Marion Gibson

Riding The Night Mare Women And Witchcraft Women And Witchcraft:

Riding the Nightmare Selma R. Williams, Pamela Williams Adelman, 1992 The author shows how myths folk art and church dogma and politics linked up during the craze that sent as many as a million people 90% of them women to the gallows

Demonology and Witchcraft Jean-Pierre Coumont, 2021-11-01 Extensive bibliography on demonology and witchcraft systematically describing all materials including books monographs conference reports and doctoral dissertations covering these subjects subjects from the 15th century to the 21st century 5000 entries and indices on author subject and anonymous works

Witchcraft in the British Isles and New England Brian P. Levack, 2013-10-28 Witchcraft and magical beliefs have captivated historians and artists for millennia and stimulated an extraordinary amount of research among scholars in a wide range of disciplines This new collection from the editor of the highly acclaimed 1992 set *Articles on Witchcraft Magic and Demonology* extends the earlier volumes by bringing together the most important articles of the past twenty years and covering the profound changes in scholarly perspective over the past two decades Featuring thematically organized papers from a broad spectrum of publications the volumes in this set encompass the key issues and approaches to witchcraft research in fields such as gender studies anthropology sociology literature history psychology and law This new collection provides students and researchers with an invaluable resource comprising the most important and influential discussions on this topic A useful introductory essay written by the editor precedes each volume

Godly Zeal and Furious Rage (RLE Witchcraft) Geoffrey Quaife, 2012-05-23 Though it is clearly an exceptionally important part of popular culture witchcraft has generated a variety of often contradictory interpretations starting from widely differing premises about the nature of witchcraft its social role and the importance of higher theology as well as more popular beliefs This work offers a conspectus of historical work on witchcraft in Europe and shows how many trends converged to form the figure of the witch and varied from one part of Europe to another

Gender and Witchcraft Brian Paul Levack, 2001

Gender and Witchcraft Brian P. Levack, 2013-08-06 Witchcraft and magical beliefs have captivated historians and artists for millennia and stimulated an extraordinary amount of research among scholars in a wide range of disciplines This new collection from the editor of the highly acclaimed 1992 set *Articles on Witchcraft Magic and Demonology* extends the earlier volumes by bringing together the most important articles of the past twenty years and covering the profound changes in scholarly perspective over the past two decades Featuring thematically organized papers from a broad spectrum of publications the volumes in this set encompass the key issues and approaches to witchcraft research in fields such as gender studies anthropology sociology literature history psychology and law This new collection provides students and researchers with an invaluable resource comprising the most important and influential discussions on this topic A useful introductory essay written by the editor precedes each volume

The Witches Stacy Schiff, 2015-10-27 The Pulitzer Prize winning author of *Cleopatra* the 1 national bestseller unpacks the mystery of the Salem Witch Trials It began in 1692 over an exceptionally raw Massachusetts

winter when a minister's daughter began to scream and convulse. It ended less than a year later but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *The Witches* is Stacy Schiff's account of this fantastical story, the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

[The Encyclopedia of Witches, Witchcraft and Wicca](#) Rosemary Guiley, 2010-05-12. Presents a comprehensive reference guide with more than 480 entries on the subject of witchcraft.

Witchcraft Myths in American Culture Marion Gibson, 2012-08-21. A fascinating examination of how Americans think about and write about witches from the real witches tried and sometimes executed in early New England to modern reimaginings of witches as pagan priestesses, comic strip heroines and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700 and a rethinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing and visual culture. The discussion includes references to everything from Increase Mather and Edgar Allan Poe to Joss Whedon, the writer/director of *Buffy the Vampire Slayer*, which includes a Wiccan character and *The Blair Witch Project*.

Spellbound Elizabeth Reis, 1998-06-01. *Spellbound: Women and Witchcraft in America* is a collection of twelve articles that explore crucial events in the history of witch hunting and its demonization of women in America and American women's own use of witchcraft as a source of identity and strength, as well as the complicated relationship between the two. Beginning with the accused witches of colonial America, *Spellbound* extends its focus through the nineteenth century to explore women's involvement with alternative spiritualities and culminates with examinations of the contemporary feminist neopagan and Goddess movements.

If you ally need such a referred **Riding The Night Mare Women And Witchcraft Women And Witchcraft** book that will allow you worth, acquire the utterly best seller from us currently from several preferred authors.
