Joseph Roth

Right And Left And The Legend Of The Holy Drinker:

Right and Left Joseph Roth, 2004-02-24 Set in Berlin in the 1920s this is the story of the two sons of the banker Felix Bernheim Paul is gifted and opportunistic determined to further his career whatever the cost Theodor is a journalist and an early convert of fascism

Understanding Joseph Roth Sidney Rosenfeld, 2020-06-16 Unravels an internationally esteemed author's quest for a homeland A writer described as a Jew in search of a fatherland and a wanderer in flight toward a tragic end the Austrian writer Joseph Roth 1894-1939 spent his life in pursuit of a national and cultural identity and his final years writing in fervent opposition to the Third Reich In this introduction to Roth's novels which include *Job* and *The Radetzky March* Sidney Rosenfeld demonstrates how the experience of homelessness not only shaped Roth's life but also decisively defined his body of work Rosenfeld suggests that more than any other component of Roth's varied fiction his skillful portrayals of uprootedness and the search for home explain his international appeal which has grown in recent decades with the translation of his works into English Rosenfeld examines Roth's obsession with the question of belonging tracing it to his boyhood in the Slavic Jewish Austrian Crown land of Galicia Illustrating how Roth's quest determined his most typical themes and gave rise to the Jewish Slavic melancholy that permeates his narratives Rosenfeld includes readings of the early novels Through this fiction Roth quickly established his reputation as a literary chronicler of both the final years of the Habsburg monarchy and the lost world of East European Jewry Rosenfeld describes Roth's flight from Berlin upon Hitler's ascent to power in January 1933 and his precarious existence as an exile While copies of Roth's works went up in flames in Nazi book burnings the novelist moved from one European city to another living in hotels and writing at caf tables From the time of his exile until his death in Paris just months before the outbreak of the Second World War Roth produced six novels as well as shorter works of fiction and a steady flow of journalism denouncing the Third Reich Rosenfeld's critical readings of the novels written during Roth's exile connect them with the novelist's prescient estimate of Hitler's intentions and his own longing for a sovereign Austria

The Tale of the 1002nd Night Joseph Roth, 2025-06-25 Vienna of the late nineteenth century with its contrasting images of pomp and profound melancholy provides the backdrop for Joseph Roth's final novel which he completed in exile a few years before his tragic death in 1939 *The Tale of the 1002nd Night* is a brilliant allegorical tale of seduction and personal and societal ruin set amidst exquisite wistful descriptions of a waning aristocratic age and provides an essential link to our understanding of Roth's extraordinary fictive powers

What I Saw Joseph Roth, 2011-08-01 Joseph Roth is now recognized as one of the twentieth century's great writers Anthony Heilbut Los Angeles Times Book Review The Joseph Roth revival has finally gone mainstream with the thunderous reception for *What I Saw* a book that has become a classic with five hardcover printings Glowingly reviewed *What I Saw* introduces a new generation to the genius of this tortured author with its nonstop brilliance irresistible charm and continuing relevance Jeffrey Eugenides New York Times Book Review As if anticipating Christopher Isherwood the book re-creates the tragicomic world of 1920s Berlin as seen by its

greatest journalistic eyewitness In 1920 Joseph Roth the most renowned German correspondent of his age arrived in Berlin the capital of the Weimar Republic He produced a series of impressionistic and political essays that influenced an entire generation of writers including Thomas Mann and the young Christopher Isherwood Translated and collected here for the first time these pieces record the violent social and political paroxysms that constantly threatened to undo the fragile democracy that was the Weimar Republic Roth like no other German writer of his time ventured beyond Berlin's official veneer to the heart of the city chronicling the lives of its forgotten inhabitants the war cripples the Jewish immigrants from the Pale the criminals the bathhouse denizens and the nameless dead who filled the morgues Warning early on of the dangers posed by the Nazis Roth evoked a landscape of moral bankruptcy and debauched beauty a memorable portrait of a city and a time of commingled hope and chaos What I Saw like no other existing work records the violent social and political paroxysms that compromised and ultimately destroyed the precarious democracy that was the Weimar Republic

