Canadian Railroad Trilogy Gordon Lightfoot,2010 Presents an illustrated version of the lyrics to the Gordon Lightfoot song that describes the construction of the Canadian Pacific Railway *The Train Doesn't Stop Here Anymore* Ron Brown,2008-04-21 Despite the green benefits of rail travel Canada has lost much of its railway heritage Across the country stations have been bulldozed and rails ripped up Once the heart of communities large and small stations and tracks have left little more than a gaping hole in Canada s landscapes This book revisits the times when railways were the country s economic lifeline and the station the social centre Here was where we worked played listened to political speeches or simply

said goodbye to loved ones never knowing when they would return The landscapes which grew around the station are also explored and include such forgotten features as station hotels restaurants gardens and the once common railway YMCA Railway companies often hired the world s leading architects to design grand station buildings which ranged in style from chateau esque to art deco Even small town stations and wayside shelters displayed an artistic flare and elegance Although most have vanished the book celebrates the survival of that heritage in stations which have been saved or indeed remain in use The book will appeal to anyone who has links with our rail era or who simply appreciates the value of Canada s built heritage Ottawa--making a Capital Jeff Keshen,Nicole J.
