## **Rage And Fire A Life Of Louise Colet Pioneer Feminist:**

*Rage and Fire* Francine Gray, 1995-12-07 Gray draws on Louise Colet's recently discovered journals to present a compelling biography of one of the most fascinating women of the 19th century. Colet defied the rules and expectations of a misogynistic society to become an award-winning writer and the intimate of such great literary figures as Flaubert, Hugo, and Musset. 16 page b/w photo insert

The Feminist Encyclopedia of French Literature Eva M. Sartori, 1999-07-30 The earliest known literary productions by women living in Europe were probably written by French writers. As early as the 12th century, women troubadours in the south of France were writing poems. French women continued writing through the ages, their number increasing as education became more available to women of all classes. And yet, of the great number of works by women writers who preceded the current feminist movement, very few have survived. A few writers such as Marie de France, George Sand, and Simone de Beauvoir became part of the canon. But critics, mostly male, had judged the works of only a few women writers worthy of recognition. As part of the feminist move to reclaim women writers and to rethink literary history, scholars in French literature began to take a new look at women writers who had been popular during their lifetimes but who had not been admitted into the canon. This reference book provides extensive information about French women writers and the world in which they lived. Included are several hundred alphabetically arranged entries for authors, literary genres such as the novel, poetry, and the short story, literary movements such as classicism, realism, and surrealism, life cycle events particular to women such as menstruation and menopause, events and institutions which affected women differently than men such as revolutions, wars, and laws on marriage, divorce, and education. The volume spans French literature from the Middle Ages to the present and covers those writers who lived and worked mainly in France. The entries are written by expert contributors and each includes bibliographical information. The entries focus on each writer's awareness of how her gender shaped her outlook and opportunities, on how categorizations, structures, and terms used to describe literary works have been defined for women, and the ways in which women writers have responded to these definitions. The volume begins with a feminist history of French literature and concludes with a selected general bibliography and a chronology of women writers.

**This was the Man** Louise Colet, Graham Anderson, 2022-09-22 Graham Anderson's translations of both Sand's and Colet's novels are faithful and highly readable, with short but helpful introductions. Both books have been translated before. Sand's *Elle et Lui* was translated by an American, George Burnham Ives, in 1856. 1930, a man remarkable for having turned to literary translation while serving eight and a half years in a Boston Prison for embezzlement and forgery. His translation was called *She and He*, and suffers from a stuffy, excessively formal prose style that doesn't replicate Sand's voice very well. Anderson's translation is far better; his prose is tighter, better paced, more natural-sounding, modern, without being anachronistic. Colet's novel *Lui* was translated in 1986 by Marilyn Gaddis Rose as *Lui: A View of Him*, now out of print. Both Rose and Anderson provide excellent, responsible, readable translations. Anderson provides notes for many cultural references and allusions, the

new translation is welcome both because the novel is a pleasure to read in his vigorous English version and because it might help some readers to a new appreciation of Louise Colet herself who deserves better treatment than she has been given by literary history. The Sand novel is for Sand completists. The Colet is for the rest of us. Raymond N MacKenzie in The London Review of Books. Sand's and Colet's novels are fascinating when read in conversation. Sometimes they dance in harmony sometimes they duel with one another not just in their portrayal of the central couple but in their views of love and its meanings. Their appeal to a contemporary audience is heightened by Anderson's lively translations which capture the mood of mid nineteenth century Paris yet also make the books seem acutely up to date. He is not averse to rearranging long winding sentences and often finds images in English that exactly and inventively render the French ones. Michele Roberts in The Times Literary Supplement

She devoted her vast energy to philanthropic activities with a particular emphasis on the needs of young Jewish women

