Reclaiming The Spirit Gay Men And Women Come To Terms With Religion:

Religion, Flesh, and Blood Pamela Leong, 2015-05-06 This is a case study of one congregation within the Unity Fellowship Church Movement that relies on therapeutic religion a form of religion that strives to equip individuals with psychological capital by enabling self expressions and affirmations of social differences The therapeutic ethic that characterizes this congregation has enabled some freedoms that are otherwise disallowed in traditional congregations These new freedoms inadvertently have led to certain excesses including overtly sexual language and behaviors But this is not to say that the congregation disregards conventional norms altogether or that therapy is used simply as an excuse for self indulgence Rather in spite of the occasional messiness that may arise there is something significant and deep about therapeutic religion For religious organizations serving traumatized and marginalized populations in particular therapeutic religion may be pivotal in helping to reintegrate the wounded back into the community folds **Sexuality and the World's Religions**

David Wayne Machacek, Melissa M. Wilcox, 2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals what the world's great faiths East and West preach about sexuality with a special emphasis on American religion What do the world's most important religious texts have to say about one of humanity's favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented *Sexuality and the World's Religions* explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues **Lesbian, Gay,**

Bisexual and Transgender Christians Bronwyn Fielder, Douglas Ezzy, 2017-12-14 *Lesbian Gay Bisexual and Transgender Christians* details the processes through which LGBT Christians resolve the fraught tensions between their religious sexual and gendered identities and examines the associated changes to their religious practice in the pursuit of authenticity The book moves between richly described first person accounts and clear theoretical analysis contextualising the discussion within contemporary theories of religion and same sex attraction Through careful qualitative research with LGBT Christians in the Australian Metropolitan Community Church MCC and the Uniting Church Bronwyn Fielder and Douglas Ezzy show that although painful self questioning and struggle is experienced by some LGBT Christians many people ultimately find a resolution and a sense of peace with their sexual identity as LGBT Christians The pursuit of authenticity is shown to be driven by participants essentialist understanding of sexuality and gender and the centrality of religiosity to their sense of self

Offering insight into how participants transform their relationships emotions beliefs and ritual practices in order to make this authentic life possible this study is an important contribution to the field of religion and sexuality

LGBT Studies and Queer Theory Karen Lovaas,2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

Coming Out in Christianity Melissa M. Wilcox,2003-10-03 For many Christians homosexuality is an issue that is often presented as a matter of us straight Christians versus them or worse as an isolated behavior that is a questions of behavior somehow not an intrinsic part of the identities of gays and lesbians Discussion of the issue has become so heated that it threatens to create a yawning chasm within several mainline denominations This book examines this conflict from the perspective of a group of lesbian gay bisexual and transgendered Christians It explores the life histories of these individuals and their current beliefs cultural backgrounds and community

influences to determine what helped each forge an identity as both gay and Christian Filled with the Spirit Ellen Lewin, 2018-04-24 In 2001 a collection of open and affirming churches with predominantly African American membership and a Pentecostal style of worship formed a radically new coalition The group known now as the Fellowship of Affirming Ministries or TFAM has at its core the idea of radical inclusivity the powerful assertion that everyone no matter how seemingly flawed or corrupted has holiness within Whether you are LGBT have HIV AIDS have been in prison abuse drugs or alcohol are homeless or are otherwise compromised and marginalized TFAM tells its people you are one of God's creations In Filled with the Spirit Ellen Lewin gives us a deeply empathetic ethnography of the worship and community central to TFAM telling the story of how the doctrine of radical inclusivity has expanded beyond those it originally sought to serve to encompass people of all races genders sexualities and religious backgrounds Lewin examines the seemingly paradoxical relationship between TFAM and traditional black churches focusing on how congregations and individual members reclaim the worship practices of these churches and simultaneously challenge their authority The book looks closely at how TFAM worship is legitimated and enhanced by its use of gospel music and considers the images of food and African American culture that are central to liturgical imagery as well as how understandings of personal authenticity tie into the desire to be filled with the Holy Spirit Throughout Lewin takes up what has been mostly missing from our discussions of race gender and sexuality close attention to spirituality and faith **A Special Illumination** Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Handbook of Affirmative Psychotherapy with Lesbians and Gay Men Kathleen Ritter, Anthony I. Terndrup, 2002-01-16 Grounded in current research this comprehensive volume lays the foundations for effective affirmative therapeutic practice with lesbian gay and bisexual clients Addressed are family of origin issues couple problems including sex therapy with same sex partners vocational and workplace issues and more The extensive appendix lists a broad array of publications advocacy groups and Web based resources for both professionals and consumers 12 01 Queer Jews David Shneer, Caryn Aviv, 2013-12-02 Queer Jews describes how queer Jews are changing Jewish American culture creating communities and making room for themselves as openly unapologetically queer and Jewish Combining political analysis and personal memoir these essays explore the various ways queer Jews are creating new forms of Jewish communities and institutions and demanding that Jewish communities become more inclusive *Contemporary Christianity and LGBT Sexualities* Stephen Hunt, 2016-05-13 The subject of gay and lesbian sexuality is perhaps the most

vexed issue in the contemporary Christian Church Many churches have been forced to confront the matter both theologically and pastorally and in consequence controversies have proved divisive within the Church most notably between conservative and liberal orientated denominations as well as evangelical churches This book explores these themes from a sociological perspective addressing not only gay and lesbian sexualities but also bi and transgendered sexualities With rich empirical material being presented by a team of experts this book constitutes the first comprehensive sociological study of non hetero sexualities in relation to contemporary Christianity As such it will appeal to sociologists scholars of religion and theology as well as readers across a range of social sciences

Downloading Reclaiming The Spirit Gay Men And Women Come To Terms With Religion provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reclaiming The Spirit Gay Men And Women Come To Terms With Religion has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reclaiming The Spirit Gay Men And Women Come To Terms With Religion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reclaiming The Spirit Gay Men And Women Come To

Terms With Religion. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reclaiming The Spirit Gay Men And Women Come To Terms With Religion, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reclaiming The Spirit Gay Men And Women Come To Terms With Religion has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
