Rimbaud Ecrivains De Toujours

Philippe Choulet, Philippe Rivière

Rimbaud Ecrivains De Toujours:

Rimbaud Y. Bonnefoy, 1979 Rimbaud Arthur Rimbaud, Yves Bonnefoy, 1961 **Rimbaud's Theatre of the Self** James R. Lawler, 1992 In a new interpretation of a poet who has swayed the course of modern poetry in France and elsewhere James Lawler focuses on what he demonstrates is the crux of Rimbaud's imagination the masks and adopted personas with which he regularly tested his identity and his art A drama emerges in Lawler's urbane and resourceful reading The thinking feeling acting Drunken Boat is an early theatrical projection of the poet's self the Inventor the Memorialist and the Ing nu assume distinct roles in his later verse It is however in Illuminations and Une Saison en enfer that Rimbaud enacts most powerfully his grandiose dreams Here the poet becomes Self Creator Self Critic Self Ironist he takes the parts of Floodmaker Oriental Storyteller Dreamer Lover and he recounts his descent into Hell in the guise of a Confessor In delineating and exploring the poet's theatre of the self Lawler shows us the tragic lucidity and the dramatic coherence of Rimbaud's work **Dream, Creativity, and Madness in Nineteenth-Century France** Tony James, 1995-12-28 This is an important new analysis of the problematic relationship between dreams and madness as perceived by nineteenth century French writers thinkers and doctors Those wishing to know the nature of madness wrote Voltaire should observe their dreams The relationship between the dream state and madness is a key theme of nineteenth century European and specifically French thought The meaning of dreams and associated phenomena such as somnambulism ecstasy and hallucinations including those induced by hashish preoccupied writers philosophers and psychiatrists In this path breaking cross disciplinary study Tony James shows how doctors such as Esquirol L lut and Janet thinkers including Maine de Biran and Taine and writers for example Balzac Nerval Baudelaire Victor Hugo and Rimbaud grappled in very different ways with the problems raised by the so called phenomena of sleep Were historical figures such as Socrates or Pascal in fact mad Might dream be a source of creativity rather than a merely subsidiary automatic function What of lucid dreaming By exploring these questions Dreams Madness and Creativity in Nineteenth Century France makes good a considerable gap in the history of pre Freudian psychology and sheds new and fascinating light on the central French writers of the period Recreating the World/Word Lynda D. McNeil, 1992-07-01 This book combines interdisciplinary and comparatist approaches anthropology philosophy psychology and language in the investigation of the mythic mode of thought and language in the post Symbolist poets Arthur Rimbaud Georg Trakl Hart Crane and Charles Olson Part One covers the philosophical tradition from Gottfried Herder to Ernst Cassirer Part Two includes close analytical readings of individual poems by these authors as they enact the mythic mode The conclusion relates the mythic mode to feminist studies of thought and language *Poetry and Cosmogony* Chris Andrews, 2023-11-20 Faux Titre est une collection d'études en littérature française Depuis cinquante ans d'ailleurs elle offre une sélection d'essais de haute envergure couvrant l'ensemble du domaine de la recherche littéraire de la littérature médiévale jusqu'à l'extrême contemporain La collection offre également une plateforme pour de nouvelles pistes de recherche comme les
