*Home Economics Technology Iv' 2005 Ed. , **Recollections: My Folks and Fields** Eddie B. Rozelle, 2016-04-22*

RECOLLECTIONS My Folks and Fields by Eddie B Rozelle Editor Rebecca Rozelle Burt In 1960 Eddie B Rozelle self published Recollections My Folks and Fields The book is a cultural and social history centered in Clay County Alabama located in the east central section of the state By using a manual typewriter and a mimeograph machine and finally having the pages bound in heavy paper the author recorded a thorough depiction of rural life in southern Alabama in the late nineteenth and early twentieth centuries This new edition edited by Eddie Rozelles daughter Rebecca Rozelle Burt is essentially identical to the first The editing involved little other than correcting mechanical and structural errors An appendix was added consisting of relevant material that should be of great interest to readers Though Rozelle makes it clear that the grueling work involved in farming dominated the lives of most inhabitants of the region the enormous amount of detail concerning education medical care church activities entertainment and civic practices re creates a particular time and place in American history The narratives of specific events come alive in this writers hands sometimes with humor at others with a tragic eye The strengths of the small close knit world were characterized by the interdependence of family and community Most inhabitants of the Hatchett Creek community worked together to improve their lot both collectively and individually It is obvious that Rozelles appreciation of these values even the hardships of his early life led him to write this history *Harry Langdon* Gabriella Oldham, Mabel Langdon, 2017-04-18 Among silent film comedians three names stand out Charlie Chaplin Buster Keaton and Harold Lloyd but Harry Langdon indisputably deserves to sit among them as the fourth king In films such as *The Strong Man* 1926 and *Long Pants* 1927 Langdon parlayed his pantomime talents expressive eyes and childlike innocence into silent era stardom This in depth biography which features behind the scenes accounts and personal recollections compiled by Langdon s late wife provides a full and thoughtful picture of this multifaceted entertainer and his meteoric rise and fall Authors Gabriella Oldham and Mabel Langdon explore how the actor developed and honed his comedic skills in amateur shows medicine shows and vaudeville Together they survey his early work on the stage at the turn of the twentieth century as well as his iconic routines and characters They also evaluate his failures from the early sound period including his decision to part ways with director Frank Capra Despite his dwindling popularity following the introduction of talkies Langdon persevered and continued to perform in theater radio and film literally until his dying day leaving behind a unique and brilliant body of work Featuring never before published stories and photos from his immediate family this biography is a fascinating and revealing look at an unsung silent film giant Frank Capra Joseph McBride, 2011-06-02 Moviegoers often assume Frank Capra s life resembled his beloved films such as *Mr Smith Goes to Washington* and *It s a Wonderful Life* A man of the people faces tremendous odds and by doing the right thing triumphs But as Joseph McBride reveals in this meticulously researched definitive biography the reality was far more complex a true American tragedy Using

newly declassified U S government documents about Capra s response to being considered a possible subversive during the post World War II Red Scare McBride adds a final chapter to his unforgettable portrait of the man who gave us *It Happened One Night* *Mr Deeds Goes to Town* and *Meet John Doe* *Ordinary Faith* Clay Lein,2008-11 FINDING REAL FAITH IN ORDINARY LIFE So often we think that the spiritual stuff of life happens in cathedrals or chapels like faith is supposed to have its proper place But the truth is that you and I are surrounded by moments of great faith all the time We hardly see them but they are there in the midst of ordinary life all around us Catching sight of those moments could completely change the way we see the world These stories are taken from a very ordinary life You will laugh at the way that God can be found in simple things like flat tires crying kids rock tumblers and cats You might even cry as you recognize yourself in a story and discover that God is there in the midst of your ordinary life too Clay Lein is a husband father and pastor living in Dallas Texas He began his career as an engineer with Intel Corporation completed his MBA in 1990 and in a not so obvious next step became a priest in 1996 His ability to find faith and hope in ordinary life has helped thousands to discover ordinary faith within themselves **Pesticide Safety: A Study Manual for Private Applicators - 3rd Edition** Shannah M.
