Red Men Calling On The Great White Fathe:

Red Men Calling on the Great White Father Katharine C. Turner, 1951 Told with deep understanding and clarity the stories of the meeting of these Indians with presidents produce sympathy for the dispossessed red men and a feeling of the injustice of our Indian policy yet at the same time there is something romantically thrilling in the impassioned prayers and the native dignity of these proud Indian chieftains Dust jacket

Diplomats in Buckskins Herman J. Viola, 1995 Here is one of the most important books in modern times on Indian white relations Western Historical Quarterly Dr Viola has provided us with what will undoubtedly be the last word on the topic American Indian Quarterly Diplomats in Buckskins is loaded with historical fact but this does not make it dry reading Beyond being extremely entertained we can be educated by a work that tells us a lot more about ourselves as a nation We are a people of so many origins It gives perspective to know that a part of us once negotiated with another part as separate and sovereign nations Minnesota History This volume is a soundly represented and imaginative study of the delegations of tribal representatives who visited Washington largely between 1800 and 1900 The diligence with which Dr Viola pursued his research has enabled him to write a most rewarding book which captures the agonies and pleasures successes and defeats and humor and pathos of the delegates as they conferred with Washington s sympathetic but mostly patronizing and diffident bureaucracy Journal of the West

The Black Hawk War of 1832 Patrick J. Jung, 2008-08-01 In 1832 facing white expansion the Sauk warrior Black Hawk attempted to forge a pan Indian alliance to preserve the homelands of the confederated Sauk and Fox tribes on the eastern bank of the Mississippi Here Patrick J Jung re examines the causes course and consequences of the ensuing war with the United States a conflict that decimated Black Hawk s band Correcting mistakes that plagued previous histories and drawing on recent ethnohistorical interpretations Jung shows that the outcome can be understood only by discussing the complexity of intertribal rivalry military ineptitude and racial dynamics

The ^AChiefs Now in This City Colin Calloway, 2021-04-13 America s founding involved and required the melding of cultures and communities a redefinition of frontier and boundaries in every possible sense Using the accounts of Native leaders who visited cities in the Early Republic Calloway s book reorients the story of that founding Violent resistance was just one of many Native responses to colonialism Peaceful interaction was far more the norm and while less dramatic and therefore less covered far more important in its effects
