make up to keep the real one at bay there is Good And there is Bad Or as my old RE teacher called them conceptual scaffolding And you think oh great here we go But let s not be cynical Not yet Because Good and Bad while annoyingly slippery still matter They re the language we use to navigate the moral minefield between should I help that stranger pick up their shopping and should I comment on this article without reading it Now in theory this should be easy Good helps people Bad hurts people But in practice as in supermarkets and geopolitics it gets complicated Because people are lazy with words We use bad when we mean undesirable and good when we mean that thing I want because it feels nice It s the moral equivalent of calling all pasta spaghetti It s wrong But not capital W wrong Just weeknight wrong Take graffiti Some call it vandalism Others call it street art Some of it s Banksy Some of it is just rude words badly spelled Is it good Is it bad Depends who you ask But here s the thing Desirable and good aren t synonyms They re like housemates who tolerate each other but never quite get along Desire is wanting Goodness is giving One is a strong feeling The other is a choice Usually the inconvenient one I used to think that if something felt right it probably was right That lasted until I tried online dating and over drafted my sense of moral clarity Some people say Good and Bad are subjective influenced by culture upbringing whether or not you ve had your coffee yet But that word subjective is a bit of a theological get out of jail free card isn t it A weasel word if you ask me It lets us off the hook just when we should be grabbing it Because sometimes Bad is just Bad Lying hurting hoarding shaming these aren t neutral acts They re not just unhelpful content They re wrong Not aesthetically wrong Morally wrong Capital W Goodness then is action Not just intent It s not a scented candle or a personal brand It s feeding someone forgiving someone speaking up shutting up

A Farewell Charge: Joshua's Leadership Commissioned Ahmed Musa ,2024-12-12 A new leader rises A nation embarks on its destiny The charge to be strong and courageous As Moses time came to a close the mantle of leadership passed to Joshua a man chosen by God to lead Israel into the Promised Land In his farewell charge Moses empowered Joshua with a divine commission one that called for strength courage and unshakable trust in God s presence A Farewell Charge Joshua s Leadership Commissioned explores the pivotal moment when God appointed Joshua to continue the work that Moses had begun and how Joshua s leadership marked the beginning of a new chapter in Israel s history In A Farewell Charge Joshua s Leadership Commissioned you will discover The essence of Moses farewell charge to Joshua and how his words were not only a passing of leadership but a profound call to faithfulness courage and obedience The critical importance of leadership transitions and how Joshua s commissioning by God was essential for guiding the Israelites into the fulfillment of God s promises How Joshua s faithfulness as a leader was rooted in his personal relationship with God and how he relied on divine guidance to navigate the challenges ahead The concept of strength and courage as key elements of godly leadership and how these virtues are just as essential for us today in the face of uncertainty and adversity How Joshua s leadership demonstrates the importance of leading with humility remembering God s faithfulness and empowering others to follow God s call Joshua s leadership didn t begin with a grand vision of success it began with a

charge to trust God wholeheartedly and lead with strength and courage His commissioning serves as a timeless reminder to all leaders whether in the church the workplace or at home that true leadership is not about control but about obedience to God s commands and trusting in His promises How are you leading others in your life What does it mean to be strong and courageous in the face of your own challenges Leadership is not about power it s about following God s call and leading others toward His purposes Joshua s charge reminds us that with God s presence and promise we can accomplish anything He sets before us Step into A Farewell Charge and discover the qualities that make for godly leadership With faith in God we are equipped to lead with courage fulfill His purpose and pass on a legacy that will endure for generations to come

Breakthrough Leadership Terry Lee, 2019-08-01 This book is an introduction to breakthrough leadership It is a new frontier in leadership because it is concerned not only with what leaders do but also with the impact they have on the people they lead It is based on a decade of applied research into three key issues What is it that leaders do to inspire the people they lead What are the impediments to the development of potential that these leaders help their people to break through How can organizations build competitive advantage by unlocking this potential in their workforce In essence breakthrough leadership is the process by which leaders inspire their followers to grow to perform and to develop more of their potential They do this by helping them to remove the impediments to that development A great deal of the limitations that people experience in their work is self imposed and related to self limiting thinking This book identifies the six distinctive behaviors that leaders adopt which can help their people to break through this self limiting thinking Organizations today have moved toward performance cultures in their search for growth Managers globally have been trained in the skills of performance leadership and as a consequence there have been great gains in productivity The next productivity leaps for organizations will come from realizing the untapped talent that exists in the workforce This book is the culmination of a decade of work with companies such as CSL Cisco Systems Wesfarmers and Fuji Xerox into change and transformational leadership

The Betrayal of Faith: How Evangelical Leaders Abandoned Truth for Leftist Ideals Gayle Zavala, Unmasking the Shadows The Betrayal of Faith This startling expos uncovers the clandestine alliance between Evangelical leaders and Leftist ideologies revealing a profound betrayal of Christian principles The book meticulously traces the insidious erosion of Evangelical values exposing the insidious forces that have corrupted its core Step into a world where unwavering beliefs have been shattered and once trusted leaders have led their followers astray Witness firsthand the devastating consequences as churches embrace progressive doctrines that contradict the very foundations of Christianity The Betrayal of Faith

chronicles the subtle and not so subtle shifts in Evangelical teachings from the rejection of biblical authority to the embrace of social justice as the ultimate goal. It exposes the hollowing out of spiritual truth replaced by a distorted gospel that conforms to secular dictates. But this is not merely a tale of disappointment. It is a call to action urging Christians to reclaim their faith from those who have subverted it. The book empowers readers to discern truth from falsehood to stand firm in the face of deceptive doctrines and to rebuild a Christianity that is rooted in the unyielding principles of Scripture.

Developmental Agile Leadership Timothy J. Kloppenborg, Kam Jugdev, 2025-10-24 Leadership doesn't have to be heroic, especially in a changing world. *Developmental Agile Leadership* offers a practical and human-centered approach to growing resilient adaptive teams through trust, learning, and shared purpose. This book blends Agile, developmental, and servant leadership to help leaders support rather than control collaborative self-managed teams and stakeholder relationships. As work becomes more complex, uncertain, and fast-paced, project leaders must lead differently. This book equips readers to foster trust, promote learning, agility, and inspire hope. It emphasizes leadership as a shared responsibility, something that can emerge at any level when the right conditions are in place. Readers will gain tools to lead from behind, facilitate effective feedback loops, resolve conflict constructively, and support others in stepping into leadership roles. With learning goals, reflection prompts, and actionable practices, *Developmental Agile Leadership* turns big ideas into everyday leadership habits. Written for project managers, sponsors, Scrum Masters, team leads, product owners, and stakeholder-facing consultants, this book is also valuable to educators and emerging leaders interested in developing their leadership capacity and that of others.

Leadership Without Permission Gavin Birch, You don't need a title to make an impact. In *Leadership Without Permission*, Gavin Birch flips the script on traditional leadership and shows how real influence comes not from job titles but from courage, clarity, and conviction. This is a guide for the changemakers, the quiet disruptors, the ones tired of waiting to be picked. With practical tools, sharp insights, and energising stories from those leading from the ground up, Birch empowers you to take ownership, step forward, and lead wherever you are. No permission required. Whether you're an intern or an executive, *Leadership Without Permission* will challenge you to stop playing small and start showing up as the leader your team, your company, and the world needs. It's time to lead. And no one has to say it's okay.
