Dearden, 1999-01-01 Despite professing a dislike of having his portrait taken John Ruskin's footsteps were dogged by portrait painters sculptors caricaturists and photographers from the cradle to the grave and beyond A thoroughly accessible book it lists and describes some 331 likenesses made between 1822 and 1998 The three introductory chapters to this book survey Ruskin portraiture and the portraits his general physical appearance throughout his life his hands his mouth his various illnesses and their effect on his appearance his clothes style of dress size tailors their bills etc These opening chapters include many descriptions and reminiscences by Ruskin's friends and acquaintances and those who portrayed him The principal part of the book deals with the individual portraits their history where and why they were made what Ruskin was doing at that time of his life and what his connection was with the artists in question He was portrayed so regularly that this section is also effectively a potted Ruskin biography based on the portraits A catalogue raisonne of the Ruskin portraits follows where the physical details of the works are listed together with details of reproductions exhibitions and provenance

Walking Loch Lomond and the Trossachs Ronald Turnbull, 2024-08-22 A guidebook to 73 walks and scrambles in the Loch Lomond and Trossachs Exploring the beauty of the national park the walks are suitable for most walkers with shorter low level routes alongside plenty of more challenging full day hikes The walks range from 3 to 28km 2 17 miles and include 21 Munro summits and plenty of Corbetts and Grahams 1 50 000 OS maps are included for each route GPX files available to download Routes are graded by length and difficulty Easy access from Glasgow and Stirling Highlights include Ben Lomond Arrochar Alps and Ben Lui *My Victorians* Robert Clark, 2019-11-01 My Victorians is a hybrid in both form and content part memoir extended lyric essay but also a work of biography photography and cultural literary and art history This is a travelogue of writer Robert Clark's attempt to work through a sudden and inexplicable five year long obsession focused on Victorian novelists artists architecture and critics He wends his way through England and Scotland meticulously tracking down the haunts of Charles Dickens George Gissing John Millais the Bloomsbury Group and others and documenting everything in ghostly photographs as he goes As Clark delves deeper into the Victorian world he wonders What can its artists offer a twenty first century writer by way of insight into his own life and work His obsession with Victoriana bleeds into all aspects of his life even the seemingly incongruous world of online dating My Victorians is in the spirit of Geoff Dyer's Out of Sheer Rage and Rebecca Mead's My Life in Middlemarch This book considers what happens when heartbreak eros faith and doubt drive us to take refuge in the past **Masculinity and the Other** Heather Ellis, Jessica Meyer, 2009-01-14 Histories of masculinity have generally examined both social ideologies of masculinity and subjective male identities within frameworks that define them against the feminine Yet historians and sociologists have increasingly argued that men have been and continue to be defined both socially and subjectively as much by their relations to other men as in relation to

women This collection brings together the work of scholars of masculinities working in a variety of fields including literature history and art history to examine some of the forms of otherness against which ideas of masculinity have been defined throughout history The collection reflects the current breadth of scholarship relating to the study of masculine alterity While the subjects addressed are largely historical the time span covered is broad and the disciplinary approaches to the subject matter are equally wide ranging A huge variety of men masculine behaviours and definitions of masculinity are considered in an exciting and invigorating collection that showcases both established academics and emerging scholars in the field

Ruskin's Artists Robert Hewison, 2017-11-22 This was first published in 2000 A study of John Ruskin's engagement with art and architecture as a critic a patron and a teacher It offers insights into both his writings and the visual economy of the Victorian world Each essay examines Ruskin's relationship with an individual artist or a distinct aspect of art practice J M W Turner D G Rossetti W Holman Hunt and E Burne Jones are among those artists discussed whose personal relationships with Ruskin affected his critical writing Ruskin's attitude to women artists and his approach to the teaching of art are given special attention

