LONG TRIP
A PREHISTORY OF PSYCHEDELIA

PAUL DEVEREUX

Long Trip The Prehistory Of Psychedelia

Paul Devereux

Long Trip The Prehistory Of Psychedelia:

The Long Trip Paul Devereux, 1997 A wide variety of psychedelics primarily plants and mushrooms have been used consistently by human societies for ritual purposes for centuries This illuminating book presents a pioneering study of the uses of psychedelic drugs from ancient times to the present Illustrations *Deeper Learning with Psychedelics* David J. Blacker, 2024-06-01 In both clinical and informal settings psychedelics users often report they have undergone something profound and even life altering Yet there persists a confounding inability to articulate just what has been imparted Informed by multidisciplinary emerging research this book provides an account of the specifically educational aspects of psychedelics and how they can render us ready to learn Drawing from indigenous peoples worldwide who typically revere these substances as plant teachers and from canonical thinkers in the western tradition such as Plato Spinoza Kant and Heidegger the author proposes an original set of categories through which to understand the educational capabilities of entheogens psychedelics with visionary qualities It emerges that entheogens real power lies not in destabilizing and decentering turning on and dropping out but as powerful aids in restoring and reenchancing our shared worlds *Tripping* Charles Hayes, 2000-11-01 Provides the much needed coming out of the closet that the psychedelic movement has lacked These stories will captivate inspire caution and educate This courageous book exceeds expectations Rich Doblin President Multidisciplinary Association for Psychedelic Studies MAPS A collection of transformational psychedelic experiences and a guidebook for how to understand them Flash back to a generation ago when the world of psychedelics still coasted in the gritty adventurous do it yourself ethos of Sixties counterculture Hang on for the bumpy thrill ride of the psychedelic experience before it was traded in for the white lab coat of pharmaceutical medicine Read up on the early anecdotes and field reports that have made ketamine and MDMA the newest drugs in mental health treatment In *Tripping* journalist Charles Hayes compiles fifty narratives of psychedelic odysseys from respectable Baby Boomers and young ravers to renowned Beat poet Anne Waldman and preeminent spokesperson Terence McKenna to give readers a glimpse into this transgressive experimental world of self discovery As he liberates psychedelics from their social stigma Hayes explores ancient Greek rites and ecstasy fueled raves sacred indigenous plants and synthetic smart drugs alien encounters and connections with nature the terrifying and the sublime A history cultural timepiece and resource guide all in one *Tripping* is a compendium of forbidden memories whose otherworldly tales and expository advice will provide insight and inspiration to readers even and especially now twenty years after its original publication *Otherworlds* David Luke, 2019-05-24 Scientist and psychonaut David Luke weaves personal experience and scientific research in this comprehensive exploration of chemically mediated extra ordinary human experiences Emphasizing parapsychological aspects of the psychedelic experience Luke s new book fills in a fascinating and previously neglected lacuna in the burgeoning field of human studies with these compounds Rick Strassman PhD A psychedelic Indiana Jones Matt Colborn PhD David Luke s delightful one liner about his book is that it s

