Youth Crime and Justice Barry Goldson, John Muncie, 2006-05-15 Youth Crime and Justice presents a detailed and comprehensive critical analysis of evidence from leading national and international scholars. As such, it provides a powerful antidote to the excesses of contemporary correctionalism. Professor Andrew Rutherford, University of Southampton, Youth Crime and Justice is the most comprehensive and up-to-date collection on the market today. A must for all researchers, teachers, and students of youth justice. Professor Tim Newburn, London School of Economics and Political Science and President of the British Society of Criminology. For the first time, leading national and international scholars have been brought together to engage explicitly with a comprehensive critical assessment of the relation between evidence and contemporary youth justice policy formation.
