*The Sesame Effect* Charlotte F. Cole, June H. Lee, 2016-03-10 *The Sesame Effect* details the wide ranging work of Sesame Workshop and its productions across the world With an emphasis on impact and evidence from research on projects in low and middle income countries the book tells the stories behind the development of an international family of Muppet characters created for the locally produced adaptations of Sesame Street Each chapter highlights the educational message of international co productions and presents the cultural context of each project Readers will understand the specific needs of children living in a given locale as well as gain insight into the educational drivers of each project These projects often deal with difficult issues from race relations in the United States to HIV AIDS education in South Africa to building respect across cultural divides in the Middle East Readers will see how local productions have helped build a new mindset that values the importance of early childhood education and how Sesame Street promotes a brighter future by building children s academic skills encouraging healthy habits and by fostering attitudes that counter negative stereotypes and create appreciation of and respect for others *The Sesame Effect* shows how when magnified across the millions of children touched by the various international programs Sesame Workshop and its projects are making a difference around the world **Forever Mine**

Jennifer Mikels, 2011-07-15 *THE RODEO DAD S RETURN* Time stood still when Jack McShane gazed into Abby Dennison s beautiful brown eyes Not only did he still adore the woman he d foolishly left behind he felt a powerful kinship to her young son And when she finally revealed the boy was his Jack vowed to set things right *ABBY S SECRET SON* Trouble was Abby had no intention of giving Jack the chance If he hadn t been willing to stick around all those years ago how could she trust him with her son s innocent heart now It was virtually impossible to resist his soul shattering kisses but Abby needed a devoted family man who would be forever hers Dare she hope that this rugged cowboy had marriage on his mind **Abby's Tails**

Michael Anthony Cillo, 2017-10-16 *Abby s Tails* By Michael Anthony Cillo Adventures should never be lost at any age Beautiful sweet Abby has autism yet is more tuned in to her surroundings than anyone Michael Anthony Cillo knows In *Abby s Tails* Abby finds glorious moments with animals She steps out of her hidden secure self to become part of adventures Abby lifts all friends around her with her joyous spirit That joyous spirit is there in real life within Abby and most autistic children but finding a way into her world takes some loving patience Cillo wants his readers to really understand the blessings that can be received from our special needs society Like Cillo many will find themselves enlightened to the riches of that understanding and those lasting bonds of friendship **Winds and Wonders**

Trevor Stubbs, 2016-11-10 *Winds and Wonders* is the third book in the *White Gates Adventures* series Teenage Abby runs into trouble when she comes up against authoritarian forces in school as well as in the churches she attends Impatient Kakko still manages to save her millions of people but goes through the worst pain she could imagine on the way Shy Shaun makes a great impact on the football field but how will it turn out in the game of life off the pitch And parents Jack and Jalli and even Nan Matilda manage some excitement Returning from her

own adventure Matilda declared Kakko not all adventures involve exploding arms factories broken limbs getting yourself on TV and the like I ll leave the daring deeds to you Being there for someone in need is very important just listening may be all that is required But believe me listening can be very tiring If you say so Nan said Kakko unconvinced The White Gates Adventures series combines science fiction and fantasy with an appreciation for the beauty of creation from the insect Jalli is an entomologist through the sweep of the rainbow to the magnificence of a star studded sky The characters come to recognise and understand the loving presence of a Creator and Healer at every juncture as the past present and future interlace to talk of love and a hope that is beyond the dimensions of space time Being young at heart but also having had decades of experience as a minister sucked into some of the most demanding and horrific things in life I try and bring some faith experience into my White Gates Adventures My young characters have fun but they re not immune to the pain and frustrations of teenage life They go through the mill physically mentally emotionally and spiritually but they emerge with the hope of knowing that whatever happens no matter how much it hurts they are loved by the One who made and treasures them says author Trevor
