Runaway Bunny into deeper cuts reveals how Brown's oeuvre bridges multiple disciplines including writing visual art philosophy and music Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars The quality of Brown's writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death As this book demonstrates Margaret Wise Brown remains one of the truly great authors of children's literature *Jolie Gentil Books 12 to 14 Plus the Prequel* Elaine L.
