Ritual Magic Eliza Marian Butler, 1979 *Introduction to Ritual Magic* Dion Fortune, Gareth Knight, 2008-05 Each chapter is supplemented and expanded by a companion chapter on the same subject by Gareth Knight In Dion Fortune's day the conventions of occult secrecy prevented her from being too explicit on the practical details of magic except in works of fiction These veils of secrecy having now been rolled back Gareth Knight has taken the opportunity to fill in much practical information that Dion Fortune might well have included had she been writing today In short in this unique collaboration of two magical practitioners and teachers we are presented with a valuable and up to date text on the practice of ritual or ceremonial magic as it is That is to say as a practical spiritual and psychic discipline far removed from the lurid superstition and speculation that are the hallmark of its treatment in sensational journalism and channels of popular entertainment

The Archaeology of Ritual and Magic Ralph Merrifield, 1988 Ralph Merrifield systematically examines the evidence from prehistoric times to the present and demonstrates that all through the fundamental changes of belief from primitive animism to Christianity to scientific rationalism the same kinds of simple ritual have survived because they answer deep human needs

The Practice of Ritual Magic Gareth Knight, 1976 *The Ritual of Transcendental Magic* Eliphas Levi, 2013 This is the complete English version of Eliphas Levi's treatise on ritual magic This work is in two parts in the first one called *The Doctrine of Transcendental Magic* we establish the kabalistic and magical doctrine in its entirety this here the second part is consecrated to the cultus that is to Ceremonial Magic The one is that which the ancient sages termed the Clavicle the other that which people on the country side still call the Grimoire The numbers and subjects of the chapters which correspond in both parts are in no sense arbitrary and are all indicated in the great universal key of which we give for the first time a complete and adequate explanation Let this work now go its way where it will and become what Providence

determines it is finished and we believe it to be enduring because it is strong like all that is reasonable and conscientious

Persuasions of the Witch's Craft Tanya Marie Luhrmann, 1991-03-01 Luhrmann explains the process through which once skeptical individuals educated middle class people frequently of high intelligence become committed to the ideas behind witchcraft and find magical ritual so compellingly persuasive This intriguing book draws some disturbing conclusions about the ambivalence of belief within modern urban society
