Rafferty Last Seen Alive:

Rafferty's Last Case Larry Millett, 2022-04-19 The ninth and final Minnesota mystery in which Shadwell Rafferty with the inimitable Sherlock Holmes may have solved his own murder Like many mysteries this one begins with a murder But in this case the victim happens to be the detective on the verge of revealing the culprit in an earlier crime Had Shadwell Rafferty identified his own murderer When news of Rafferty s death reaches Sherlock Holmes in Chicago on the last leg of an American speaking tour the world s most famous detective and his redoubtable companion Watson rush to Minnesota to hunt for their friend s killer Set amid the glittering society and sordid underworld of 1928 St Paul Larry Millett s ninth and final Shadwell Rafferty mystery takes readers through the serpentine twists of Rafferty s fatal investigation even as Holmes following in Rafferty s tracks may be closing in on the answer to both cases This ingenious double mystery takes us to every corner of St Paul from the city s most notorious speakeasy to a home for unwed mothers to the mansions of Summit Avenue and at every turn we find another suspect an ambitious mayor and his devoted fixer in chief a heartless blackmailer and a police detective mired in city hall connections a poet turned mystery writer with a suspicious coterie and a priest hiding a terrible secret A mysterious woman in Minneapolis who makes certain illicit arrangements and a young man in possession of incriminating documents provide Holmes with vital clues that lead to a final confrontation with an exceptionally devious murderer worthy of the exceptionally devious plot that brings the Minnesota mystery series to a fitting and powerful conclusion

Down Among the Dead Men #2 Geraldine Evans, When Inspector Rafferty sees Barbara Longman lying so peacefully in the flower filled meadow by the River Tiffey he finds it hard to believe she s dead Mrs Longman was a popular woman who could have wanted to kill her The murder appears to bear the hallmarks of the Suffolk serial killer but could a copycat murderer be at work a copycat moreover who enjoyed intimate knowledge of the victim With the help of his sergeant Dafyd Llewellyn Rafferty begins to question Barbara Longman s family descendants of the rich and powerful Maximillian Shore As their inquiries continue it becomes clear that every person in the Shore household has motives in plenty for wanting Barbara out of the way So why should Rafferty have an instinctive feeling that their long dead patriarch is in some way connected with Barbara s murder Rafferty s instincts are not enough however and firm proof of the killer s identity remains elusive Until a memory from Rafferty s own past provides the vital clue which leads him to the terrible truth

Glenn Duncan, 1990 [Murder...By Category](#) Tasha Mackler, 1991-11 For the first time here is an annotated bibliography of murder mysteries that is organized by the category of the mystery and lists only contemporary publications including an extensive listing of titles that are paperback originals Categories range from Academic Getting Away with Murder and Old Crimes and Murders to Writers and Their Conventions Because an interesting annotation should be available for reading contemporary publications were chosen With the exception of a few favorites each entry was in print in either a paperback or a hardcover edition in 1985 and listings continue through late 1991 *Murder By Category* is the companion to take for library and bookstore browsing **Last Seen Wearing** Hillary Waugh, 2021-02-02 No one saw her leave and no one knows where she went It's a perfectly typical day for Lowell Mitchell at her perfectly ordinary university in Massachusetts She goes to class chats with friends and retires to her dorm room Everything is normal until suddenly it's not in the blink of an eye Lowell is gone Facts are everything for Police Chief Frank Ford He's a small town cop and he knows only hard evidence and thorough procedure will lead him to the truth Together with the wise cracking officer Burt Cameron the grizzled chief will deal with the distraught family chase dead end leads interrogate shady witnesses and spend late nights ruminating over black coffee and cigars Everyone tells him what a good responsible girl Lowell is But Ford believes that Lowell had a secret and that if he can discover it this case will crack wide open Considered one of the first ever police procedurals and hailed as an American mystery milestone *Last Seen Wearing* based on a true story builds suspense through its accurate portrayal of an official police investigation Hillary Waugh who earned the title of Grand Master from the Mystery Writers of America went on to create several memorable series but this classic crime novel ranks among his finest work This next installment in the Library of Congress Crime Classics series will keep readers in suspense until the final page
