collection gathers rare out of print published and unpublished materials from archival and digital repositories throughout the world It adopts a capsule approach that focuses on short selections of significant primary source content instead of redundant and irrelevant materials found in online data collections The current collection draws attention to railway cultures through railroad reports parliamentary papers government documents police reports public health records engineering reports technical papers medical surveys memoirs diaries travel narratives ethnographies newspaper articles editorials pamphlets broadsides paintings cartoons engravings photographs art ephemera and passages from novels and poetry collections that shed light on the cultural history of railways The editor s original essays and headnotes on the cultural politics of railways introduce over 200 carefully selected primary sources Students and researchers come to understand railways not as applied technological impositions of industrial capitalism but powerful fluid and idiosyncratic historical constructs

**British Columbia 100 Years Ago** Fred Thirkell, Bob Scullion, 2002 In an era when picture postcards became a unique new way to call home they quickly established a role in enticing an ongoing parade of tourists to British Columbia This book features an impressive collection of black and white lithograph images that were sold to the public in the early twentieth century Documenting life in British Columbia during this period of time each image has a story to tell Collectively they define the state of affairs in B C a century ago The book is divided into geographic regions with an introductory article and map for each Fred Thirkell and Bob Scullion s previous book of postcard images *Postcards From the Past* 1996 won a City of Vancouver Heritage Award

Somerset County in Vintage Postcards Alan A. Siegel, 1999-03-01 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in America s history This fascinating new history of New Jersey s Somerset County showcases more than two hundred of the best vintage postcards available
