Ritual Chill:

Revisioning Ritual Simon J. Bronner, 2011-09-30 A fascinating analysis of how the study of ritual is critical to illuminating what is Jewish about Jewishness Prodigal's Return James Axler, 2011-09-06 The landmark 100th episode of the popular series Searching for an operational redoubt Ryan and his companions go up against a ruthless band of coldhearts Seeing his long lost son is a shock especially when Dean shoots and wounds his father in a firefight Original Dark Resurrection James Axler, 2009-03-01 Postnuclear America has changed little since the primal leveling of the twenty first century Warrior survivalists Ryan Cawdor and his band live by a code that honors the kind of absolute freedom only a raw frontier can provide Until rumors of a wider more prosperous world than the Deathlands thriving deep in Mexico untouched by the nukecaust lure them into uncharted waters Captured by the pirate foot soldiers of the mysterious Lords of Death Ryan Cawdor and his companions sail into a surreal world where electric lights blaze but blood terror reigns In Veracruz Mexico Ryan is marked for slaughter his effigy linked to an ancient deity Helpless Krysty Dix and the others await a horrifying fate at the hands of whitecoats manipulating pre dark plague warfare As the Lords of Death unleash their demonic vision hope for Ryan the others and nascent civilization appears irrevocably lost **Entering Hekate's Garden** Cyndi Brannen, 2020 Bringing pharmakeia the practice of plant spirit witchcraft into contemporary times this book merges historical knowledge with modern techniques featuring detailed monographs dedicated to 39 plants ranging from the esoteric such as aconite American mandrake and damiana to the accessible including bay laurel dandelion fennel garlic juniper and lavender **The Last Ritual** Dragos Gaszpar, 2025-06-16 We killed God Carved rituals from its corpse long lives healing weapons Millennia of prosperity enough to make you weep But nothing comes without a cost Three curses carved in kind The Leath are winning And now something worse threatens us both mindless hideous final Oh the goats They want our help Well They can have it It s time for another ritual Yes This one will be different I and three others will go We will not return we understand this But if we succeed then you who remain must carry on Maybe find a cure for your affliction Pass this note down Let something of us survive P S Saa give the younglings my farewell Nothing too sentimental you understand Yes both of them P P S You re still wrong about the portraits Excerpt from a gray s final message found in Ironwall s inn A dark fantasy novel about sacrifice ruin and philosophy made manifest For fans of grimdark tragic legacies friendship and choices with consequences Approximately 72 000 words Contains themes of war decay memory and in human resilience Their last ritual wasn t for power It was for you Chrono Spasm James Axler, 2013-03-01 SURVIVAL INSTINCT Remnants of humanity have managed to regroup after a global nuclear showdown that decimated the planet But life in Deathlands is a far cry from actual living And the survivors must believe they ll find something better because surrendering to the inhospitable forces of a nuked world means giving in to death Or worse HELL FREEZES OVER Fear and human depravity permeate the frigid air in a oncedynamic Alaskan city Ryan Cawdor and his group of survivalists go on red alert the moment they set foot on the

forbidding tundra but regardless they find themselves rounded up by cannibal coldhearts The companions quickly discover there s a fate much worse than becoming food Dangerous new experiments are taking place in a long abandoned military base and in the bitter heart of the frozen North new horrors reach out to poison their hope for a better tomorrow

Nemesis James Axler,2013-01-02 CRUEL DISPENSATION Burying the past in a nuclear cull Deathlands spares no one from its punishing assault In this grim new reality there s little to live or die for except the possibility of unlocking the mysteries of the past Ryan Cawdor and his group of fellow survivors scour the perilous land for sanctuary in a world where nothing is guaranteed but death PAROLE OF THE DAMNED Hiring on as crew to a merchant s wag train Ryan and his companions anticipate trouble as they head west toward what was once Montana The terrain is treacherous but the company is worse as anger jealousy and male rivalry erupt into chaos and death But as they get closer to their destination the true nature of the journey unfolds There s a map to a mysterious valley rich with predark stockpiles But is it the promised land they ve been seeking or the dead end they never saw coming

Dark Fathoms James Axler,2013-09-03 DANGER ZONE No place on Earth escaped the nuclear Armageddon that spawned the hellscape known as Deathlands In a ravaged world where violence and lawlessness rule a rare breed of hero has emerged Ryan Cawdor is a lethal fighter who lives by a code of honor and fair play and that has made him a legend DEPTH CHARGE Miles beneath the ocean s surface a decaying redoubt barely protects Ryan and his companions from a watery death Battling vicious assaults from cyborgs programmed by artificial intelligence to kill them they re desperate to escape this underwater trap But above the waves a new threat awaits a massive predark super ship banished to the seas of Deathlands Decades of madness have led to civil war between the citizens of the upper and lower decks Now pawns in a bloody game Ryan and the other survivors must destroy the ship or face their certain end at sea

Polestar Omega James Axler,2014-11-01 ARMAGEDDON S NOMADS Banded together to survive Ryan Cawdor and his companions travel the barren wastelands of a post nuclear world There are no laws in Deathlands only fear destruction and annihilation As each day brings a new struggle this group journeys toward the shaky promise of sanctuary COLD WAR Ryan and his friends become the subjects in a deadly experiment when they re taken captive inside a redoubt at the South Pole A team of scientists is convinced the earth must be purified of mutants and now they have the perfect lab rats to test their powerful bioweapon Within Antarctica s harsh and unstable conditions the companions must fight the odds and take down the whitecoats before millions are killed But in this uncompromising landscape defeating the enemy may be just another step toward a different kind of death

Baptism of Rage James Axler,2010-07-01 The end of the world arrived in a nuclear rush forging the agonized remains of past and present into a new reality known as Deathlands Now life is a simple series of rules of survival where having is better than not having and anything is worth killing for But in a world that has seemingly turned against mankind the possibility of miracles can exist Of all the resources Ryan Cawdor and his group struggle to recoup hope for escaping the grim daily life and death struggle has suffered most But now reports of a ville

holding the mythical waters of rejuvenation a fountain of youth appear to be true luring Doc and the others on a journey inspired by promise tainted by mistrust Hiring on as sec men with a convoy headed to the healing waters of Babyville the survivors discover the deadly price of immortality In the Deathlands the future looks like hell and delivers far worse
