Cease, 1929 **The Pennsylvania Railroad** Albert J. Churella, 2023-11-21 By 1933 the Pennsylvania Railroad had been in existence for nearly ninety years During this time it had grown from a small line struggling to build west from the state capital in Harrisburg to the dominant transportation company in the United States In Volume 2 of *The Pennsylvania Railroad* Albert J Churella continues his history of this giant of American transportation At the beginning of the twentieth century the Pennsylvania Railroad was the world's largest business corporation and the nation's most important railroad By 1917 the Pennsylvania Railroad like the nation itself was confronting a very different world The war that had consumed Europe since 1914 was about to engulf the United States Amid unprecedented demand for transportation the federal government undertook the management of the railroads while new labor policies and new regulatory initiatives coupled with a postwar recession would challenge the company like never before Only time would tell whether the years that followed would signal a new beginning for the Pennsylvania Railroad or the beginning of the end *The Pennsylvania Railroad The Age of Limits 1917-1933* represents an unparalleled look at the history the personalities and the technologies of this iconic American company in a period that marked the shift from building an empire to exploring the limits of their power

Hell's Gate Stephen Frey, 2009-08-18 It's fire season in Montana From New York Times bestselling author Stephen Frey comes a riveting new thriller about a disillusioned star litigator who goes west to forge a new life in Big Sky Country and stumbles onto the toughest case of his career When thirty five year old lawyer Hunter Lee decides to turn his back on the New York City rat race that has made him rich but cost him his marriage he takes his brother's advice and sets out to build a new life in the beautiful but isolated town of Fort Mason Montana However escape is hardly what he finds there Hunter befriends Paul Brule a Fire Jumper one of an elite corps of firefighters who parachute into remote wilderness areas to put out blazes before they become infernos and gets a terrifying firsthand look at the reality of vast tracts of forest being reduced to ash in seconds by hundred foot walls of flame In this tiny town where everyone seems to have a secret Hunter comes to suspect that this particular rash of summer fires is anything but accidental and could in fact be serving a more sinister purpose As Hunter follows his instincts Montana becomes a crucible where good and evil collide and where one man running from his past takes on the burden of exposing the guilty while saving himself and those he cares about most from the greatest danger they have ever faced

 from first to last Wall Street Journal A suspense filled tale of murder on the American frontier shedding new light on a family
 of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war In 1873 the people
 of Labette County Kansas made a grisly discovery Buried by a trailside cabin beneath an orchard of young apple trees were
 the remains of countless bodies Below the cabin itself was a cellar stained with blood The Benders the family of four who
 once resided on the property were nowhere to be found The discovery sent the local community and national newspapers into
 a frenzy that continued for decades sparking an epic manhunt for the Benders The idea that a family of seemingly
 respectable homesteaders one among the thousands relocating farther west in search of land and opportunity after the Civil
 War were capable of operating a human slaughter pen appalled and fascinated the nation But who the Benders really were
 why they committed such a vicious killing spree and whether justice ever caught up to them is a mystery that remains
 unsolved to this day Set against the backdrop of postbellum America Hell s Half Acre explores the environment capable of
 allowing such horrors to take place Drawing on extensive original archival material Susan Jonusas introduces us to a
 fascinating cast of characters many of whom have been previously missing from the story Among them are the families of the
 victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape Hell s Half Acre is a
 journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently
 displacing existing populations and building new ones It is a world where folklore can quickly become fact and an entire
 family of criminals can slip through a community s fingers only to reappear in the most unexpected of places Transit