Desperate Romantics Franny Moyle, 2012-11-08 Their Bohemian lifestyle and intertwined love affairs shockingly broke 19th Century class barriers and bent the rules that governed the roles of the sexes They became defined by love triangles played out against the austere moral climate of Victorian England they outraged their contemporaries with their loves jealousies and betrayals and they stunned society when their complex moral choices led to madness and suicide or when their permissive experiments ended in addiction and death The characters are huge and vivid and remain as compelling today as they were in their own time The influential critic writer and artist John Ruskin was their father figure and his apostles included the painter Dante Gabriel Rossetti and the designer William Morris They drew extraordinary women into their circle In a move intended to raise eyebrows for its social audacity they recruited the most ravishing models they could find from the gutters of Victorian slums The saga is brought to life through the vivid letters and diaries kept by the group and the accounts written by their contemporaries These real life stories shed new light on the greatest nineteenth century British art

John Everett Millais 1829-1896 Claire Donovan, John Everett Millais, Joanne Bushnell, 1996 **Time Present and Time Past** Paul Barlow, 2017-07-05 John Everett Millais 1829 1896 is undoubtedly among the most important of Victorian artists In his day and our own he remains also the most controversial While during his lifetime controversy centred around his early Pre Raphaelite paintings in particular *Christ in the house of his Parents* 1850 during the twentieth century the most intense criticism has been directed towards Millais's later works such as *Bubbles* 1886 which has been widely condemned as sentimental kitsch These later paintings have been held up as the epitome of the degradation of art against which avant garde and Modernist pioneers struggled None of the existing literature on Millais addresses the fundamental problem that this double identity reveals While there is extensive material on the Pre Raphaelite movement in general Millais's own work after the 1850s is rarely discussed in detail despite the fact that he lived and worked for another 30 years after his

abandonment of the Pre Raphaelite style Time Present and Time Past The Art of John Everett Millais presents the first comprehensive account of Millais's artistic career from beginning to end The book considers the question of high and low cultural status in debates during Millais's own day and in subsequent critical thinking situating Millais's art as a whole within this cultural framework *Dictionary of Artists' Models* Jill Berk Jiminez, 2013-10-15 The first reference work devoted to their lives and roles this book provides information on some 200 artists models from the Renaissance to the present day Most entries are illustrated and consist of a brief biography selected works in which the model appears with location a list of further reading This will prove an invaluable reference work for art historians librarians museum and gallery curators as well as students and researchers **Effie** Suzanne Fagence Cooper, 2025-08-22 Effie Gray a beautiful and intelligent young socialite rattled the foundations of England's Victorian age Married at nineteen to John Ruskin the leading art critic of the time she found herself trapped in a loveless unconsummated union after Ruskin rejected her on their wedding night On a trip to Scotland she met John Everett Millais Ruskin's protégé and fell passionately in love with him In a daring act Effie left Ruskin had their marriage annulled and entered into a long happy marriage with Millais Suzanne Fagence Cooper has gained exclusive access to Effie's previously unseen letters and diaries to tell the complete story of this scandalous love triangle In Cooper's hands this passionate love story also becomes an important new look at the work of both Ruskin and Millais with Effie emerging as a key figure in their artistic development Effie is a heartbreakingly beautiful book about three lives passionately entwined with some of the greatest paintings of the pre Raphaelite period **Art Books** Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition *The Royal Scottish Academy, 1826-1916* Royal Scottish Academy, 1917 [A Botanical Tour in the Highlands of Perthshire](#) William Pamplin, 1857 [Pamphlets on Biology](#), 1857 **The New Yorker**, 1983 *Bibliographic Guide to Art and Architecture* New York Public Library. Art and Architecture Division, 1975 *International Dictionary of Art and Artists: Artists* James Vinson, 1990 **The Pre-Raphaelites** Tate Gallery, 1984 In recent years there have been excellent one man exhibitions of the major Pre Raphaelite artists but no really comprehensive exhibition has ever been devoted to Pre Raphaelite painting as such In mounting the present exhibition we have tried to bring together as many as possible of the essential works of the movement so as to give a more complete account than has

been possible in the past The strictly chronological arrangement we have adopted affords a unique opportunity to examine the changing affinities and divisions between the protagonists of Pre Raphaelitism as well as allowing us to re unite paintings by different artists which were first shown together in the exhibitions of the time Foreword **Library Catalog of the Metropolitan Museum of Art, New York, Second Edition, Revised and Enlarged** Metropolitan Museum of Art (New York, N.Y.). Library, 1985
