opposing identity groups Lost in a blizzard of hashtags his already complex investigation is further impeded by the fact that he simply doesn't get a single thing about anything anymore Meanwhile each day another public figure confesses to having misspoken and prostrates themselves before the judgement of Twitter Begging for forgiveness assuring the public that is not who I am But if nobody is who they are anymore then who the f k are we Ben Elton returns with a blistering satire of the world as it fractures around us Get ready for a roller coaster thriller where nothing and no one is off limits *The Federal Reporter*, 1988
