Long Mynd:

The Midlands' Best Views Simon Jenkins, 2013-10-03 England's views are remarkable for their beauty and variety. In this illustrated first of its kind guide, bestselling author Simon Jenkins picks the very best views from the heart of England, including Broadway Tower, Chipping Campden, Cleve Hill, Ironbridge Gorge, Malverns, Tyndale Monument, Chatsworth, Kinder Downfall, and more, and explains the fascinating stories behind them. Jenkins' entertaining and erudite entries provide the rich historical, geographical, botanical, and architectural background to the Midlands' breathtaking sights, both iconic and undiscovered. Filled with Roman roads, cliff tops, follies, mountains, ancient castles, rolling forests, and heart-stopping moments, you'll soon wonder how you chose walks, mini breaks, or spontaneous diversions without it. **Really Wild Cycling** Chris Sidwells, 2020-06-18 An illustrated pocket guide to off the beaten track cycling challenges. Really Wild Cycling follows in the tracks of Chris's bestselling Wild Cycling. Most, if not all, the rides are off road, but each one presents a challenge to inspire readers to train for it and have a go. Most take only a few hours, but some are longer, and a few much longer, taking even the fittest several days. An introduction explains safety techniques and underlines the skills, knowledge, equipment, and fitness levels required. The rides are graded in ascending difficulty within each region. Each ride suggests regular escape points to get riders to a safe place should the weather close in, and draws attention to places where extra care should be taken. Some rides are on marked routes like the Trans Pennine Trail; some are races or organised challenges, while others are routes the author himself has mapped out. Each ride is illustrated with photos, an annotated map, and a profile of the terrain. The text includes a detailed route guide and historical, geological, and natural points of interest. **Great Britain** Christopher Somerville, 2011 The allure of Great Britain's natural beauty, famously refined culture, and storied history has long held sway over visitors. The country is the number one destination for Americans traveling to Europe. Annually, more than 4,000,000 tourists cross the Atlantic to enjoy the island's myriad charms, including the rolling moors of Devon and Yorkshire, some of the world's finest museums, dining, and theater in the fabled streets of London. Travelers are able to soak in the rich history and stunning scenery of Scotland's islands and highlands, as well as the stately aristocratic mansions and castles that dot the countryside. Illustrated with more than 150 vivid photographs and 30 detailed full-color maps, *National Geographic Traveler Great Britain*, 3rd Edition, brings you everything you need to know to plan a trip to this most enticing of regions.
