Rites Of Passage Selected Translations:

The Translation and Transmission of Concrete Poetry John Corbett, Ting Huang, 2019-10-23 This volume addresses the global reception of untranslatable concrete poetry Featuring contributions from an international group of literary and translation scholars and practitioners working across a variety of languages the book views the development of the international concrete poetry movement through the lens of transcreation that is the informed creative response to the translation of playful enigmatic visual texts Contributions range in subject matter from ancient Greek and Chinese pattern poems to modernist concrete poems from the Americas Europe and Asia This challenging body of experimental work offers creative challenges and opportunities to literary translators and unique pleasures to the sympathetic reader Highlighting the ways in which literary influence is mapped across languages and borders this volume will be of interest to students and scholars of experimental poetry translation studies and comparative literature

Beyond Identity Attila Dósa, 2009 In Beyond Identity thirteen of Scotland's best known poets reflect upon the theoretical practical and political considerations involved in the act of writing They furnish a unique guide to contemporary Scottish poetry discussing a range of issues that include nationhood education language religion landscape translation and identity John Burnside Robert Crawford Douglas Dunn Kathleen Jamie Edwin Morgan Kenneth White and others together with such noted experimentalists as Frank Kuppner Tom Leonard and Richard Price explore questions about the relationship between social economic and ecological realities and their poetic transformation These interviews are set within the altered political context that followed from the re-establishment of a Scottish Parliament in 1999 and the potential of a renewed engagement with wider European culture Attila Dosa is Senior Lecturer at the Department of English at the University of Miskolc in northern Hungary

Translation - Theory and Practice Daniel Weissbort, Astradur Eysteinnsson, 2006-08-04 Translation Theory and Practice A Historical Reader responds to the need for a collection of primary texts on translation in the English tradition from the earliest times to the present day Based on an exhaustive survey of the wealth of available materials the Reader demonstrates throughout the link between theory and practice with excerpts not only of significant theoretical writings but of actual translations as well as excerpts on translation from letters interviews autobiographies and fiction The collection is intended as a teaching tool but also as an encyclopaedia for the use of translators and writers on translation It presents the full panoply of approaches to translation without necessarily judging between them but showing clearly what is to be gained or lost in each case Translations of key texts such as the Bible and the Homeric epic are traced through the ages with the same passages excerpted making it possible for readers to construct their own map of the evolution of translation and to evaluate in their historical contexts the variety of approaches The passages in question are also accompanied by ad verbum versions to facilitate comparison The bibliographies are likewise comprehensive The editors have drawn on the expertise of leading scholars in the field including the late James S Holmes Louis Kelly Jonathan Wilcox Jane Stevenson David Hopkins and many

others In addition significant non English texts such as Martin Luther's Circular Letter on Translation which may be said to have inaugurated the Reformation are included helping to set the English tradition in a wider context Related items such as the introductions to their work by Tudor and Jacobean translators or the work of women translators from the sixteenth to eighteenth centuries have been brought together in collages marking particularly important moments or developments in the history of translation This comprehensive reader provides an invaluable and illuminating resources for scholars and students of translation and English literature as well as poets cultural historians and professional translators

Beyond the Last Dragon James McGonigal, 2011-12-09 Edwin Morgan's restless imagination moved easily between multiple worlds voices and identities His own life story told here for the first time also reveals a range of identities as academic cultural activist radical writer international traveller gay man and national poet These identities were sometimes in conflict or kept hidden and apart Beyond the Last Dragon written with his full support explores hitherto unknown archive resources and creative work It recounts an amazing and sometimes troubled career using the poet's own letters poems and plays from the 1930s to the present day to uncover the origins of his remarkable and life long inventiveness and flair All this is set against Edwin Morgan's moving struggle against the last dragon of cancer and to remain creatively alive in the face of suffering in the final years of his life This prize winning biography was published just days after the poet's death James McGonigal now adds a new chapter to describe subsequent events