about weird people in weird places taking weird substances doing weird things and importantly having weird experiences On reflection it's much more profound than that So weird reader forge ahead without fear Dean Radin PhD In his fascinating book *David* plunges into this controversial topic and gives the backstory the front story and possible ways forward to bring paranormal and psychedelic research together and further our understanding of both Dennis J McKenna PhD A remarkable collection and a necessary one This body of research illuminates aspects of psychedelic experiences usually obscured or denied in the medical and clinical research and sensationalized in the popular press James Fadiman PhD A real Dr Gonzo Will Self *The Acid Queen* Susannah Cahalan, 2025-04-22 Shines a light on one of the twentieth century's most amazing untold life stories An essential read and an unforgettable trip Robert Kolker author of *Hidden Valley Road* Cahalan details a piece of lost but fascinating history the story of a woman who embodied an era of freedom experimentation and psychedelic adventure Meticulously reported and beautifully crafted Susan Orlean The untold story of the woman who played a critical role in bringing psychedelics into the mainstream until her audacious exploits forced her into the shadows from the 1 New York Times bestselling author of *Brain on Fire* Rosemary Woodruff Leary has been known only as the wife of Timothy Leary the Harvard professor turned psychedelic high priest whose jailbreak captivated the counterculture and whose life on the run with Rosemary inflamed the government But Rosemary was more than a mere accessory She was a beatnik a psychonaut and a true believer who tested the limits of her mind and the expectations for women of her time Long overlooked by those who have venerated her husband Rosemary spent her life on the forefront of the counterculture working with Leary on his books and speeches sewing his clothing and shaping for better and for worse the media's narrative about LSD Ultimately Rosemary sacrificed everything for the safety of her fellow psychedelic pioneers and the preservation of her husband's legacy Drawing from a wealth of interviews diaries archives and unpublished sources Susannah Cahalan writes the definitive portrait of Rosemary Woodruff Leary reclaiming her narrative and her voice from those who dismissed her Page turning revelatory and utterly compelling *The Acid Queen* shines an overdue spotlight on a pioneering psychedelic seeker *Failed God* John A. Rush, 2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark's Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an *Amanita muscaria* cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only *Amanita muscaria* but a plethora of mind altering substances *Failed God* *Fractured Myth* in a Fragile World re-examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur'an and reveals them as concocted mythical charters stemming from drug induced romps with the supernatural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed

to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus s simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today s world

Cognitive Models and Spiritual Maps Jensine Andresen, Robert K. C. Forman, 2000 This book throws down a challenge to religious studies offering a multidisciplinary approach including developmental psychology neuropsychology philosophy of mind and anthropology

Ploughing the Clouds Peter Lamborn Wilson, 2021-10-20 The Rig Veda written in India about 1500BC praises a holy plant called Soma which is sacrificed and consumed granting the drinker an experience of enlightenment and ecstasy The late Gordon Wasson identified Soma as a magic mushroom Amanita muscaria and he and his followers discovered that such Indo Europeans as the ancient Greeks Iranians and Norse had also used a Soma type plant In Ploughing the Clouds Peter Lamborn Wilson investigates the probability of a Soma cult in ancient Ireland tracing clues in Irish and other Celtic lore By comparing Celtic folktales romances epics and topographic lore with the Rig Veda he uncovers the Irish branch of the great Indo European tradition of psychedelic or entheogenic shamanism and even reconstructs some of its secret rituals He uses this comparative material to illuminate the deep meaning of the Soma function in all cultures the entheogenic origin of poetic frenzy the link between intoxication and inspiration

Marijuana Medicine Christian Rätsch, 2001-03-01 A comprehensive survey of the therapeutic historical and cultural uses of cannabis in traditions around the world The most complete visual record of cannabis culture ever published Christian Ratsch is one of the world s foremost ethnopharmacologists and is the current president of the German Society for Ethnomedicine Marijuana Medicine explores the role of hemp in medicinal systems spanning the globe Cannabis has accompanied the development of human culture from its very beginnings and can be found in the healing traditions of cultures throughout Africa Asia Europe and the Americas Even today it is an important part of many Asian healing traditions in Ayurveda cannabis is praised for its tonic and aphrodisiac qualities and in traditional Chinese medicine it is cited as a superb antidepressant It also remains a significant part of the healing and visionary traditions of Latin American curanderos and Brazilian Nepalese and Indian folk medicine Modern research has confirmed the effectiveness of marijuana s application in treating such diseases as asthma and glaucoma Christian Ratsch profiles the medicinal historical and cultural uses of cannabis in each of these societies and medical systems providing remedies and recipes for those interested in how cannabis can be used to treat specific conditions

The Re-Enchantment of the West, Vol 2 Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an

alternative spiritual re enchantment of society and culture

Long Trip The Prehistory Of Psychedelia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Long Trip The Prehistory Of Psychedelia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Long Trip The Prehistory Of Psychedelia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Long Trip The Prehistory Of Psychedelia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Long Trip The Prehistory Of Psychedelia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
