but changed the face of California itself Higher Education for All is the first and only comprehensive account of the California Master Plan Through

deep archival work and sharp attention to a fascinating cast of historical characters Andrew Stone Higgins has excavated the forgotten history of the Master Plan from its origins in the 1957 Sputnik Crisis through Governor Ronald Reagan's financial starvation and his failed quest to introduce tuition to the student struggle to institute affirmative action in university admissions

The Heir Apparents Mike Catalano, 2013-07-23 In this sixth installment of the Jab Boone murder mysteries a badly injured Jab cannot directly lead the FBI against renegade ex soldiers targeting Muslim mosques But when Jabs top three student trackers are tapped to find the bombers Jab must trust a Saudi exchange student to be his voice or have the mission end in certain disaster
