Sing Me A Window:

Sing me the Creation Paul Matthews, 2019-09-19 This is an inspirational workbook of creative writing exercises for poets and teachers and for all who wish to develop the life of the imagination Paul Mathews gives us permission to indulge our fantasy and then when that life is flowing provides the tools to craft it into poetry and song

Sing Me a Song C.A. Rene, 2023-07-24 Tempest Skeigh It s addicting The pull of a melodic beat as it teases your body into moving The heat of your skin as it warms under the eyes filled with lustful intent And the rush of your blood as you bare your soul Dancing has always been my life No matter if it s on a pole or a stage It was supposed to change my life and take me to better places Instead it threw me into his clutches and I can only hope to escape with minimal damage

Raiden James It s addicting The sounds vocal chords can make as they vibrate with song or scream The tip of a sharpened blade as it sinks into flesh And the gentle caress of blood as it coats your skin Singing on stage has been my life But the promises I made in exchange for fame are daunting Now my vengeance is close at hand and my foes are lined up in a row Then she drops in my lap and it takes everything in me not to slice her open Just to coat my skin in her blood

Sing Me Forgotten Jessica S. Olson, 2021-03-09 Lush and lavish Sing Me Forgotten hit all the right notes Erin A Craig New York Times bestselling author of House of Salt and Sorrow A deliciously magical feminist twist on the beloved classic The Phantom of the Opera Kester Grant Sunday Times bestselling author of The Court of Miracles Isda does not exist At least not beyond the opulent walls of the opera house Cast into a well at birth for being one of the magical few who can manipulate memories when people sing she was saved by Cyril the opera house s owner Since that day he has given her sanctuary from the murderous world outside All he asks in return is that she use her power to keep ticket sales high and that she stay out of sight For if anyone discovers she survived Isda and Cyril would pay with their lives But Isda breaks Cyril s cardinal rule when she meets Emeric Rodin a charming boy who throws her quiet solitary life out of balance His voice is unlike any she s ever heard but the real shock comes when she finds in his memories hints of a way to finally break free of her gilded prison Haunted by this possibility Isda spends more and more time with Emeric searching for answers in his music and his past But the price of freedom is steeper than Isda could ever know For even as she struggles with her growing feelings for Emeric she learns that in order to take charge of her own destiny she must become the monster the world tried to drown in the first place