**Pleasure Wars** Peter Gay, 1998 Whereas Education of the Senses focused on the sexual attitudes and practices of the nineteenth century Bourgeoisie, The Tender Passion concentrates on their notions of love. No less revisionist than he was in his first volume, Gay argues here that the Victorians were able not only to enjoy their sexuality but to know love in its most exalted sense. The realities of love for the Victorians, he shows, came much closer to their ideals than many have thought. Gay delves into a huge body of material from philosophical treatises to medical texts, from letters and diaries to works of fiction. The book is replete with fascinating insights into the lives and works of individual Victorians: Dickens, Stendhal, Wagner, Oscar Wilde, Beatrice Potter and Sydney Webb among them, and his discussions range from the discovery of homosexuality to the ways love was diverted or disguised in music and religion

**Pleasure Wars: The Bourgeois Experience, Victoria to Freud** Peter Gay, 1998-01-17 A master historian shows us a new side of the Victorian Era: the role of the Bourgeois as reactionaries, revolutionaries, and middle of the roaders in the passage of high culture toward modernism. The Victorians in this richly peopled narrative maneuvered through decades marked by frequent shifts in taste: some seeking safety in traditional styles, others drawn to the avant garde of artists, composers, and writers. Peter Gay's panoramic survey offers a fresh view of the ideas and sensibilities that dominated Victorian culture

[Searching for Emma](#) Dacia Maraini, 1998-02-28 Although many writers blend autobiography and fiction, few have been so forthright in admitting it as Gustave Flaubert. In reference to his

legendary novel and protagonist he wrote Madame Bovary c'est moi Madame Bovary has become an icon for casual readers and feminists alike but as Dacia Maraini argues she is one of the most problematic though fascinating female protagonists in modern literature In this lively learned and very personal study Maraini explores the profound and contradictory relationship between the writer Flaubert and the character his readers have grown to love Maraini argues that in their desire to claim Emma Bovary as a standard bearer of revolt women have often overlooked the bitter pitiless way in which Flaubert evokes Emma's insignificance and vulgarity Searching for Emma guides the reader through Flaubert's novel and many of his letters seeking out the sources of his obsessive cruelty toward Emma Maraini relates Flaubert's contempt for Emma to his relationship with his mistress Louise Colet to his general terror of women and to his own self loathing It was entirely in spite of himself Maraini writes that Flaubert created the female Don Quixote so admired for her restlessness and determination Searching for Emma offers a novelist's insight into the complex relationship between author and character and into the deepest motivations of fiction

**My Beloved Toto** Juliette Drouet, 2012-02-01 My Beloved Toto a collection of letters written by Juliette Drouet to her lover Victor Hugo tells the story of a life and of the great love affair that shaped it From 1833 until her death half a century later Drouet wrote to Hugo twice daily on average resulting in thousands of letters The 186 translated here most appearing in English for the first time offer insights into nineteenth century French culture as well as an insider's look at the character behavior working habits and day to day life of France's most monumental man of letters

**Uncanonical Women** Wendy Greenberg, 2023-12-14 In English here is presented for the first time an examination of the text and context of five nineteenth century French women poets Elisa Mercoeur 1808 1835 Marceline Desbordes Valmore 1786 1859 Louisa Siefert 1845 1877 Louise Ackermann 1813 1890 and Louise Michel 1830 1905 will demonstrate that in spite of mentoring by various literary historic or even family figures these writers found their own voices A striking example is Louisa Siefert who in spite of bold intertextuality displays an unmistakably feminine persona whose originality poignantly draws the reader's attention These poets had many obstacles to overcome as women identified poets For example Louise Ackermann's own husband did not want her to write and for this reason she remained silent during her years of marriage Louise Michel is a different case as an analysis of the short poem Bouche close Le Livre du Baigneur 1873 1880 will demonstrate In short Uncanonical Women explores a crescendo of poetic voice from the initial timid solicitations of Elisa Mercoeur to the bold self sufficient defiance of Louise Michel The implication of my original findings that uncanonical poets can surpass cultural marginalization is that the book will target both a traditional and modern readership Major themes and clear language and tools that delineate identifiably personal style of true writers and the poetic persona of each is unique Mercoeur in ambition Desbordes Valmore in domesticity Siefert in anguish Ackermann in pessimism and Michel in leadership
