Risk And Citizenship Key Issues In Welfare:

Risk and Citizenship Rosalind Edwards, Judith Glover, 2002-09-11 Contemporary welfare provision poses serious challenges for social policy. Large and rapid changes are said to be taking place in the way we live, work and relate to each other, characterised by anxiety and insecurity. Risk and Citizenship explores how new and different forms of citizenship are evolving in the context of this risk society and the implications for the development of social policy at both the macro and micro level. This spirited and informed collection of papers by leading analysts addresses key questions related to welfare, citizenship and risk, including the nature of insecurity and social protection, the balance between inequality and egalitarianism, the relationship between governments and citizens, the parameters of citizenship and the impact of risk assessment and risk management. Risk and Citizenship offers a thought-provoking reading for student, practitioner or policy maker. It provides a review of current debates about risk, citizenship and welfare in depth, analysis of specific policy initiatives in social security and community care, a new typology of welfare citizenship.

Key Themes in Social Policy Patricia Kennedy, 2013 Key Themes in Social Policy provides an accessible and authoritative introduction to the key concepts used in social policy, from autonomy to wellbeing. With over 100 ideas discussed, this is a comprehensive student guide and is designed to help readers to gain a deeper understanding of major debates and issues. Each entry explains the origin of the word, discusses its relationship to the social sciences, describes its relevance to social policy and how widespread its use is, outlines some of the key thinkers and research on the topic and gives suggestions for further reading. Making it easy to understand and use the most important ideas in the area, this is an essential companion for all students taking social policy courses.

Risk in Social Science Peter Taylor-Gooby, Jens O. Zinn, 2006-10-05 Intended for students and scholars from the social sciences, this is an introduction to work on risk. It discusses the basic issues in risk research and examines some of the key themes in this field, looking at topics such as the media, crime, the environment and social inequality.

Ethics in Qualitative Research Melanie Mauthner, Melanie L. Mauthner, Maxine Birch, 2002 This title examines the theoretical and practical aspects of ethical dilemmas in qualitative research.

A Caring Society? MICHAEL D. FINE, 2018-07-09 In the twenty-first century, characterized by population aging, family fragmentation and the entry of women into the paid workforce, caring has become a major public issue. This book offers a comparative analysis of the sociology, philosophy and emergent practices of care in the context of the political economy of post-industrial societies.

Understanding Social Citizenship Peter Dwyer, 2010-06-09 This accessible textbook provides students with the knowledge and background they need to understand the concept of citizenship in the UK, the EU and global institutions. The book combines an outline of competing perspectives on citizenship with an evaluation and appreciation of the implications that class, gender, ethnicity, disability and age may have for the social and citizenship status of certain individuals and groups. It offers a clear sense of the history of citizenship and the key theoretical debates that have informed contemporary understandings of the concept. Fully revised and

updated this second edition includes a new chapter on ageing and older citizens plus new topical sections The book's easy to digest text boxes will aid learning and teaching Mixed Methods Research in Poverty and Vulnerability Keetie
