Riding Recollections:

Riding recollections George John Whyte-Melville,1898 **Riding Recollections** Whyte-Melville,2015-06-24 Excerpt from *Riding Recollections* As in the choice of a horse and a wife a man must please himself ignoring the opinion and advice of friends so in the governing of each it is unwise to follow out any fixed system of discipline Much depends on temper education mutual understanding and surrounding circumstances Courage must not be heated to recklessness caution should be implied rather than exhibited and confidence is simply a question of time and place It is as difficult to explain by precept or demonstrate by example how force balance and persuasion ought to be combined in horsemanship as to teach the art of floating in the water or swimming on the back Practice in either case alone makes perfect and he is the most apt pupil who brings to his lesson a good opinion of his own powers and implicit reliance on that which carries him Trust the element or the animal and you ride aloft superior to danger but with misgiving comes confusion effort breathlessness possibly collapse and defeat About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Riding Recollections - Horsemanship and Hunting G. J. Whyte-Melville,2008-11-01 Originally published around the turn of the century the author offers advice based on a lifetime s experience of riding and hunting The first sections of the book focus on horsemanship and the latter half primarily on the hunting field The book has much advice and information of practical use to today s rider Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Hesperides Press are republishing these classic works in affordable high quality modern editions using the original text and artwork Contents Include Author s Preface Kindness Coercion The Use of the Bridle The Abuse of the Spur Hand Seat Valour Discretion Irish Hunters Thoroughbred Horses Riding to Fox Hounds Riding at Stag Hounds The Provinces The Shires **Riding Recollections** George John Whyte-Melville,1890 *Riding Recollections and Turf Stories* Henry Custance,1894 *Riding Recollections* G. Riding Recollections and Turf Stories Henry Custance,2015-06-25 Excerpt from *Riding Recollections and Turf Stories* I Have often been asked the question Why don t you write a book of your turf experiences This inquiry often repeated and the controversy which there has been of late over reminiscences of turf history of forty or fifty years ago have emboldened me to try to amuse my patrons and friends with an account of a few incidents and stories of a more modern date which have come within my own experience of the turf an experience which extends over the past thirty six years and must be the justification of my attempt I must ask my readers not to consider my book from a literary point of view About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

One of the significant advantages of Riding Recollections books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
