*Fodor's Caribbean 2013* Fodor's Travel Publications, Inc., 2012 Discusses accommodations dining transportation and historic sights in the Caribbean region along with information on trip planning nightlife and shopping **Zoo Story** Thomas French, 2024-09-24 An insightful and detailed look at the complex life of a zoo and its denizens both animal and human New York Times bestselling author Yann Martel A New York Times Bestseller Welcome to the savage and surprising world of Zoo Story an unprecedented account of the secret life of a zoo and its inhabitants Based on six years of research Pulitzer Prize winning journalist Tom French's book follows a handful of unforgettable characters at Tampa's Lowry Park Zoo an alpha chimp with a weakness for blondes a ferocious tiger who revels in Obsession perfume and a brilliant but tyrannical CEO known as El Diablo Blanco The sweeping narrative takes the reader from the African savannah to the forests of Panama and deep into the inner workings of a place some describe as a sanctuary and others condemn as a prison Zoo Story shows us how these remarkable individuals live how some die and what their experiences reveal about the human desire to both exalt and control nature This story told by a master teller of such things does more than take you inside the cages fences and walls of a zoo It takes you inside the human heart and an elephant's and a primate's and on and on Tom French did in this book what he always does He took real life and wrote it down for us with eloquence and feeling and aching detail Rick Bragg Pulitzer Prize winning journalist Told with breathtaking novelistic punch People *Handbook of South American Indians: The tropical forest tribes* Julian Haynes Steward, 1963 *The World of Animals* Joseph Krutch, 2017-07-12 Human beings share the earth with many other living creatures and have dealt with them in many different ways Animals have furnished humans with food done their work aroused their curiosity provided them with sport stimulated their sense of beauty and provoked their wonder They have also shared affection when both the human and animal have decided to give it No less varied or avoidable are the attitudes humans have developed toward these creatures This collection of writings selected from a vast literature about animals is also about the people who have been inspired to write on that subject Sometimes

consciously and sometimes unconsciously the writer implies an answer to one or more of the questions that any concern with an animal must raise such as What is an animal's place in nature Are they here primarily to serve as a food source Do they possess inherent rights and privileges How are they alike or different from humans The answers to these questions are as varied as the authors Each narrative description or exposition contributes something to an overall picture of human beings' relations with and attitudes toward the animal kingdom It is a remarkable conclusion illustrated by Krutch's chronological arrangement within categories that almost every major attitude and activity that has ever existed concerning animals still exists today even though there has been a drift in certain directions Although the editor fairly represents the opposing view his sympathies lie with those for whom the animal world embodies something to be loved and learned from rather than merely to be studied or exploited
