Rites Of Passage Journeys Paperback:

Feast for the Journey Karen Lee Turner, Nevin Compton Trammell, 2011 Feast for the Journey is an enriching guide for individuals and small groups who want creative ways to cultivate a meaningful life in the midst of hectic and uncertain times. If you long for a renewed spark, clearer direction, more confidence in your choices, fresh ways to make a difference, and self-care that isn't selfish, Feast for the Journey offers four soul-satisfying hands-on courses that will lead you through an eye-opening self-assessment that reveals what's most important in your life's story. Four new practices to help you cultivate a life that matters, starting wherever you are. Practical tips for finding and freeing your voice in love, work, and everyday life. Creative ways to celebrate and honor the changes and seasons you're going through. On whatever path you find yourself, Feast for the Journey invites you to try a new vision and direction for moving forward, all in a nourishing, peaceful, and creative setting. KAREN LEE TURNER has designed, taught, and refined the courses offered in Feast for the Journey for more than twenty years. An artist, musician, college professor, and retreat leader, she has a doctorate in education from Peabody of Vanderbilt University and writes in her backyard studio shed in Nashville, Tennessee. She is joined by NEVIN COMPTON TRAMMELL, career expert, poet, activist, and author of *Cream Soda Blues*. He is a licensed clinical social worker with a doctorate from Vanderbilt University. Whether you're starting out, starting over, or somewhere in between, Feast for the Journey is a rare book for anyone wondering, "What's next in my life?" Joe Calloway, author of *Becoming A Category of One*, *Never By Chance*, and *Indispensable*. This is good stuff: a journal, a workbook, a confessional memoir, a scholarly text, a resource manual, and a story. Woven together, it is indeed a new sort of book. Dale Brown, Director of the Buechner Institute and author of *The Book of Buechner*. Anyone who senses the soul's deep longing for celebration, restoration, delight, and movement toward something more will find their place at the beautifully hospitable table set for Feast for the Journey. Pamela C. Hawkins, author of *The Awkward Season* and *Simply Wait*. **Accidental Journey** Mark Lynton, 1998-01-01 During the early years of World War II, the author, a German Jew from a privileged background, was suddenly catapulted from his idyllic student elite life at Cambridge into a turbulent seven-year odyssey in an internment camp. **Shamanic Journeys Through Daghestan** Michael Berman, 2010-01-16 Known as the land of the mountains, Dagestan lies immediately north of the Caucasus Mountains and stretches for approximately 250 miles along the west shore of the Caspian Sea. With its mountainous terrain making travel and communication difficult, Dagestan is still largely tribal. Despite over a century of Tsarist control followed by seventy years of repressive Soviet rule, there are still 32 distinct ethnic groups in Dagestan, each with its own language, making it unquestionably the most complex of the Caucasian republics. Shamanic practices are still prevalent in this country, where one of the ten lost tribes of Israel can be found. In Dagestan, as in the neighbouring countries of Georgia, Chechnya, and Azerbaijan, these roots lie in shamanism. This book, one of only a handful available in English on the country, contains the texts of some of these stories as well as commentaries on them. **Belarus** Nigel Roberts, 2008 Belarus

remains the most inaccessible unknown and misunderstood country in Europe This new guide therefore offers a rare opportunity to study a country and its people as they really are before the rest of the world catches on *Islam, Christianity and the Mystic Journey* Ian Richard Netton, 2011-04-30 This distinctive comparison of Islamic and Christian mysticism focuses on the mystic journey in the two faith traditions

Exploring Imaginary Worlds Mark Wolf, 2020-10-08 From The Brothers Karamazov to Star Trek to Twin Peaks this collection explores a variety of different imaginary worlds both historic and contemporary Featuring contributions from an interdisciplinary and international group of scholars each essay looks at a particular imaginary world in depth and world building issues associated with that world Together the essays explore the relationship between the worlds and the media in which they appear as they examine imaginary worlds in literature television film computer games and theatre with many existing across multiple media simultaneously The book argues that the media incarnation of a world affects world structure and poses unique obstacles to the act of world building The worlds discussed include Nazar Barsetshire Skotopogonievsk the Vorkosigan Universe Grover s Corners Gormenghast Collingsport Daventry Dune the Death Gate Cycle universe Twin Peaks and the Star Trek galaxy A follow up to Mark J P Wolf s field defining book Building Imaginary Worlds this collection will be of critical interest to students and scholars of popular culture subcreation studies transmedia studies literature and beyond
