Criblez,2013-05-15 Parading Patriotism covers a critical fifty year period in the nineteenth century when the American nation was starting to expand and cities across the Midwest were experiencing rapid urbanization and industrialization Historian Adam Criblez offers a unique and fascinating study of five midwestern cities Chicago Cincinnati Cleveland Columbus and Indianapolis and how celebrations of the Fourth of July in each of them formed a microcosm for the country as a whole in defining and establishing patriotic nationalism and new conceptions of what it was like to be an American Criblez exposes a rich tapestry of mid century midwestern social and political life by focusing on the nationalistic rites of Independence Day He shows how the

celebratory facade often masked deep seated tensions involving such things as race ethnicity social class political party religion and even gender Urban celebrations in these cities often turned violent with incidents marked by ethnic conflict racial turmoil and excessive drunkenness The celebration of Independence Day became an important political cultural and religious ritual on social calendars throughout this time period and Criblez illustrates how the Midwest adapted cultural developments from outside the region brought by European immigrants and westward migrants from eastern states like New York Virginia and Massachusetts The concepts of American homegrown nationalism were forged in the five highlighted midwestern cities as the new country came to terms with its own independence and how historical memory and elements of zealous and belligerent patriotism came together to construct a new and unique national identity This ground breaking book draws on both unpublished sources including diaries manuscript collections and journals and copious but under utilized print resources from the region newspapers periodicals travelogues and pamphlets to uncover the roots of how the Fourth of July holiday is celebrated today Criblez s insightful book shows how political independence and republican government was promoted through rituals and ceremonies that were forged in the wake of this historical moment *Catalogue of the Library of the Peabody Institute of the City of Baltimore* Anonymous, 2025-07-30 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
