Rising Antichrist Is Born:

The Rising Tim LaHaye, Jerry B. Jenkins, 2005 The countdown to Rapture begins as Marilena Carpathia unknowingly gives birth to the Antichrist and half a world away God's plans begin to take form in young Ray Steele **The Rising** Tim LaHaye, 2014-12 *The Rising* Tim F. LaHaye, 2005 **The Left Behind Fantasy** William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense **The Apocalypse Is Everywhere** Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them *The Apocalypse Is Everywhere A Popular History of America's Favorite Nightmare* explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes **The End of Meaning** Matthew Gumpert, 2012-04-25 The specter of the apocalypse has always been a semiotic fantasy only at the end of all things will their true meaning be revealed Our long romance with catastrophe is inseparable from the Western hermeneutical tradition our search for an elusive truth one that can only be uncovered through the interminable work of interpretation Catastrophe terrifies and tantalizes to the extent it promises an end to this task 9 11 is this book's beginning but not its end Here it seemed was the apocalypse America had long been waiting for until it became just another event And indeed the real lesson of 9 11 may be that catastrophe is the purest form of the event From the poetry of classical Greece to the popular culture of

contemporary America The End of Meaning seeks to demonstrate that catastrophe precisely as the notion of the sui generis has always been generic This is not a book on the great catastrophes of the West it offers no canon of catastrophe no history of the catastrophic The End of Meaning asks instead what if meaning itself is a catastrophe

Plotting Apocalypse Jennie Chapman, 2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics

Left Behind Answered Verse by David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy
