**Rainbow Nation Without Borders** Alberto Ruz Buenfil,1991 *Rainbow Gatherings* ,2010 Butterfly Bill s personal narrative of Rainbow Gatherings from 1987 to 2000 *Books Without Borders, Volume 1* Robert Fraser,Mary Hammond,2008-07-31 Where does the book belong Does it enshrine the soul of a nation or is it a means by which nations talk to one another sharing ideas technologies texts This book the first in a two volume set of original essays responds to these questions with archive based case studies of print culture in a number of countries around the world

**People of the Rainbow** Michael I. Niman,1997 Since 1972 the Rainbow Family of Living Light a loosely organized and anarchistic nomadic community have been holding large gatherings in remote forests to pray for world peace and create a model of a functioning utopian society In *People of the Rainbow* Michael I Niman offers the first comprehensive study of this countercultural group also known as the Rainbow Nation or Rainbow Family Niman s insightful and compelling profile describes the origins and recent history of the Rainbows and explains the eclectic philosophy of environmentalism feminism peace activism group sharing libertarianism and consensus government they espouse A fictional re creation of a day in the life of a Rainbow character named Sunflower begins the book illustrating events that might typically occur at an annual North American Rainbow Gathering Using interviews with Rainbows content analysis of media reports participant observation and scrutiny of government documents relating to the group Niman presents a complex picture of the Family and its relationship to mainstream culture called Babylon by the Rainbows Niman also looks at internal contradictions within the Family and examines members problematic relationship with Native Americans whose culture and spiritual beliefs they have appropriated The nomadic nature of the Rainbow Family has long exasperated the U S government especially the Forest Service and has baffled the media Niman places the Rainbow Family s gatherings in a historical context by framing the group s activities in terms of the long tradition of intentional communities and utopian experimentation within the United States Concluding with reflections on the successes and limitations of the Rainbow movement *People of the Rainbow* provides an extensive ethnography of this intriguing subculture and provides fresh insights into the ongoing legacy of utopian communalism The Author Michael I Niman is an adjunct assistant professor of American studies at the State University of New York at Buffalo and a lecturer in the communication department at Buffalo State College

**Legend of the Rainbow Warriors** Steven McFadden,2005 *Legend of the Rainbow Warriors* is a journalist s account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time as we approach the crucial year of 2012 One dominant myth is formed by advertising images of vast luxurious wealth the myth of materialism Another myth is conjured in the bloody sorrowful images that pervade movies music and computer games the myth that the world is hate filled and chaotic beyond redemption The *Legend of the Rainbow Warriors* offers a spiritual alternative of hope and real possibility based upon respect freedom and responsibility As drawn from dozens of historical accounts the *Legend of the*

Rainbow Warriors relates that when the Earth becomes desperately sick people of all colors and faiths will unite and rise to face the overwhelming challenges with insight honesty caring sharing and respect Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted eye opening and soul inspiring      **Asian Perceptions of Nature** Ole Bruun,Arne Kalland,2014-02-25 This highly acclaimed bold and refreshing collection of essays takes a critical look at Asians perception of their natural environments as well as at Western views of Asia in this respect      **The Bumpy Road, A Memoir of Culture Clash Including Woodstock, Mental Hospitals, and Living in Mexico** Don Karp,2013-03-07 Reading The Bumpy Road promotes self examination and encourages transformation Everyone lives a personal hero s journey The Bumpy Road shows how culture clash is a muse for creative transformation It tells the story of childhood followed by adolescent confusion A boy struggles to become a man by buying into institutions that did not work for him a marriage to a woman whose entire self concept was tied to the relationship and as a science student in academia where success is about publish or perish lies back stabbing and the old boys club The 60 s culture came and personal chaos ensued Relying on mental institutions to correct the evils of the aforementioned institutions created new problems instead But the human spirit is resilient The Bumpy Road details how the habit of going to the hospital for help was broken and a new artistic identity replaced the old one Primed for seizing cultural diversity opportunities new struggles and successes were encountered in Mexico      **Alternative Spirituality,**

