Right Madness On Skye 1st Edition:

The Right Madness on Skye: Poems Richard Hugo, 1980-05-17 In an essay on Richard Hugo the poet James Wright called him one of the precious few poets of our age who has and sustains an abiding vision Hugo took that vision to Skye with him he makes Scottish history legends and triggering towns his own in these new poems just as he has earlier done in poems of the American West And in making them his own he makes them our own as well He continues to be in Wright's words a great poet true to our difficult life In September of 1977 Richard Hugo and his family went to live for several months on the Isle of Skye off the coast of Scotland One of the results of that experience is this new and impressive volume of poems
