Long Long Way:

This is the U.S.A. United States. Office of War Information,1944 **The House of Souls** Arthur Machen,2020-08-14
Reproduction of the original *The House of Souls* by Arthur Machen Kaleidoscope Ray Bradbury,1975 **The**
Philosophy of Dr. Martin Luther King Jr. Robert T. Floyd Jr.,2018-02-13 The speeches and sermons of Dr Martin Luther King Jr resound deeply delivering the inspiring message of a great leader and teacher These timeless gems leave the reader with renewed understanding of the man and the urgency of the civil rights movement which still ring true today **Clare and the Great War** Joe Power,2015-07-06 Aristocrats and itinerants unionists and nationalists Catholics and Protestants the Great War united thousands of Clare men and women to a cause for which many of them would go out to fight and die Their motives varied from a sense of duty to king and country to concern about the fate of poor Catholic Belgium from mercenary motives fuelled by poverty to the moral duty to fight for civilization against the savage Huns or like many young men to the simple thirst for adventure This seminal work attempts for the first time to understand what really happened in County Clare during the Great War how its economic and political life was radically transformed during this terrible conflict and how the contribution of those who gave their lives was largely written out of history **Going West** Basil King,2022-09-15 In *Going West* Basil King explores the restless journey of self discovery against the backdrop of early 20th century America King deftly employs a lyrical prose style interwoven with vibrant imagery that reflects the westward expansion s transformative power The narrative follows its protagonists as they encounter both natural beauty and the moral complexities of frontier life embodying the era s tantalizing blend of adventure and existential inquiry King s keen insights into human motivations and societal norms are deftly portrayed making the book not only a tale of physical travel but also a profound exploration of personal and spiritual landscapes Basil King a Canadian born author and minister drew deeply from his own experiences of migration and cultural transition to craft this evocative narrative His background in both theology and literature infused his writing with a strong moral underpinning as well as a rich understanding of the human condition King s life as a traveler and observer of human dynamics surely informed his portrayal of characters grappling with the tensions between ambition and ethical dilemmas making *Going West* a compelling study of the human spirit s resilience I wholeheartedly recommend *Going West* to readers who are interested in the interplay of individual aspiration and communal values during a formative period in American history Through King s vivid storytelling and insightful character development one gains not only an appreciation for the physical landscapes but also for the deeper philosophical inquiries that accompany any quest for identity and purpose