**Counterculture, and European Rainbow Gatherings** Katri Ratia,2023-03-17 This book explores the phenomenon of Rainbow Gatherings in Europe These countercultural events form radically alternative temporary societies in the peripheries of modern states and manage themselves without centralized power market economy or institutionalized forms of religion The volume offers a vivid description of life in the Gatherings analyses the main ideological tenets and places the meetings in historical and cultural context It considers how the Rainbow Gathering tradition is rooted in networks of alternative spirituality and environmental counterculture but also reflects broader shifts in religion and religiosity      *Handbook of New Age* James Lewis,Daren Kemp,2007-05-30 The Handbook of New Age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars Chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the New Age movement and many different fields of knowledge and research

**Art, Space and the City** Malcolm Miles,2005-08-16 This book examines public art outside the normal confines of art criticism and places it within broader contexts of public space and gender by exploring both the aesthetic and political aspects of the medium      **Activating Human Rights** Elisabeth J. Porter,Baden Offord,2006 Papers originally presented at an international conference held in Australia 2003      *Urban Utopias* Malcolm Miles,2007-11-21 Utopia tends to generate a bad press regarded as impracticable perhaps nostalgic or contradictory when visions of a perfect world cannot accommodate

the change that is necessary to a free and self organizing society But people from diverse backgrounds are currently building a new society within the old balancing literal and metaphorical utopianism and demonstrating plural possibilities for alternative futures and types of settlement Thousands of such places exist around the world including intentional communities eco villages permaculture plots religious and secular retreats co housing projects self build schemes projects for low impact housing and activist squats in urban and rural sites This experience suggests however that when planning and design are not integral to alternative social formations the modern dream to engineer a new society cannot be realized The book is structured in four parts In part one literary and theoretical utopias from the early modern period to the nineteenth century are reconsidered Part two investigates twentieth century urban utopianism and contemporary alternative settlements focusing on social and environmental issues activism and eco village living Part three looks to wider horizons in recent practices in the non affluent world and Part four reviews a range of cases from the author s visits to specific sites This is followed by a short conclusion in which a discussion of key issues is resumed This book brings together insights from literary theoretical and practical utopias drawing out the characteristics of groups and places that are part of a new society It links today s utopian experiments to historical and literary utopias and to theoretical problems in utopian thought

*Media in Postapartheid South Africa* Sean Jacobs, 2019-03-11 A study of mass media in twenty first century South Africa offering revelations about the nature of citizenship and public engagement in our media saturated age Daniel R Magaziner author of *The Law and the Prophets* Black Consciousness in South Africa 1968 1977 In *Media in Postapartheid South Africa* Sean Jacobs turns to media politics and the consumption of media as a way to understand recent political developments in South Africa and their relations with the African continent and the world Jacobs looks at how mass media define the physical and human geography of the society and what it means for comprehending changing notions of citizenship in postapartheid South Africa Jacobs claims that the media have unprecedented control over the distribution of public goods rights claims and South Africa s integration into the global political economy in ways that were impossible under the state controlled media that dominated the apartheid years Jacobs takes a probing look at television commercials and the representation of South Africans reality television shows and South African continental expansion soap operas and postapartheid identity politics and the internet as a space for reassertions and reconfigurations of identity As South Africa becomes more integrated into the global economy Jacobs argues that local media have more weight in shaping how consumers view these products in unexpected and consequential ways