The Wandering Jews Joseph Roth, 2014-08-25 The classic portrait of a vanished people Every few decades a book is published that shapes Jewish consciousness One thinks of Wiesel's Night or Levi's Survival in Auschwitz But in 1927 years before these works were written Joseph Roth 1894-1939 composed The Wandering Jews In these stunning dispatches written when Roth was a correspondent in Berlin during the whirlwind period of Weimar Germany he warned of the false comforts of Jewish assimilation laid bare the schism between Eastern and Western Jews and at times prophesied the horrors posed by Nazism The Wandering Jews remains as vital today as when it was first published A book of impassioned reportage and polemic it is impossible not to feel a sympathetic wonder Michael Andre Bernstein The New Republic In these disturbing yet strikingly illuminating pages the truth of Jewish destiny from long ago vibrates and sings Elie Wiesel No other writer has come so close to achieving the wholeness that Lukacs cites as our impossible aim Nadine Gordimer What a marvelous writer Read him now You can thank me later Michael Dirda Washington Post Book World Captures and encapsulates Europe in those uncertain hours before the upheaval of a continent and the annihilation of a civilization Cynthia Ozick author of Quarrel and Quandary A writer well worth adding to the short list of giants such as Thomas Mann Elie Wiesel and Primo Levi Hadassah Magazine Sanford Pinsker

The Collected Stories of Joseph Roth Joseph Roth, 2002 Appearing in English for the first time The Collected Stories of Joseph Roth is a remarkable achievement with 17 novellas and stories that echo the intensity and achievement of his greatest novel The Radetzky March These short works each a stunning example of Roth's legendary explorations of character reflect an enduring and tragic sensibility that stands alone in the annals of 20th century fiction

Flight Without End Joseph Roth, 2002-12-31 From the celebrated author of The Radetzky March comes the tragic story of a WWI officer caught in the tumult of a world on the verge of modernity As an Austro-Hungarian officer on the Eastern Front of World War I Franz Tunda was captured by the Russians and sent to Siberia Dreaming of a return to his life in Vienna he escapes from prison only to get caught up in the Russian Revolution fall in love and fight for the Bolshevik cause Upon

finally returning to Europe Tunda finds that the old order is gone and the Europe he once knew has changed utterly Disillusioned and without a land to call home Joseph Roth's tragic hero is a masterful expression of the archetypal modern man taken up by the currents of history

The Hotel Years Joseph Roth, 2015-09-03 The first overview of all Joseph Roth's journalism traveling across a Europe in crisis he declares I am a hotel citizen a hotel patriot The Hotel Years gathers sixty four feuilletons on hotels pains and pleasures personalities and the deteriorating international situation of the 1930s Never before translated into English these pieces begin in Vienna just at the end of the First World War and end in Paris near the outbreak of the Second World War Roth the great journalist of his day needed journalism to survive in his six volume collected works in German there are three of fiction and three of journalism Beginning in 1921 Roth wrote mostly for the liberal Frankfurter Zeitung who sent him on assignments throughout Germany the inflation the occupation political assassinations and abroad to the USSR Italy Poland and Albania And always I celebrate my return to lobby and chandelier porter and chambermaid

Confession of a Murderer Joseph Roth, 2002-12-31 An exiled Russian spy shares his dramatic life story from a Paris restaurant in this novel by the author of The Radetzky March In a Russian restaurant on Paris's Left Bank Russian exile Golubchik alternately fascinates and horrifies a rapt audience with a wild story of collaboration deception and murder in the days leading up to the Russian Revolution Praise for Confession of a Murderer Worthy to sit beside Conrad's and Dostoevsky's excursions into the twisted world of secret agents Joseph Roth is one of the great writers in German of this century and this novel is a fine introduction to this view of intrigue necessity and moral doubt The Times London

The Emperor's Tomb Joseph Roth, 2013-04-22 An intensely beautiful book about one of history's bleakest periods

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Right And Left And The Legend Of The Holy Drinker** .