*In Search of New Age Spiritualities* Adam Possamai, 2019-01-22 The search for an adequate understanding of the New Age phenomenon is fraught with difficulties when examined within the perspectives of sociology of religion which have shed light on religion in modernity New Agers cannot be located easily in the secularisation narrative they move through fluid networks rather than settled collectivities they assemble personal syncretisms of belief myth and practice rather than subscribe to codified doctrines and prescribed rituals New Age is quickly found to be a label

that is unacceptable to many of those designated as New Agers This book advances our understanding of the so called New Age phenomenon by analysing accounts of insiders religious experience and orientations This approach is brought to bear not only on the study of written documents relating to New Age and its putative antecedents but on the analysis of in depth interviews with thirty five spiritual actors Last Cry - Native American Prophecies & Tales of the End Times Robert Ghost Wolf,2003-11-16 Last cry remains a time tested revelation about Prophecy and the coming of the Awakening Dr Ghost Wolf has the unique ability of bridging many realities Here he brings to light not only an indepth look at the teachings of the indigenous masters but he also gives us profound insights into his own remarkable gifts of prophecy as a Shaman for the Metis People and leaves us looking ahead into the 21st Century with new eyes Welcome to the Awakening **Manifesto for the Noosphere** Jose Arguelles,2011-09-06 The noosphere identified in the early twentieth century as intrinsic to the next stage of human and terrestrial evolution is defined as the Earth s mental sphere or stratum of human thought Manifesto for the Noosphere the final work by renowned author Jos Arg elles predicts that the noosphere will be fully accessed on December 21 2012 but warns that we will only successfully make this evolutionary jump through an act of collective consciousness among humans on Earth The ascension to the noosphere or Supermind using the terminology of Sri Aurobindo Arg elles says will be an unprecedented mind shift that mirrors the emergence of life itself on the planet Manifesto for the Noosphere is intended to inform and prepare humanity for the nature and magnitude of this shift Arg elles brings in the Mayan long count calendar radical theories on the nature of time advanced states of consciousness and the possible intervention of galactic intelligence He carefully details the role of the noosphere in relation to other planetary strata hydrosphere biosphere atmosphere as well as the history and nature of the biosphere noosphere transition and the intermediary phases of the technosphere and cybersphere About the Imprint EVOLVER EDITIONS promotes a new counterculture that recognizes humanity s visionary potential and takes tangible pragmatic steps to realize it EVOLVER EDITIONS explores the dynamics of personal collective and global change from a wide range of perspectives EVOLVER EDITIONS is an imprint of North Atlantic Books and is produced in collaboration with Evolver LLC *Urban Avant-Gardes* Malcolm Miles,2004-07-31 Can art or architecture change the world Is it possible to think of a new cultural avant garde today This book contributes to the debate by looking back to past avant gardes and by profiling contemporary cases of radical cultural practices **Imagined Liberation (2nd edition)** Heribert Adam,Kogila Moodley,2015-12-01 On a spectrum of hostility towards irregular migrants South Africa ranks on top Germany in the middle and Canada at the bottom South African xenophobic violence by impoverished slum dwellers is directed against fellow Africans Why would a society that liberated itself in the name of human rights turn against people who escaped human rights violations or unlivable conditions at home What happened to the expected African solidarity Why do former victims become victimizers Imagined Liberation asks what xenophobic societies can learn from other immigrant societies which avoided the backlash against

multiculturalism in Europe      **Streaming Video** Amanda D. Lotz, Ramon Lobato, 2023-05-02 How the rise of streaming services such as Netflix and Amazon Prime Video has changed television and film storytelling in countries around the globe

*The Living Theatre* John Tytell, 1995 The story of The Living Theatre is also the story of the emergence of a New York avant garde in the 1950s and the resulting counterculture of the 1960s The company was a kind of theatrical tribe creating and staging plays collectively living communally and cultivating an atmosphere of sexual openness and adventure And what a cast of characters passes through these pages Tennessee Williams Frank O Hara Anais Nin James Agee Allen Ginsberg and the Beats Jackson Pollock and the Abstract Expressionists Dorothy Day John Ashbery Peggy Guggenheim Merce Cunningham John Cage Alan Hovhaness and Maya Deren among many others Tytell has captured the mood and the artistic and political challenges of one of the most dynamic eras in American cultural history and *The Living Theatre* should be read by everyone who shares a passion for the arts and knows the sacrifices that passion at times demands
